1	As per DSS analysis, 8 hac of total proposed CA site has moderately dense forest cover. Hence new CA site with canopy density falling under open forest required to be uploaded.	The revised CA plan has been uploaded under menu option "13" in (Form-A) Part-II on PARIVESH portal.
2	Specific recommendation from the DFO needs to be in accordance with the format, Part-II at page no. 22-23 of handbook of forest (Conservation) Act, 1980 and Forest conservation rules, 2003 (Guidelines and clarification), 2019, MoEFF&CC. hence, fresh specific recommendation from DFO need to be uploaded.	The recommendation as per format has been uploaded on PARIVESH portal.

Hence submitted for favour of information and necessary action please.

Yours faithfully,
