Ref:- You Memo No.17764 dt.21.08.2018 of Addl. Pr.CCF, FD&NO,FC Act, O/o the PCCF, Odisha.

The Divisional Forest Officer, Jharsuguda Forest Division has submitted the required point wise compliance on point No.1 to 13 as raised by your office in the memo under reference along with Forest Diversion Proposal. In this context, the undersigned has the following observation on Point No.1, 4 and 11 of the compliance.

1. The UA has stated that the revenue forest land will be muted and alienated in favour of Forest Department after obtaining the in principle Stage-I approval of the project. Thus non-forest CA land demarcated earlier has not been included in the present CA scheme. Hence, non-forest CA land handed over to Forest Department in question does not arise.
4. The UA has stated that the Gram Sabha resolution will be obtained and produced before the Stage-I clearance.
11. Environmental clearance of the existing project (Phase-III) has been enclosed by the UA. The EC for Samaleswari OCP (Phase-IV) will be issued by MoEF after Stage-I clearance as per practice.

The Diversion proposal is sent herewith in quadruplicate for favour of your information and necessary action.
