* * * *

With reference to the above cited subject and reference, in continuation to this office letter cited at reference [5] above dated : 16-12-2022. The Government of India, MoEF, Bengaluru vide reference cited at [1] above has raised the EDS quarry with the following shortcomings on the above mentioned proposal. Accordingly, the Principal Chief Conservator of Forests [Head of Forest Force], Bengaluru vide reference cited at [2] above has directed to submit clarification/information sought by the Government of India.

In response to that, the Assistant Conservator of Forests and Technical Assistants to Deputy Conservator of Forests, Davanagere Division, Davanagere has submitted the information their letter cited at reference [6] above upon agreeing with the report which is self explanatory the information sought is as hereunder.

Sl. No.	Conditions	Reply
i	Justification for opening new mining / quarry lease may be examined as per the para - 7.8 of the comprehensive guidelines. A brief profile of the lessee/company giving details of their existing mining leases in the state with their capacity of production, average annual production etc., details of other mining leases for the M Sand with their capacity and average animal production and projected further requirement etc., shall also be furnished.	In light of the comprehensive guidelines in Para 7.8, the above user agency has categorically justified for opening new M.Sand quarry lease and provided brief profile of the lessee/company comprising of details of this existing mining leases in the State with their capacity of production average annual production etc. (Copy enclosed) Added to this, the applicant Sri. T. Basappa S.o T. Siddappa Davanagere is having another two mining leases in Uchchangidurga Sy.No. 1/c one extent is 4-00 Acres and another extent is 1-50 Acres which are situated in revenue land. It is reported that all M.Sand mining has already been verge of exhausting and hence, it is felt inevitable/compelled to identify in the forest land which is suitable. Moreover, towards the south side of proposed identified forest land, there exists centrally protected monument and other adjoining villages wherein M.Sand mining is not feasible/susceptible. Hence, the request of the user agency having identified the forest land proposed for M.Sand mining may be considered as per rules and act.

ii	Whether the historical temple mentioned in the DCF's inspection report [i.e., Goddess Uchangemma Devi] is a notified Archeological structure by the Archeological Survey of India [ASI]. If so, NOC from ASI shall be required.	NOC issued from ASI is enclosed herewith.
iii	Quarrying is proposed in three difference locations with approach roads resulting in fragmentation of forest. Justification for the same be provided.	The user agency letter dated : 26-12-2022 is enclosed herewith.
iv	Cost benefits analysis as per the FC guidelines.	Cost benefit analysis for forest land diversion is enclosed herewith.

Moreover, the Director of Mines and Geology Department, Bangalore in their letters dated: 16-10-2017, 14-6-2017 and 21-6-2017 respectively as per KMMCR-1994 Amendment 2016 vide Rule 31-ZC, had accorded intent letter to the above user agency for granting of mining lease subject to procurement of forest clearance.

This is for your kind perusal and needful action in the matter.

Yours faithfully,

Sd/-

Deputy Conservator of Forest,
Davanagere Division, Davanagere

Copy submitted to the Principal Chief Conservator of Forests [Forest Conservation] and Nodal Officer [FCA] along with the above documents for your kind perusal and further needful.

Deputy Conservator of Forest,
Davanagere Division, Davanagere

Copy to :

1. Range Forest Officer, Harapanahalli Range, Harapanahalli for information.
2. Sri T. Basappa S/o T. Siddappa, Partner in Annapurna Stone Crusher, # 1120, 3rd Cross, Taralabalu Extension, Davanagere for information.

ANNAPOORNA STONE CRUSHER

SY No. 01/D, Uchangidurga Village, Harapanahalli Tq., Davangere Dist., Karanataka State

Reg. No From,

Date 18-12-22

Sri T.Basappa,

Partner of Annapoorna Stone Crusher,

Sy.No.01/D, Uchangidurga Village,

Harapanahalli Taluk,

Vijayanagara (Hospete)District.

To,

The Deputy Conservator of Forests,

Davangere Division, Davangere.

