2. In this context, it is submitted that the point wise reply to the observation raised vide your office letter under reference is furnished as under:-

| S. No. | EDS/Observation                                                                                                                                                                                                                                                                                                                                          | Reply of observation                                                                                                                                                                                                                                                                                                                                          |
|--------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1.     | The area of DA at Sr. No. B-2.4 has been mentioned as 0.18 ha instead of 0.1820 ha.                                                                                                                                                                                                                                                                      | Necessary correction against column No. B-2.4 in online Part-I has been made.                                                                                                                                                                                                                                                                                 |
| 2.     | The alternative explored has not been marked at Sr. No. (iii) Location Map on Topo Sheet & (iv) Digital Map.                                                                                                                                                                                                                                             | Map of Alternate has also been uploaded against additional information detail in online Part-I.                                                                                                                                                                                                                                                               |
| 3.     | In the demand letter uploaded as additional information at Sr. No. I of Part-I mention area of DA as 0.3534 ha. Instead of 0.1820ha.                                                                                                                                                                                                                     | The earlier proposal was for 0.3534 ha but to reduce the number of Trees coming in the alignment the area has been reduced to 0.1820 ha. The case has already been processed up to IFO, Gol and as per EDS raised by Gol the proposed area has been reduced to 0.1820ha. Hence, administrative approval may be considered for 0.1820ha. Instead of 0.3435 ha. |
| 4.     | The Detailed Note on project uploaded as Checklists-4, at Sr. No 4, justification for locationg the project on forest land uploaded as Checklist No. 10, at Sr. No, 5 & component wise requirement of forest land uploaded as Checklist No. 13 at Sr. No. 6 of Part-I mention area of DA as 0.3534 ha. instead of 0.18720 ha. These needs to be revised. | All the required documents has been rectified and uploaded against appropriate column in online Part-I.                                                                                                                                                                                                                                                       |
| 5      | The layout plan uploaded as additional information at Sr. No. 22 of Part-I has been prepared for 1820.59 instead of 1820, no specification of calculation of area has been mentioned.                                                                                                                                                                    | Revised & corrected layout plan has been uploaded against additional information detail in online Part-I at Sr. No. 22                                                                                                                                                                                                                                        |
| 6      | The date and place be also mentioned in the various uploaded checklists.                                                                                                                                                                                                                                                                                 | The date and place has been mentioned in the uploaded checklist.                                                                                                                                                                                                                                                                                              |
| 7      | The reply contains the involvement of 35 trees whereas, all other documents such as site-specificity report, Part-II and revised enumeration list contain detail of 34 trees.                                                                                                                                                                            | In the present proposal 34 trees are required to be felled, which has been corrected from 35 to 34 trees.                                                                                                                                                                                                                                                     |

It is therefore, requested that the case may kindly be sent to Gol for according stage-I approval under section 2 of Forest (conservation) Act, 1980.

  
Dy. Conservator of Forests,  
Rampur Forest Division,  
Rampur Bushahr.
