Sub:- Regarding proposal for diversion of 0.890 hac. Revenue Forest land for establishment of Mayurbhanj College of Accountancy and Management, Baripada in Baripada Forest Division, Baripada Forest Division in the District of Mayurbhanj.

Ref:- Dist. Office letter No-805/Rev.dt.21.03.2024.

Sir,

In inviting a kind reference to the letter on the subject cited above, I am to furnish herewith the compliance as follows against the objection arised in the Diversion Proposal of 0.890 hac. Revenue Forest land in mauza Maharajpur for establishment of Mayurbhanj College of Accountancy and Management, Baripada under Baripada Forest Division in the District of Mayurbhanj.

That, the following land schedule at mauza Maharajpur was approved in the District site selection committee meeting held on 05.06.2002 under the chairmanship of Collector & District Magistrate, Mayurbhanj for establishment of Mayurbhanj College of Accountancy and Management, Baripada.

LAND SCHEDULE

Sl. No	Mouza	Khata No	Plot No	Area	Kisam
1	Maharajpur PS-Baripada No-135	127 (Anabadi)	512/1	Ac.1.530	Patit
			786/1	Ac.0.670	Patit
2		TOTAL		Ac.2.20	

Since, the hal staus of the case land was leasable in nature, a lease case bearing No-06/2002 was processed for lease of the same Govt.land at village-Maharajpur in favour of Mayurbhanj College of Accountancy & Management, Baripada on dt.5.08.2002. In the meantime, the Adminstrative approval for construction of Boundary wall was accorded by the then Collector& District Magistrate, Mayurbhanj under the scheme of MLALAD on dated 03.05.2003 in favour of the said college for the greater interest of the students. On requisition of the PA, ITDA, Baripada (the executive agency), the land was demarcated for construction of boundary wall.

Whereas the Forest Conservation Act-1980 came into force on 25.10.1980 without any clear specification on diversion of forest land for non-forest purpose and various clarification in this regard were also issued by Revenue & Disaster Management from time to time vide Letter No. 17450 Dt. 17.06.2014, No. 22958 Dt. 04.08.2014, No- 31312 Dt. 24.10.2014 & 4822 Dt.12.02.2015. On receipt of the clarification from the Chief Secreatry of Odisha vide letter No-4822 Dt. 12.02.2015, the confusion was cleared regarding diversion of forest land for non-forest purpose. Subsequently, the Sabak report was obtained from the Settlement Office on dated 06.05.2019 through the certified copy submitted by the User Agency and as per the said report the Sabak kissam of the case land is JUNGLE. So the Forest Conservation Act could not be enforced in this case at that time for the want of proper clarification in this regard. In this instant case a clarification was also sought for by the Additional District Magistrate, Mayurbhanj from the Revenue & Disaster Management vide Letter no-3170/ Rev. Dt. 07.12.2019. On receipt of clarification from the Revenue & DM Department vide Letter No-12667 /R&DM Dt. 16.03.2020 (copy enclosed), the User Agency/ Secretary of MCAM was requested to file application before the DFO, Baripada for diversion of forest land and now the Forest diversion case is under process.

Further it is intimated that, the following Officers were in charge of Tahsildar, Baripada during the period from 2002-2003 & Sri Santosh Kumar Dasbabu was the concerned Revenue Inspector during the time of Site Selection.

1. Sri Ananta Kumar Bhuyan, OAS, Tahasildar, Baripada from 03.04.2001 to 04.09.2002
2. Sri Uttam Ch. Mohapatra, OAS, Tahasildar, Baripada from 04.09.2002 to 13.06.2003

This is submitted for your kind information and necessary action.

Yours faithfully,

Tahasildar, Baripada.

GOVERNMENT OF ODISHA
REVENUE AND DISASTER MANAGEMENT DEPARTMENT

No. RDM-LRGE-MBJ-0034-2016-12667 /R&DM Dated 16 MAR 2020

From Sri A.K Nayak, OAS (SAG),
Additional Secretary to Government

To

The Collector, Mayurbhanj

Sub: Sanction of lease of Govt. land measuring Ac.2.200 in Mouza-
Maharajpur, Dist.-Mayurbhanj in favour of Mayurbhanj College of
Accountancy & Management (MCAM), Baripada.

Ref: Letter No.3170/Rev, dtd.07.12.2019 of ADM, Mayurbhanj

Sir,

In inviting a reference to the subject cited above, I am directed to say that as per this Department G.O No. 4822/CS dated 12/02/2015 issued under the signature of Chief Secretary, Odisha, a land which has been classified as 'forest' as on 25.10.1980 is to be treated as forest irrespective of the fact that the classification has been changed to non- forest kisam subsequently by a statutory process. Where the present RoR of a land has been published after 25.10.1980, the old RoR has to be referred to in order to ascertain if such land was forest as on 25.10.1980. And if the land was forest as on the date 25.10.1980, Forest (Conservation) Act, 1980 will be applicable and forest diversion has to be done accordingly.

