

No. D-A-509-G/ 9622
H.P. Forest Department

Dated Chamba, the 14/02/19

From:-CCF Chamba

To:- Nodal Officer -cum -APPCF (FCA)
O/o Pr. CCF, HP, Shimla.

Subject:-

Diversion of 9.739 ha. of Forest land in favour of HPSEB Ltd. for the construction of Devi- Kothi HEP (16MW) within the jurisdiction of Chamba Forest Division.

Memo.

Kindly refer to your office EDS. No. Ft. 48-3731/2018 (FCA) dated 12.09.2018 on the subject cited above.

2. In this connection, this is submitted that all the observations as raised by you has been attended by the DFO Churah and User Agency the point wise reply to the observation is given as under:-

1. The corrections as required in the online Part-I, against column No. B 2.4 has been done.
2. The Toposheet map of the project duly countersigned by the DFO has been uploaded against the appropriate column.
3. The Digital map of the project duly countersigned by the DFO has been uploaded against the appropriate column.
4. The justification of the project for locating the project over the forest area duly countersigned by the DFO has been uploaded against the appropriate column.
5. Density of vegetation as required has been uploaded online and also has been mentioned in the hard copy of Part-II.
6. This point has been clarified by the DFO, that 316 nos of trees fall under the grith 0-30 cm. and this column is invisible in the preview of of Part-II online. Hence it is cleared that total trees 316 + 89 = 405 have been mentioned online.
7. Distance from the Forest area is mentioned "0", because it varies at different places and also few areas fall in the forests.
8. The necessary certificate issued by the Pr. CCF (Wild Life), HP, Shimla has been attached, Regarding the project do not fall within area of 10km from the boundary of wild life Sanctuary.
9. The Digital Map and Toposheet Map for CA Sites duly signed by the DFO have been uploaded.
10. The site inspection of DFO uploaded on the part-II cannot be uploaded again, but the Site Inspection report along with the recommendation by the DFO is attached in the proposal folder.
11. Reclamation plantation part of Dumping sites placed at Page no. 103 has now been signed by DFO and attached with the proposal folder.

12. As required, the area for Compensatory Afforestation is divided in the four different patches and the kml files for all patches have been uploaded on the portal.

Therefore, the case is resubmitted for favour of information and further necessary action at your end please.