Sir,

Sub : Diversion of 10.0956 hectare of forest land in Sy.No 1/A and 1/D of Uchangidurga village, Arasikere Hobli, Harapanahalli Taluk, Davangere district For establishing M-Sand quarry and its approach road in favour of M/s Annapoorna Stone Crusher (A partnership firm of Sri T.Basappa s/o T.Sidappa, Smt M.C.Poornima w/o Sri.T.Basappa, and Sri B Nikhil s/o Sri T.Basappa. #1120, 3rd cross, tharalabalu extension, Davangere. Sy.No. 1/D Uchangidurga Village, Harapanahalli Taluk, Davangere District-reg.

Ref : Letter No : 4-KRC/2020-21-BAN/235 dated : 17-02-2021 and 03-11-2021 of the Government Of India, Ministry of Environment and Forest, Bangalore.

With the reference to the above cited subject and reference, I am herewith furnishing the item wise clarification is as under.

Sl No	Conditions	Clarification
1)	Justification for opening new mining/ quarry lease may be examined as per the paragraph 7.8 of the comprehensive guidelines. A brief profile of the lessee / company giving	The Scarcity of river sand / natural sand and the sky high price for the available little quantity made the general public as well as the government bodies unaffordable to take up any developmental work / project in the construction field. With this stand point Karnataka government has taken an initiative introduce the alternative for natural sand. As a result after all technical evidences approved the M-Sand. M-Sand is the manufacture sand produced by using the granite rock available in the earth's crust with the same composition of high silica and more

details of their capacity and average annual production and projected further requirement, etc shall also be furnished.

effectively without any silt in it.

Further the GOK had brought an amendment to the Karnataka minor mineral concession rules (KMMCR) 1994 in the year 2016. As a result the production of M-Sand is supported by the GOK and also supported to grant quarry leases as a captive consumption to those who have the M-Sand manufacturing units/crushers.

Coming to this project the M-Sand crusher / unit is located in the jurisdiction of Harapanahalli taluk of newly declared vijayanagara district of Karnataka. In the district of Vijayanagara and adjacent fast growing davangere district the requirement of M-Sand is very high due to the more development activities.

Our M-Sand unit is at the border of both Vijayanagara district and davangere district and very much feasible to cater the demand of the M-Sand.

Location Details and Crusher Details.

Village & Sy.No.	M-Sand Establishment date	Crusher unit in tonnage (TPH)	Production quantum	M-Sand production necessary stone in quantum (MT)	For doubling of the M-Sand production stone available in appropriate quantum (MT)
Uchangidurga and 1/D	25-11-2015	200 TPH	480000 TPA	684000 MT	1368000 MT

There is a quarry operating as a captive consumption in the revenue land of Sy.No. 1/C of uchangidurga village, Harapanahalli taluk, Vijayanagara District, Karnataka. These quarries are very small in area and which has been reaching to Ultimate Pit Limit (UPL) since the deposit is below the surface. Further expansion of the quarry is not possible. There is no such area available except the proposed area within radius of 10kms free from monuments, wildlife sanctuaries, protected forests. As we have seen the most of the granite bearing area is located in the forest land in Vijayanagara district. [The proposed area is adjacent to the revenue land. The proposed area is not deep inside the forest land.]

Here the disturbances to the wild animals or other part of the forest land is very minimum. As I am struggling to survive my M-Sand unit as well as to fulfill the demand of M-Sand for developmental work of vijayanagara & Davangere district, It becomes inevitable to apply for quarry lease in the proposed location [Sy.No. 1/A & 1/D] in the forest land. I assume that there will not be any disturbances to the rest of the forest land due to quarry operation.

The proposed area free from any public building, settlements, temples, protected monuments, Schools, Railway, National or State highways, Power line or any water bodies within the distance of 200mtrs.

