	been provided. Hence, SG/User Agency may explore the possibility of reducing the width to 5.5 m or any technically suitable width depending on the site as proposed in few other such R&B road proposals, depending on the technical feasibility.	per the site conditions, it has been decided to adopt 5.5 Mts width.
3	Design/cross section of the proposed road clearly indicating the width of carriage way (BT portion) shoulders/Berm/drainage etc shall be furnished.	Enclosed.
4	State Govt. may inform whether or not RoW was allowed for the alignment proposed for diversion and if so, details with supporting documents (RF/ PF notification) may be submitted.	District Forest Officer vide Ir dated 05.07.2023 has confirmed that the proposed road is passing through Tiryani and Kawal RF and there is no RoW admitted as per the Gazettee notification. Copies of Gazettee notification is enclosed.
5	Revised map, .kml file and map for an area of 3.412 ha of non-forest land proposed for CA purpose shall be uploaded in the online application.	Submitted hereunder.
6	Map of DGPS data for the entire area of 81.4313 ha of NFL and 71.00 ha of Degraded Forest Land may be submitted.	

Replies to point no 5 & 6 are submitted hereunder:

The District Collector, KB Asifabad vide Ref E2/1278/202, dt.25.02.2021 cited has allotted revenue (Non-forest) land to an extent of 81.4311 Ha in Sy.No.322 of Pangidi madhara Village of Tiryani Mandal of Asifabad Division is being proposed for utilization for diversion of forest land proposed by R&B Department for LWE Projects. However the CCF & FDPT, KTR vide ref dt.03.06.2023 has submitted a report and informed that keeping the field situation and encroachments in view, the final recommended area which can be taken over by Forest Department as CA is to an extent of 45.00 ha only in two patches (35.20 Ha Patch-1 & 9.80 Ha Patch-2).

The R&B Dept has conducted DGPS survey of the above two patches duly excluding the encroachments and the data was submitted to this office vide Ir.dt.21.06.2023. The NFL proposed to be handed over to the Forest Department, which is free from encroachments and other field problems, is ascertained to 44.5 ha in two patches (34.3665 ha + 10.1221 Ha) and falling in Eco-Sensitive Zone of Kawal Tiger Reserve. The said NFL of 44.5 hac is proposed to be utilized for the following 15 roads pertaining to R&B Dept.
