CH-3 Circle, Sectr-10 A,
Gandhinagar-382010.

- 9 JUN 2022

Subject: Diversion of 3.2512 ha. Reserved Forest land for construction of Karjan Right Bank High Level recharge canal & its Head Regulator in S.No.182 of Village Jitgadh Ta.Nandod, Dist.Narmada in favour of Executive Engineer, Irrigation Project Division No.4, Rajpipla.

Sir,

Please refer to your letter F.No. 6-GJB003/2022-FC/ dated 01.04.2022 on the subject cited above and it is informed that:-

1. Since construction of Head regulator need deep gorge portion with sufficient width between hills, there is no such location available nearby. Also constructing Head regulator at selected location requires minimum forest land to be diverted for this project. Hence no alternative alignment is possible.
2. The small hydro power project plant will be commissioned as a separate project in the same location in due course of time.
3. Proposal do not involve provision for installation of canal based small hydro power plant as part of this project but it will be commissioned as a separate project.

A justification letter of User agency is attached herewith.

Yours Faithfully,

Under Secretary
Forest & Environment Department

Encl. As above.
