**Sub:-** Diversion of 16.6846 ha of forest land in favour of Central Railway, Ghatkopar for construction of third Railway line between Kalyan to Kasara station of 67.62 km in Ulhasnagar, Kalyan and Shahapur Talukas in Thane District in the State of Maharashtra- regarding.

**Ref:-** 1) The Government of India, MoEF&CC, IRO Nagpur letter F.No.FC-II/MH-219/2023-NGP/11867, dated 12/07/2023.  
2) The Chief Conservator of Forests (T), Thane letter No.Desk-10/FCA/CR-67/16-17/OW-282/23-24 dt.28/08/2023

The Government of India, Ministry of Environment, Forests and Climate Change, Regional Office, Nagpur vide letter under reference No. 1 has raised back query on 07 points. Accordingly, the Chief Conservator of Forests (T), Thane vide letter under reference No. 2 has submitted the compliance report to this office. The same may be submitted as under:-

S.No.	Query	Compliance
i	Consolidated single KML file of entire alignment under instant proposal, dully highlighting proposed forest area for diversion has not been submitted. The same needs to be submitted.	Consolidated single KML file of entire alignment under instant proposal, dully highlighting proposed forest area for diversion is enclosed as (Annexure No.I)
ii	State Government has mentioned in its covering letter that Compensatory Afforestation will be carried over 1.00 ha. degraded forest land in Survey no. 419, Compt. no. 1144 at Village- Panchpakhadi, Taluka- Thane, District- Thane. Whereas, APCCF & Nodal Officer (FCA), Maharashtra has mentioned in his letter that CA will be carried over 35.00 ha degraded forest land. Necessary corrections in the covering letter of the State Government need to be done and submitted to this office.	Compensatory Afforestation will be carried over 35.00 ha. degraded forest area, out of which 15 ha. in Compt No.849, Gut No.173, Survey No.101 & Gut No.174, Suvery No.100 at Village Thile, similarly 20.00 ha in Compt No.845 Gut No.677, Survey No.163 at Village Ambarje in Shahapur Range of Shapur Forest Division.
iii	Various Differential GPS maps of land indentified to carry out Compensatory Afforestation has been submitted by DCF, Shahapur, correct and certified Differential GPS map on which CA will be carried out needs to be submitted by DCF, Shahapur along with respective KML files.	Correct and certified Differential GPS map on which CA will be carried out are enclosed herewith as (Annexure No.I & II)
iv	Details of structures proposed in the instant proposal for smooth movement of animals are not submitted. The same needs to be submitted along with location details	Details of structures proposed for smooth movement of animals is submitted by the User Agency to Deputy Conservator of Forests of Wildlife office Thane. The copy of

मु.व.स. (मंत्रालय)

४७७५

		the same is enclosed herewith as (Annexure No.III) Toposheet map enclosed as (Annexure No.IV) (list of structures between Kalyan Kasara)
v	State Government has mentioned that proposed project is within 10.00 Km default Eco-sensitive Zone of Tansa Wildlife Sanctuary. Since Eco-Sensitive Zone of Tansa Wildlife Sanctuary has not been notified, ESZ is deemed to be 10 Km. The State Government shall obtain comments from PCCF (Wildlife), Maharashtra on the importance of area from wildlife point of view and conservation measures, if any shall be submitted.	Deputy Conservator of Wildlife office Thane replied vide their letter dated 11/08/2023 that "Tansa Wildlife sanctuary is home to wildlife such as wild boar; hare, peahences hares and common langurs. Already two railway lines are in existence and the third Railway line to the east of existing lines is being proposed in the current proposal hence mitigation measures such as noise barriers within Tansa Wildlife Sanctuary may be prescribed. However, various sturcture which will act as mitigation structures for effective wildlife crossing is being submitted for your consideration"  It is also submitted that the mitigation and conservation majors like fireline along the Railway line, fire fighting equipments and setup, water holes, watch tower, trap cameras etc.in the surrounding forest area along the Railway line falling under Eco-Sensitive Zone. The detailed site specific approved conservation plan will be submitted with Stage-I approval compliance report.
vi	The scale of toposheet submitted by Thane Wild Life division needs to be verified.	The Deputy Conservator of Forests (Wildlife), Thane submitted the toposheet of 1:75000 scale depicting the Tansa Wildlife Sanctuary along with the proposed railway and the boundaries of the Eco-Sensitive Zone. The copy of the same is enclosed herewith as (Annexure No.V)
vii	The DCF Thane Wild Life has mentioned in his Part-II (xi) that "No rare/endangered/ unique species of flora and fauna found in the proposed forest area during site inspection" which needs clarity whether there are no rare/endangered/ unique species of flora and fauna in the area at all. Clarification from Chief Wildlife Warden is needed.	As submitted by the Deputy Conservator (Wildlife) Thane "No rare/endangered/unique species of flora and fauna is found in the area of 0.1366 of Tansa Wildlife Sanctuary proposed to be diverted in the said proposal."

In view of the above facts, it is requested to process the proposals to MoEF&CC for approval under section - 2 of the Forest (Conservation) Act, 1980.
