No.606/\_\_\_\_\_

Dated Kullu, the \_\_\_\_\_

From: CF Kullu.

To: Nodal Officer-cum-APCCF (FCA)  
O/o Pr.CCF (HoFF) HP Shimla.

**Subject:** **Diversion of 0.6995 ha. of forest land in favour of M/s Dani Maha Mai Hydro Project for the construction of 1.0 MW within the jurisdiction of Kullu Forest Division, Distt. Kullu, H.P.**

**Memo:-**

Kindly refer to online EDS raised by MoEF & CC on dated 24.01.2025 on the subject cited above.

2. The point wise reply to the observation is furnished as under:-

Sr. No.	EDS	EDS reply
1.	As per the DSS, KML file Area evaluated for the proposed forest land is approx. 0.24 (ha.) instead of 0.6995 (ha.). State Govt shall upload the revised KML in polygon form for all the desired documents as mentioned in the component wise breakup Column-B 2.4, Part-I of PARIVESH portal	The needful has been done. Revised KML file in Polygon Shape with proposed area 0.6995 ha. has been uploaded in relevant column of Part-I.
2.	State Govt shall submit the project specific justification for locating the project in Forest area in S.No-D (i), Part-I.	Justification of locating the project duly authenticated by concerned DFO has been uploaded in column no. D (i) of Part-I.
3.	It seems from the KML file, diversion area is on slightly steep and vulnerable to erosion.. Therefore, the State Government may provide details of mitigation measures to be adopted to prevent soil erosion/landslide during/after execution of the project. In	An undertaking to pay the cost of Soil Moisture Conservation Plan has been uploaded at Sr. No. 32 against additional information of Part-I. Further, the cost of plan will be deposited as per the approved plan.

	<p>addition, the State Government may submit soil and moisture conservation plan as per Para- 1.22 (ii) of the V (SS)A, 1980.</p>	
4.	<p>It has been observed from KML file that Transmission Line is proposed in extant project, however it is not connected with any sub-station. Therefore, sub-station in KML/Layout Plan in which the transmission line is proposed to be connected may be marked with NoC from HPSEB/HPTCL or any Govt. agency as the case may be.</p>	<p>The T/line has been marked on the layout plan as well as KML file uploaded in the Part- I and power will be evacuated through LILO from nearest HPSEBL Sub-station at Barod. The NOC of HPSEBL has been uploaded at Sr. No. 33 in additional information of Part- I.</p>
5.	<p>State Govt. may provide the details regarding the power Evacuation Plan mentioning capacity of transmission line as well as proposed road (length and width) and mode of transmission. Also, State Govt. may clarify whether transmission line is underground or above ground</p>	<p>Transmission line details along with evacuation plan through 11 KV HPSEBL line at Barod have been uploaded at Sr. No. 15 in additional information of Part- I. Further, the T/line has been proposed above the ground.</p>
6.	<p>Legible copy of Layout Plan be uploaded on the PARIVESH portal as well</p>	<p>Legible copy of Layout Plan duly authenticated by concerned DFO has been uploaded at Sr. No. 5 in additional information of Part- I.</p>
7.	<p>State Govt. shall upload the detailed Muck Management plan, details of muck generated, disposal of muck with proper action plan. Also, State Govt. shall upload the reclamation Pan for reclamation of dumping site with details of protection measures/ finical outlay duly authenticated by concerned DFO may be provided</p>	<p>Reclamation plan and detailed Muck Management Plan along with X-section detail duly authenticated by DFO Kullu has been uploaded in additional information of Part- I at Sr. No. 25 &amp; 31 respectively.</p>
8.	<p>State Govt shall provide the exact</p>	<p>Distance certificate of the proposed</p>

	aerial distance certificate from the nearest WLS/PAs and form its notified or proposed ESZ to the proposed project.	area from the nearest WLS/PAs and their ESZs has been uploaded at Sr. No. 18 in additional information of Part- I.
9.	State Govt shall submit the revised Joint Site inspection Report with factual details of the proposal alternate examined, No of tress etc, duly authenticated by members present during the meeting.	Revised Joint Inspection report of the project has been uploaded at Sr. No. 20 in additional information of Part- I.
10.	State Govt. may provide/upload the Abstract of trees with detail of Khasra no, duly authenticated by DFO concerned.	Revised copy of enumeration list along with Khasra no. detail duly authenticated by concerned DFO has been uploaded in additional information of Part II.
11.	As per the DSS analysis, the proposed CA area is crossing the existing road. Also, on corner of the polygon is already landslide prone zone. State Govt shall review and change the proposed CA area with CA site having canopy density less than 40%. Part-II, column-14, geographical area of district may be reviewed and rectified	The CA site has been revised and accordingly revised copy of CA topo sheet, digital map, CA land suitability certificate has been uploaded in additional information of Part- II.
12	State Govt. shall strictly ensure to upload the individual documents by name in the respective S.No of Part-I instead of uploading the complete folder of the proposal.	Needful has been done. All the documents of the proposal have been uploaded in accordance with FCA Checklist against additional information of Part- I.
13	22 numbers of important trees are proposed for felling. Therefore, possibility of reducing the numbers of trees to be affected may be explored or rationalization to be done in the layout of the proposal to reduce green felling. Further, a list of trees which are required to be	In this regard, UA has submit that as per revised enumeration list the proposed area involve 22 no. of trees which are required to be felled. However, every possible efforts will be ensured to protect the trees from felling during execution of work of the project.

	felled and retained (Not to be felled) may be Provided.	
14	State Govt. Shall provide the certificate of non-availability of NFL from Chief Secretary for proposing DFL under special provision Para 2.2 (iv) of Van (Sanrakshan Evam Samvardhan) Adhiniyam, 1980 and Van (Sanrakshan Evam Samvardhan) Rules, 2023, MoEF&CC.	Certificate of Non-availability of NFL issued by the competent authority has been uploaded at Sr. No. 14 in additional information of Part- 1.

This is submitted for favour of your kind information and further necessary action at our end please.