1)		Existing mining lease of Sri T.Basappa S/o T.Sidappa, tharalabalu Badavane, Davangere. <table border="1" data-bbox="512 226 1326 398"> <thead> <tr> <th>Taluk</th><th>Village & Sy.No.</th><th>Area in (A-C)</th></tr> </thead> <tbody> <tr> <td>Harapanahalli</td><td>Uchangidurga Sy.No.1/C</td><td>4-00</td></tr> <tr> <td>Harapanahalli</td><td>Uchangidurga Sy.No.1/C</td><td>1-50</td></tr> </tbody> </table> The proposed lease area is 175 mtrs from the unit. The said M-Sand unit license is declared under Form-C from district authority. The Report of the Senior Geologist, Department of Mines and Geology, Davangere is enclosed.	Taluk	Village & Sy.No.	Area in (A-C)	Harapanahalli	Uchangidurga Sy.No.1/C	4-00	Harapanahalli	Uchangidurga Sy.No.1/C	1-50
Taluk	Village & Sy.No.	Area in (A-C)									
Harapanahalli	Uchangidurga Sy.No.1/C	4-00									
Harapanahalli	Uchangidurga Sy.No.1/C	1-50									
2)	Whether the Historical temple in the DCF's inspection report (i.e., Goddess uchangemma Devi) is notified Archeological structure by the Archeological Survey Of India (ASI). If so, NOC from ASI shall be required.	NOC issued from the ASI is enclosed herewith.									
3)	Quarrying is proposed in three different locations with approach roads resulting in fragmentation of forest. Justification for the same be provided.	The quarrying is proposed in 3 different locations with approach roads, because the stone available at these locations are standard graded stone which is found from the physical verification and also which is fit for the productions of M-Sand and for building stone. As per the above said report.									
4	Cost benefit analysis as per FC guidelines.	Cost benefit analysis is enclosed herewith.									

Hence I request your kind self to recommend for the grant of quarry lease in the proposed area.

Office of the
Chief Conservator of Forests,
Ballari Circle, Ballari,
Date:08-02-2023.

To,

The Principal Chief Conservator of Forests
(Forest Conservation) and Nodal Officer (FCA)
Aranya Bhavana, Bengaluru.

Sir,

Sub:-Diversion of 10.0956 ha of forest land in Sy.No.1/A and 1/D of Uchangidurga Village, Arasikere Hobli, Harapanahalli Taluk, Davanagere District for establishment of M-Sand Quarry and its approach road in favour of M/s Annapurna Stone Crusher (a Partnership Firm of Sri T. Basappa S/o T. Siddappa, Smt M.C.Poornima W/o Sri T.Basappa and Sri B.Nikhil, S/o Sri T.Basappa, #120, 3rd Cross, Taralabalu Extension, Davanagere), Sy.No.1D, Ucchangidurga village, Harapanahalli Taluk, Davanagere District.

Proposal No.FP/KA/QRY/43207/2019.

Ref:-1)Letter No.A5(2):QRY:CR-08/2019-20 dated:12-03-2021 and 03-01-2022 of the Principal Chief Conservator of Forests(Forest Conservation) and Nodal Officer(FCA), Aranya Bhavan, Bengaluru. Addressed to this office and copy marked to you and user agency.

2) This office letter even No. dated: 11-1-2022.

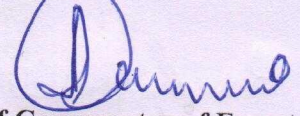

3) Letter No. B4/Land/WLCP/CR/2021-22 dated 22-12-2022 of the Deputy Conservator of Forests, Davanagere Division, Davanagere.

In the light of the directions issued by your office letter (1) cited above and followed by the directions issued by the Government of India in its letter dated:03-11-2022 has directed to get the proposed area inspected and to submit the factual report whether are there any FC violation in this case or otherwise. Accordingly the Deputy Conservator of Forests, Davanagere Division, Division has instructed to get the proposed area inspected and to submit the factual report about any FC violation vide (2) cited above.

The Deputy Conservator of Forests, Davanagere Division, Davanagere has obtained ground report from the subordinate officers and submitted his self contained point wise report to this office vide (3) cited above. Further, the Deputy Conservator of Forests, Davanagere Division, Davanagere while agreeing the subordinate officers report and stated that the Director of Mines and Geology Department, Bengaluru in his letter dated: 16-10-2017, 14-6-2017 and 31-6-2017 respectively as per KMMCR 1994 Amendment 2016 vide rule 31-ZC had accorded intent letter to the above user agency for granting of mining lease subject to the procurement of forest clearance.

