Copy also to:
Sr.Technical Director, NIC with a request to upload the minutes of the meeting on PARIVESH Portal.

Decision Taken: The Standing Committee decided to recommend the proposal subject to following conditions:

i. The proprietary and legal status of the land shall remain unchanged.
ii. The User Agency shall be responsible for obtaining requisite clearances under any other law in vogue.
iii. No harm to any wildlife species shall be done, if found accidently in the project area.
iv. User Agency shall abide by all the directions of the Hon'ble Supreme Court, provisions of Wildlife Protection Act, directions of the Ministry of Environment, Forest and Climate Change and orders of the Government of Jammu & Kashmir in this regard.
v. Waste material including muck generated during execution of project shall be disposed of outside the protected area.
vi. The user agency shall construct speed breakers at critical wildlife passage areas to be specified by the concerned Wildlife Warden.
vii. The user agency shall construct under passes as per animal passage plan for free movement of wild animals.
viii. The area proposed should not be used by the user agency for any purpose other than proposed.
ix. The land so allowed to be used shall be returned to the department free of any encumbrances when it is no longer required by the User Agency.
x. The User Agency shall have to abide by all the conditions laid down in the sanction order issued by the Competent Authority.
xi. The annual compliance certificate on the stipulated conditions shall be submitted by the project proponent to the Chief Wildlife Warden J&K for further submission to MoEF&CC, Government of India.
xii. The Wildlife Department shall take up plantation in the affected area by planting five times the number of trees felled.
xiii. The user agency shall implement the animal passage plan submitted in toto.
xiv. An annual compliance certificate on the stipulated conditions shall be submitted by the project proponent to the State Chief Wild Life Warden and an annual compliance certificate shall be submitted by the State Chief Wild Life Warden to Government of India.

5.5.15 Diversion of 0.597 ha of forest land in Bukkasagar, Kanivethimmalapura Villages in Bellary Division for laying of pipeline and providing CWSS to Bukkasagara Devasamudra and other 5 Villages in Hospet Taluk, Ballari District.
FP/KA/WATER/19533/2016

The Chief Wild Life Warden, Karnataka informed the Standing Committee that the proposal is for supplying of drinking water to five villages. The pipeline is drawn from Tungabhadra river and about 2 km length would pass through Daroji Bear Sanctuary. It would require an area of 0.597 ha in the sanctuary. The pipeline will be laid underground and will be covered after laying.

Decision Taken: After discussions, the Standing Committee decided to recommend the proposal subject to following conditions:

1. The User agency should provide two outlets within the sanctuary limit all along the pipe line to supply water for wild animals.
2. All staff and workers involved in project implementation should be informed that they should not harm/kill/hunt/poach or abet in any such crimes in any way, failing which, legal course of action under the provisions of Wildlife (Protection) Act, 1972, will be taken.
3. Care should be taken not to disturb wildlife species and their habitat during construction activities.
4. No work shall be done before sunrise and after sunset in the project area.
5. The user agency and project personnel will comply with the provisions of the Wildlife (Protection) Act, 1972.
6. The muck generated during project implementation shall be taken out of the protected area without endangering the flora and fauna.
7. The work shall be taken up only under the close supervision of the jurisdictional officers and staff to avoid any damage to the flora and fauna.
8. No tents or any other stay arrangement shall be permitted inside the protected area.
9. An annual compliance certificate on the stipulated conditions shall be submitted by the project proponent to the State Chief Wild Life Warden and an annual compliance certificate shall be submitted by the State Chief Wild Life Warden to Government of India.

65.5.16 Granite Building Stone Quarry of M/s. Adani Vizhinjam Port Private Limited.

FP/KL/MIN/4771/2020

Chief Wild Life Warden, Kerala informed the Standing Committee that the proposal is for Granite Building Stone Quarry of M/s. Adani Vizhinjam Port Private Limited over an area of 1.927 ha. The area falls within default Eco-Sensitive Zone. The proposed quarry area is situated at an aerial distance of 5.12 Km from Peppara Wildlife sanctuary and 6.76 Kms from Neyyar Wildlife sanctuary.

Chief Wild Life Warden, Kerala has recommended the proposal with the following
