Government of India EDS query 13.02.2022	Reply/ further action to be taken
The Government of India inform that if the proposal involves any submergence of forest area, the same may be included in the proposed for diversion. Also, in case any power lines are to be drawn through the forest area for pumping of	As per the TSC-KNNL Bengaluru proceedings of the meeting held on 04-10-2024 and as per the directions of MD KNNL Bengaluru vide their letter dt: 28-10-2024, the Diversion weir proposed has been dropped from the scope of

water, the same need to be included in the proposal. Accordingly, the proposal may be revised with corresponding KML files, the dimensions and drawings of the proposed weir may also be furnished.

Further, since the proposed area is part of Anshi-Dandeli National Park recommendation of Standing committee of the NBWL is also required for processing of the proposal under FC Act,1980.

above said work. Hence, now the question of taking in to consideration the submergence area does not arise as there will be no submergence in the river course.

For laying of pipeline and power line required, the area required has been taken in to consideration and included in the total area of diversion proposal.

And the corresponding KML files and Maps have been uploaded in PARVESH PORTAL.

The wild life clearance proposal has been submitted by the State Government (Karnataka) to NBWL (National Board for Wildlife) through PARIVESH PORTAL vide dt:01-08-2025 for their recommendations. The clearance is awaited.

Hence, the report submitted by Deputy Conservator of Forests and Director, Kali Tiger Reserve, Dandeli vide ref (4) is attached with this letter for your kind perusal and consideration for further processing of the proposal.

Thanking you,

Yours faithfully,

Chief Conservator of Forests,
Kanara Circle, Sirsi.
