वन (संवर्धन) अधिनियम, 1980 अंतर्गत Diversion of 12.0225 Ha Forest Land in favour of EHV Project Division, Kalyan for Construction and laying of 220 KV LILO M/C Transmission Line on 220 KV Padghe Wada & Kolshet Wada Tr.line for 400 KV Kudus Sub Station passing through Village Eksal, Chichavali, Kunde, & Dighashi Taluka Bhiwandi District Thane वनजमिन मागणी प्रस्तावावर परिपूर्ण संस्करण करून वनभंग अहवालासोबत एकत्रित प्रस्ताव या कार्यालयाचे संदर्भित पत्र क्र. 1 अन्वये वरिष्ठ कार्यालयास सादर करण्यात आला होता.

त्यावर संदर्भित पत्र क्र. 2 अन्वये केंद्र शासनाने प्रकरणी वन (संरक्षण एवमं संवर्धन), नियम 2023 चे उपनियम 15(1) आणि 15(2) नुसार अधिकारीता क्षेत्र असलेले विभागीय वन अधिकारी वा उप वनसंरक्षक हे

वन (संरक्षण एवमं संवर्धन), 1980 चे कलम 3A वा 3B नुसार प्राधिकृत असून त्यांनी अशा प्रकरणांमध्ये कार्यवाही करावी असे कळविले आहे.

दरम्यान आपलेकडील संदर्भित पत्र क्र. 6 अन्वये सदर प्रकरणी पुनर्तपासणी (Re-Examine) करून अधिनियमाच्या अनुषंगाने कार्यवाही करून केलेल्या कार्यवाहीचा अहवाल (Action Taken Report) सादर करण्यास कळविले आहे.

त्यानुसार उप वनसंरक्षक, ठाणे तथा सक्षम अधिकारी यांचेव्दारे साक्षांकित केलेले तक्रारपत्र वनक्षेत्रपाल, पडघा यांचेकडून मा. प्रथम वर्ग न्यायदंडाधिकारी, भिवंडी यांचे न्यायालयात दि. 06/05/2025 रोजी दाखल करण्यात आले आहे. प्रस्तुत प्रकरणी सदर दाव्यास दावा क्रमांक. एस.सी.सी. 11510/2025 असा असून दि. 05/06/2025 रोजी पहिली सुनावणी ठेवण्यात आल्याचे व दावाच्या Online तपशील आपणांस सादर करण्यात आली असून तद्वतच वन (संरक्षण व संवर्धन) अधिनियम, 1980 मधील नियमानुसार सुधारीत वनभंग अहवाल (Violation Report) सादर करणेकामी या कार्यालयाचे संदर्भित पत्र क्र. 9 अन्वये प्रकल्प यंत्रणेस कळविण्यात आले होते.

त्यावर प्रकल्प यंत्रणेने संदर्भित पत्र क्र. 10 अन्वये केंद्र शासनाने दिलेल्या निर्देशानुसार सुधारीत वनभंग अहवाल (Violation Report) व Justification Note या कार्यालयास सादर केला आहे.

त्या अनुषंगाने प्रकल्प यंत्रणेने सादर केलेला सुधारीत वनभंग अहवाल (Violation Report) उप वनसंरक्षक, ठाणे यांचे अभिप्रायासह या सोबत 5 प्रतीत पुढील आवश्यक कार्यवाहीसाठी जोडून सादर करण्यात येत आहे.

 (Vijay B. Aware)
 Executive Engineer
M.S.E.T. Co. Ltd.
 E.H.V. Projects Dn. Kalyan

 Deputy Conservator of Forest
 Thane Division, Thane.

Justification note regarding circumstances under which the work was undertaken in violation of the Forest Conservation Act.

Sub: Diversion of 12.0225 Ha forest land for construction and laying of 220kv LILO M/C transmission line on 220kv Padghe Wada and Kolshet Wada tr line for 400kv Kudus sub station passing through Thane District.