2. In the present case, though the process of settlement operation started from 1975, the final RoR was published during 1985 i.e. after 25.10.1980. So, as per the circular issued by Chief Secretary, the old RoR has to be referred to. In the old RoR i.e. in the Sabik record, the kisam of the land was forest. Thus, FC Act, 1980 will be applicable in the present case.

3. You are, therefore, requested to advise the College authorities to apply before the Nodal Officer authorized by the State Government to deal with forest conservation matters under the FC Act, 1980 by following due procedure as prescribed in rule 6 of the FC Rules, 2003 to use the forest land in question for non-forest purpose. This shall be subject to the condition that the user agency

i.e. Mayurbhanj College of Accountancy & Management (MCAM), Baripada shall provide required extent of land for compensatory afforestation purpose which is to be mutated in the name of Forest & Environment Department. On the other hand, if the user agency is unable to provide such land and if suitable Govt. land is available, Revenue & D.M. Department may provide such required land to the user agency for compensatory afforestation purpose subject to payment of premium of the land by the user agency.

Yours faithfully,

Additional Secretary to Government

Bhubaneswar, dated the 12th February, 2015

To

All Collectors.

Sub:- Change of classification of land in the Record of Rights.

Madam/Sir,

I am directed to invite a reference to Letter No.44019/R&DM, dated 23.11.2013 and Letter No.17450/R&DM, dated 17.06.2014 regarding applicability of provisions of Forest Conservation Act, 1980 to land(s) recorded as 'forest' in the Record of Rights (RoRs) that existed prior to 25.10.1980 i.e. Sabik RoR and subsequently classified as 'non-forest' in the Hal RoRs on the basis of the nature, character and use of the land before the said Act came into force.

The Forest Conservation Act, 1980 (FC Act) has been enacted with a view to checking further deforestation, and seeks to operate in respect of forest land which existed as on 25.10.1980. It may be noted that the change of RoRs is a well established continuing statutory process. Accordingly, changes are reflected in the RoRs prepared during the settlement operations which take place at considerable gaps of time i.e. 30-40 years. As per provisions u/s 13(3) of the Orissa Settlement Act, 1958, if any entry in the RoRs is altered in subsequent RoRs, the later has to be presumed to be correct until it is proved by evidence to be incorrect, but the previous entry can be admissible as evidence of facts existing at the time such entry was made. In case required for a project, the status of land classified as 'forest' on 25.10.1980 is to be diverted for non-forest use after obtaining prior approval of Central Government as per provision of the F.C.Act.

Hence, where the present RoR has been published after 25.10.1980, the old RoR may have to be referred to find out the forest land required to be diverted for non-forest purpose and Forest Diversion Proposal (FDP) is required to be processed accordingly. If old RoR is not available in cases where RoR is published after 25.10.1980, the status of land classified as 'forest' as on 25.10.1980 needs to be ascertained as per the current RoR and other records available with Tahasildar while preparing FDP. While preparing land particulars for FDP, a certificate as suggested below may be furnished by Tahasildar/Addl.Tahasildar to facilitate decision on the FDP.

"Certified that status of total land involved in the project (both forest & non-forest) as given in the Table below is as per Government records as on 25.10.1980".

The land related information relating to FDP of different projects/proponents should be processed and furnished as quickly as possible.

Yours faithfully,

Sub: Clarification regarding classification of land in the RoR.

Sir,

I am directed to invite reference to the last paragraph of this Department's letter No.44019/R&DM, dated 23rd November, 2013 on the aforementioned subject, wherein it was stated that "lands included within the list filed before the Hon'ble Apex Court may be treated as forest land and which are not included in the list may be treated as non-forest land".

2. The legal and constitutional provisions in regard to "forests" vis-a-vis the judgement rendered by the Hon'ble Apex Court in T.N. Godavarman Thirumulkpad Vrs. Union of India have been examined again in consultation with the legal experts, and as advised by them, the said paragraph is substituted as follows:

"In view of the affidavit filed by the State Government in WP(C) No.202/1995, lands included in the list filed before the Hon'ble Supreme Court may be treated as forest land. If the lands are not covered under the said affidavit, but if in fact, they satisfy the description of "forest", the same shall be treated as forest".

Yours faithfully,

Additional Chief Secretary

Memo No. 17457 /R&DM, Date.17.06.2014.
