Subject:-Diversion of 5.828 hectare of Forest land in favour of HPPWD for C/O of link road from Jabbal Ka bag,Kandaiwala, Kharkon Km 0/0 to 12/255 within the Jurisdiction of Nahan Forest Division, Nahan , Tehsil, Nahan, Distt. Sirmour H.P.

Memo:

Kindly refer to your office memo No. Ft. 48-5344/2021 (FCA) Dated 28.05.2022 on the subject cited above.

In this regard, Executive Engineer, HPPWD Nahan has intimated that the proposed road will take off from village Jabbal Ka Bag and finally terminates at village Kharkon. The alternative proposal was explored by the HPPWD Department which was not found feasible. The grade of the alternative alignment is not adequate and cover more length which comes to 13.200 Km. The alternative route will also pass through Reserve Forest land and also involves more number of trees as compared to the proposed alignment.It is further submitted that the village Jabbal Ka bag, Kandaiwala and Kharkon are the unconnected habitation and no existing road network is providing to access these villages. The proposed road alignment to connect these villages, which is being provided by the PWD, is absolutely feasible and also shortest. Construction of this road, minimum forest land as well as trees will be involved. The route is quite unavoidable. The necessary certificate by the Deputy Commissioner of District Sirmour has already been issued for non-availability of non-forest land for the proposed road.

The proposal folders (in-duplicate) as received vide your memo referred to above are returned herewith for favour of kind information and further necessary action at your end please.

Encl: As above.