Ref: 1) DCF Thane letter no 148 Dt. 8.5.2025

The work of Construction of LILO on 220kv Padghe Wada-Kolshet -Wada for 400kv Kudus S/Stn is under progress. Following are the detail justification, which is self explanatory that this office has violated forest rules and regulation unknowingly during construction of tower locations 37 and 38.

As per the violation in Location No. 37 & 38 in r/o LILO on 220KV Padghe-Wada & Kolshet-Wada line for 400KV Kudus S/Stn, this is to inform that, LOA for the work of LILO on 220KV Padghe-Wada & Kolshet -Wada line for 400KV Kudus S/Stn is awarded to M/s BNC Power, Pune. In the said line route there is involvement of Forest area. Accordingly, initially online forest proposal for the said line was submitted on dtd 9.11.2017 and hard copy of forest proposal submitted on dtd 29.11.2017, for obtaining NOC from Forest Department. Initially, forest area involved in this route was 9.4Ha. Later position of 220kv line bay for the said line and LILO on 220kv M/C Tarapur Borivali and Boisar Ghodbunder for Kudus was interchanged, due to which the forest area changed from 9.4 ha to 10.34 ha, and had been accommodated in hard copy submission.

After that, joint site inspection was carried out by RFO Padghe and ACF Thane on dtd 25.1.2018. As per procedure, these forest authorities had visited the proposed EHV line route in forest area. Meanwhile due to urgency of project and by considering time period required for obtaining forest permission, it was decided by higher authorities to execute work in non-forest area. Accordingly, agency had started the execution work of the said line at site in co-ordination of concerned Project S/Dn, Kalyan. As per regular procedure, executing authority and agency adopted standard practice of collection of 7/12 documents, Identification of forest area by local enquiries, forest poles and forest earthen bunds at site.

As per actual facts, it is to bring in to kind notice that, after demarcation of proposed tower location numbers 37 and 38 on village map, it is observed that location number 37 is coming on revenue survey number 53/6, village Kunde and tower location number 38 is coming on revenue survey number 65/4, village Dighashi, and as per latest 7/12 records, these towers are coming on Private/ Non Forest land. The village map and 7/12 records are attached herewith for ready reference.

During execution of tower foundations at location 37 and 38, It was observed by executing team that, as per available 7/12 documents, land was belonged to private owners and there was no demarcation of forest pillars or forest earthen bunds at site and based on this basic information foundation, location 38 casted on dt. 27.4.2018 and location 37 was casted on 11.5.2018 by agency in coordination with concerned projects S/Dn, Kalyan.

Later the then DCF Thane had done joint site inspection for EHV Tr line in forest area on dtd 7.8.2018 and then proposal moved from DCF to CCF Thane on dtd 14.8.2018 It is to inform that, RFO Digashi has not mentioned Forest Survey no 211, in his joint Inspection report but your good self office mentioned Forest Survey no 211, in this joint site inspection report, when proposal moves to CCF Thane. It is to note that, your good self office has also mentioned in point no 10, that there is no violation observed in forest land.

Later proposal forwarded by CCF Thane to APCCF Nagpur on dtd 4.4.2019. Meanwhile tower erection was done at location 37 and 38 on dtd 3.11.2019 and 20.1.2020 respectively. Meanwhile, it was observed that, Eksaal village comes in forest though it was developed for Koyana habitants. Hence area of forest Increased from 9.4 to 14.50 Ha. Therefore, Re online submission had to execute on dtd 5.8.2020. After hard copy submission on dtd 20.8.2020, DCF instructed to reinstate tree stamping activities at site. Meanwhile MSETCL tried to confirm the ownership of land with RFO Padghe. Due to ambiguities in confirmation of ownership of land, the same matter was raised in office of DCF Thane dtd 9.2.2021 and it had been instructed by DCF Thane to treat ownership of land belongs to location 37 and 38 under forest department only, though on 7/12 documents, there is no remark of forest ownership.

As per documentary evidence and sequence of activities, following points are herewith bringing in your good self kind notice.

