Memorandum:

Kindly refer to GoI MoEF & CC, Integrated Regional Office, Shimla letter No. FC/HPC/04/34/2022 dated 04.05.2023 on the subject cited above.

In this connection, the point-wise reply of observation raised by above referred communication has been attended by DFO Suket is as under:-

S.No.	EDS/Observations	Reply
1.	In reference to observation No.2, the contradictory statements are being provided in both the replies dated 07.02.2023 & 24.04.2023. Earlier it was submitted that "the CCF concerned has submitted that the proposed CA land is in possession of Himachal Pradesh Forest Department. The copy of working plan has been uploaded...". However, the copy of working plan was not uploaded by the State Government. Hence, query was raised again by this office. In reply to this, the State Government has now surprisingly stated that the "...the proposed CA land is "Charagah Villa Drakhtan" which comes under the definition of protected Forest as per 1952 notification which is not the part of working plan prescription...". Both these statements are contradictory. Therefore, the State Govt. may review and ensure the exact status of CA land properly and accordingly submit the documentary proof in this regard.	In this connection, it is submitted that exact status of proposed CA land is DPF and is in possession of HP Forest Department. Copy of documentary proof (Nakal Jamabandi) is attached herewith for ready reference. Earlier, it was mentioned as "Charagah Villa Drakhtan" inadvertently by keeping in view the maps where Tikker area is shown as PF not DPF. Now after perusal of the Nakal Jamabandi, it is quite clear that the proposed CA land is <b>DPF</b> .
2.	In reference to observation No. 5, all prescribed annexures including the records of consultations and meetings with Gram Sabhas and FRCs of all the concerned villages are not provided. Therefore, an undertaking to submit the same before stage -II approval may be provided.	In this connection, user agency has submitted that the records of consultations and meetings with Gram Sabhas and FRCs of all the concerned villages are uploaded online in PARIVESH portal as additional information. An undertaking has also been uploaded and attached herewith for ready reference.
3.	In reference to observation No. 6, State Govt. has only submitted the abstract of trees but not provided the enumeration details of trees. Therefore, Khasra No. wise enumeration details of trees which is proposed for felling in Bilaspur Forest Division is required to be submitted/uploaded on PARIVESH portal.	This point pertains to Bilaspur Forest Division.
