

No.RK/Misc/ 1928
H. P. Forest Department.

Dated Dalhousie the 15-7-2021

From: -DFO Dalhousie.

To: -The Nodal Officer (FCA)
O/o Pr.CCF.H.P.Shimla

Subject: - Proposal for diversion of 4.6497 hectare of forest land for the C/O- link road from NAGALI TO SANJAP (0/000 to 8/750 kms) within the jurisdiction of Dalhousie Forest Division, District Chamba(H.P)

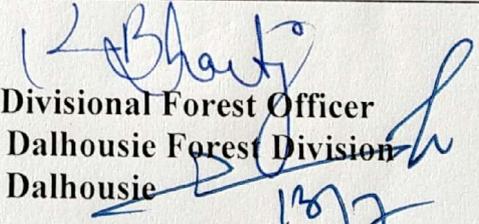

Memo:

Your kind attention is invited towards the observations raised by the MoEF (GoI) Dehradun letter No. 08B/HP/06/65/2021/FC/121 dated 29.06.2021, on the subject cited above.

2. The point wise reply of the observations as raised has been attended online by this office as well as user agency and hard copies of the same are enclosed herewith for favour of your kind information and further necessary action at your end please.

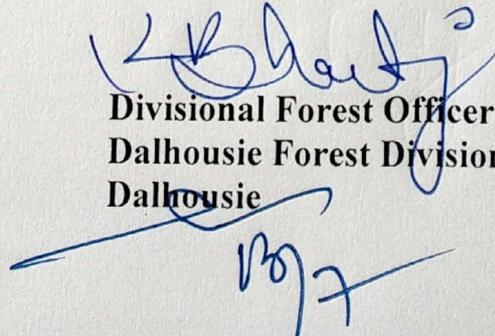

1	The Executive Engineer, HPPWD (B&R) Division, Dalhousie has intimated that the proposal involves 0.8397 hectare of non forest land for the construction of road. Muck dumping has been proposed on 0.2387 hectare of forest land. The local villagers were approached to provide private land for disposal of muck, but as per villagers, they don't have enough land, so muck could not be disposed-off in their land. Moreover, the people residing in the nearby areas are co-owners in small pieces of land, so it's not possible to identify private land for disposal-off muck in hilly terrain. So forest land has been identified for disposal-off muck along the road proposed. No felling of trees is involved in the area proposed for Dumping Sites. The vacant piece of land suitable for disposal of muck and involving no felling of trees has been identified for the purpose. The clarification in this regards is enclosed herewith.
2	This aspect may be seen at higher level.
3	As desired, necessary certificate is enclosed herewith.
4	The compartment No.1 and Khasara numbers of DPF Sanjap are 4,297,299 and 300 in which land bank has been selected. Necessary copy is enclosed.
5	Necessary certificate is enclosed.
