Ref: - RO, Shillong's letter No.3-ANB 109/2019-SHI/2890-91 dtd. 14.11.2019

Madam,

With reference to above letters on the subject, it is to enclose herewith following information.

1	The submitted shape file for proposed transmission line has been examined in the DSS software and is found to be point features instead of polygon features of shape file for the purpose of analysis. Therefore, the State Govt is requested to submit the softcopy of polygon features in shape file for proposed diversion land and for proposed C.A land as the shape file for proposed CA site is not found in the CD.	The User Agency has submitted shape file for proposed transmission line in polygon features which is enclosed at Annexure-I and shape file of proposed CA sites in CD (Annexure-II).
2	The details of trees involves in Bomdila Forest Division is mentioning in the forwarding letter as 182 nos. whereas in the enumeration list and site inspection report of DFO, Bomdila it is mentioned as 352 nos. of above 60 cm girth & 1360 nos of 30-60 cm girth. The State Govt may clarify the difference and re-submit the enumeration list with actual nos of trees required to be felled.	In the forwarding letter, the number of trees has been mentioned 182 Nos instead of 1712 Nos including poles through oversight. The enumeration list is re-submitted (Annexure-III).

3	The suitability certificate of DFO, Bomdila certifying 56.5 ha degraded forest land available as land bank at Khoitam notified as Khoitam VFR for raising C.A whereas the Notification dated 28.10.2014 is 270 ha Khoitam VFR. The State Govt may clarify the exact location for CA.	The revised suitability certificate for 4.68 ha CA is enclosed at Annexure-IV
4	Ay alternate route has been explored, if yes, map showing the alternate route along with comparative statement may be furnished.	Alternate route map is enclosed at Annexure-V
5	No Progress and achievement of CA has not been mentioned in Part-II for Bomdila Forest Division. The same may be furnished.	The revised Part-II is enclosed at Annexure-VI showing the progress of CA.
6	PART-I has not been signed by the User Agency. This may be re-submitted after duly signed by User Agency.	The revised Part-I signed by the User Agency enclosed at Annexure-VII .
7	The State Govt. have submitted map depicting the proposed CA at Shergaon VFR but without the signature of DFO concerned. The State Govt may re-submit the same and duly signed by concerned D.F.O.	The map depicting the proposed CA for 4.52 ha signed by the DFO, Shergaon FD is enclosed at Annexure-VIII .
8	The No of towers to be erected along with Right of Way (RoW) may be furnished.	Number of towers in main line is 69 Nos which was already submitted with the proposal. Further, number of tower in alternative alignment 2 is 83 Nos and in alternative alignment 3 is 74 Nos.

It is therefore, requested to kindly issue necessary formal approval for diversion of 4.60 ha forest land for laying of above transmission line under Section-2 of the Forest (Conservation) Act' 1980.

Yours faithfully,

(R.K. Singh),
