## **SITE INSPECTION REPORT**

The site for the proposed diversion of forest land of 11.17 ha for construction of 132 kV transmission line from Bairabi to W.Phaileng via Mamit was inspected on 19.11.2021. The project site is between Bairabi and West Phaileng and few patches fall along Tlawng Riverine Reserved Forests and other deemed forests. The construction of the proposed transmission line will involve felling of few shrubs, bamboos, grasses and clearing of some vegetation along the transmission line route.

The proposed site is free from any archeological heritage site/ defense establishments or any other important monuments.

Place : Kolasib, Mizoram  
Date : 19.11.2021
