Sir,

The Project Mantlai to Gamsadu, package no JK14-501 with proposal no
FP/JK/ROAD /138458/2021. Sanctioned under scheme PMGSY with a vision to provide
connectivity to the rural habitations which are still unconnected.

It is to clarify that other options were also explored but there was no
alternate route which was technically feasible other than the proposed 1300 mtr of the
wildlife area which was coming in the alignment of the road which was unavoidable involved
0.78 ha of land which was the minimum possible wild life land that need to be diverted for
connecting the approved habitation.

Yours faithfully,
