5) Letter No. M1/MNG/TRF/MLNo.995/JSW/CR-9/2018-19 Dt. 29.12.2022 of the Chief Conservator of Forests, Ballari Circle, Ballari

6) Letter No. ACF/TA/BVI/JSW/2023-24/29 Dt.31.05.2023 of the Assistant Conservator of Forests, Ballari Sub-Division, Ballari

* * * * *

With reference to the above subject, office of the undersigned has submitted the information regarding diversion of 0.8148 ha (Revised from 1.4406 ha) of forest land for approach road to and from Ubbalagandi Iron ore mine M.L.No.008 in Ubbalagandi Extn RF of Ubbalagandi Village, Ballari Range, Sandur Taluk, Ballari District, Karnataka in favour of M/s. JSW Steel Limited, Toranagallu vide letter under Ref(2).

Further, the Government of India vide Ref (3) has stated that, "the area proposed for diversion was inspected on 16.11.2022. During the site inspection it came to notice that there is already a road to the instant mine which is primarily passing through the non-forest land and was being used by earlier lessee. The existence of non-forest alternatives was not even mentioned in the proposal. The FC Act and Guidelines envisage that the existing non-forest land should be the priority for use, and forest land should be considered only in case of non-availability of forest land. Therefore, it is requested to re-examine the proposal for approach road in forest land and the user agency/ State authorities may be directed to use the existing road in the non-forest area, as the same road were used by the earlier lessee also."

It was learnt that similar proposals for approach road in forest area are in the pipeline, in spite of existence of roads through now-forest lands. Hence, the matter may be suitably decided by, the State Government instead of leaving the issue of approach road decision to the user agency and proposal for use of forest land when suitable non-forest alternatives exist against the tenets of forest conservation laws"

Further, the Principal Chief Conservator of Forests (Forest Conservation), Bangalore and Chief Conservator of Forests, Ballari Circle, Ballari have directed the undersigned to re-examine the proposal for approach road in the forest land vide letters under Ref(4) & (5). Subsequently, the undersigned has directed the User Agency to re-submit the proposal for approach road in the forest land as suggested by the Government of India vide letter Dt. 07/09.12.2022.

In this regard, the User Agency has agreed for using the existing approach road and excluded 0.6258 Ha from segment-II forest patch from the proposal. Hence, the extent of forest area to be diverted in the proposal has been revised **from 1.4406 ha to 0.8148 ha**.

Segment-wise Area Calculation of this instant proposal				
Segment	Length (mtr)	Width (mtr)	Area (Ha.)	Remarks
Segment-I	604.66	12.00	0.7256	
Segment-II	74.333	12.00	0.0892	Initially, the User Agency had applied for 0.7150 Ha, after suggestion by IRO, the User Agency excluded area over an extent of 0.6258 ha from segment-II.
	Total		0.8148	

Therefore, I am herewith submitting revised proposal for diversion of 0.8148 ha (Revised from 1.4406 ha) of forest land for approach road to and from Ubbalagandi Iron ore Mine M.L.No.008 in Ubbalagandi RF of Ubbalagandi Village, Ballari Range, Sandur Taluk, Ballari District, Karnataka in favour of M/s. JSW Steel Limited, Toranagallu for further approval under Forest (Conservation) Act, 1980.

This is for your information and immediate action.

Yours Faithfully,

Sd/-

Deputy Conservator of Forests,
Ballari Division, Ballari

- 1) Copy submitted to the Principal Chief Conservator of Forests (Forest Conservation), Bangalore for kind information.
- 2) Copy to M/s. JSW Steel Limited, Toranagallu for information.