1. It is to inform that, as per 7/12 attached, nowhere it is mentioned that, land is belong to forest department and affected trees are belonged to forest division. Demarcation of forest boundaries like forest poles, forest earthen bunds were absent at site. These facts are self-explanatory that there were not availability of documentary evidence on paper and on field.
2. Tower foundations for location no 37 and 38 casted in between Joint site inspection carried out by RFO Padghe, and no objection raised for these casted locations. Thereafter, DCF Thane had submitted its joint inspection report, and nowhere it is mentioned that, tower violation is observed at site. It means that, the land is not belonged to forest or otherwise violation was identified during joint inspection only.
3. It is to inform that MSETCL is not responsible for tower violation case. The writing statement given to Forest Department is only to put the facts to RFO Padghe on behalf of MSETCL and not acceptance of violation of forest rules.

In this regard, it is to state that, MSETCL has not done tower violation purposefully in forest area. The violation was unknowingly done, as there was no remark of ownership of forest department on 7/12 document. The project authority is ready to compensate in terms of Penal Compensatory Afforestation, Penal Net Present Value as directed by Government of India.

It is to inform that, 400KV Kudus substation is connected with Central utility power supply with their existing 220Kv Lines. In order to meet the present and future power demand of Mumbai, Mumbai-Suburban areas, Thane Urban & Thane Rural areas under Palghar District etc. i.e strengthening of power supply in Mumbai region which is commercial capital of India. Further, in present scenario there is heavy load shedding due to lack of power supply hence for avoiding the load shedding of power, Maharashtra State Electricity Transmission Company Limited has sanction plans to construct and operate 220kv MC LILO on 220KV Padghe-Wada & Kolshet Wada transmission line for 400kv Kudus SS. This transmission line belt is very essential to construct and operate 220kv MC LILO on 220KV Padghe-Wada & Kolshet Wada transmission line for 400kv Kudus SS for zero load shedding to be implemented and for industrial growth of Mumbai. Thane and Palghar District for future upcoming Central & Maharashtra Government projects.

The above line will also beneficial for meeting the load demand of industrial area in Wada area which may increase the employment in tribal area of Palghar District. Looking to the existing condition of power generation units and for increment in present power requirement in Maharashtra State, the related work are being taken up on priority by Maharashtra Government and same is continuously monitor by Prime Minister office(PMO). In view of this MSETCL has decided to improve

the supply of power requirement by constructing new transmission lines The proposed scheme construction and lying of 220KV Transmission is also one of them.

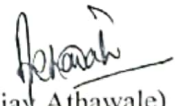

As per present status, construction of 400kv Kudus sub station is completed and it is been feed by PGCIL 400kv TR lines, but due to non completion of downstream line, that is above mentioned project, EHV supply can not taken in existing grid. Honourable Chief Minister of Maharashtra has conducted project specific review meeting on Dtd 24.3.2025 with all PSCs, commissioners, SP offices and shown strong displeasure for non completion of EHV Tr lines, specially in Mumbai zone.

Your good self office has registered case on following officers in Bhiwandi court, vide case no. SSC/ 11510/ 2025.

Name of Officer	Designation
1) Mr Appasaheb D. Ruptakke.	Executive Engineer, EHV, Project, Division, Kalyan
2) Mr Tushar P. Warule	Additional Executive Engineer, EHV, Project, Line, Sdn Kalyan
3) Mr Bharat Chaugule	Additional Executive Engineer, EHV, Project, Special Team, Kalyan
4) Mr Vijay B. Aware	Executive Engineer, EHV, Project, Division, Kalyan
5) Mr Anil Sapkal	Supervisor, BNC Power Project Ltd, Pune

It is to state that your good self office has registered the case in form of compliance, and as per query raised by R.O. Office Nagpur, vide letter no FC-II/MH-201/2022-NGP/13854 Dt. 23.12.2024.

Hence considering above mentioned importance of project, it is requested to forward the proposal to Honourable CCF Thane for further necessary action.