Therefore, I am submitting herewith the copy of the letter dated:22-12-2022 of the Deputy Conservator of Forests, Davanagere Division, Davanagere for having replied all the four queries which have been invariably noticed by the Government of India, Ministry of Environment, Forests & Climate Change, Integrated Regional Office, Benglauru vide its letter dated:17-02-2021 for taking further needful action in the matter.

Yours faithfully,

**Chief Conservator of Forests,
Ballari Circle, Ballari.**

1. Copy to the Deputy Conservator of Forests, Davanagere Division, Davanagere for information.
2. M/s. Annapoorna Stone Crusher, Uchchangidurga Village, Tq. Harapanahalli Dist. Vijayanagar for information.

* * * *

With reference to the above cited subject and reference, in continuation to this office letter cited at reference [5] above dated : 16-12-2022. The Government of India, MoEF, Bengaluru vide reference cited at [1] above has raised the EDS quarry with the following shortcomings on the above mentioned proposal. Accordingly, the Principal Chief Conservator of Forests [Head of Forest Force], Bengaluru vide reference cited at [2] above has directed to submit clarification/information sought by the Government of India.

In response to that, the Assistant Conservator of Forests and Technical Assistants to Deputy Conservator of Forests, Davanagere Division, Davanagere has submitted the information their letter cited at reference [6] above upon agreeing with the report which is self explanatory the information sought is as hereunder.

Sl. No.	Conditions	Reply
i		In light of the comprehensive guidelines in Para 7.8, the above user agency has categorically justified for opening new M.Sand quarry lease and provided brief profile of the lessee/company comprising of details of this existing mining leases in the State with their capacity of production average annual production etc. (Copy enclosed)
	Justification for opening new mining / quarry lease may be examined as per the para – 7.8 of the comprehensive guidelines. A brief profile of the lessee/company giving details of their existing mining leases in the state with their capacity of production, average annual production etc., details of other mining leases for the M Sand with their capacity and average animal production and projected further requirement etc., shall also be furnished.	Added to this, the applicant Sri. T. Basappa S.o T. Siddappa Davanagere is having another two mining leases in Uchchangidurga Sy.No. 1/c one extent is 4-00 Acres and another extent is 1-50 Acres which are situated in revenue land. It is reported that all M.Sand mining has already been verge of exhausting and hence, it is felt inevitable/compelled to identify in the forest land which is suitable. Moreover, towards the south side of proposed identified forest land, there exists centrally protected monument and other adjoining villages wherein M.Sand mining is not feasible/susceptible. Hence, the request of the user agency having identified the forest land proposed for M.Sand mining may be considered as per rules and act.

ii	Whether the historical temple mentioned in the DCF's inspection report [i.e., Goddess Uchangemma Devi] is a notified Archeological structure by the Archeological Survey of India [ASI]. If so, NOC from ASI shall be required.	NOC issued from ASI is enclosed herewith.
iii	Quarrying is proposed in three difference locations with approach roads resulting in fragmentation of forest. Justification for the same be provided.	The user agency letter dated : 26-12-2022 is enclosed herewith.
iv	Cost benefits analysis as per the FC guidelines.	Cost benefit analysis for forest land diversion is enclosed herewith.

Moreover, the Director of Mines and Geology Department, Bangalore in their letters dated: 16-10-2017, 14-6-2017 and 21-6-2017 respectively as per KMMCR-1994 Amendment 2016 vide Rule 31-ZC, had accorded intent letter to the above user agency for granting of mining lease subject to procurement of forest clearance.

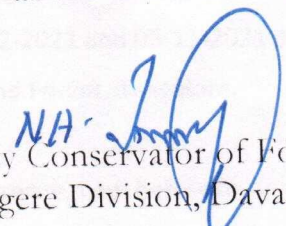

This is for your kind perusal and needful action in the matter.

Yours faithfully,

Sd/-

Deputy Conservator of Forest,
Davanagere Division, Davanagere

Copy submitted to the Principal Chief Conservator of Forests [Forest Conservation] and Nodal Officer [FCA] along with the above documents for your kind perusal and further needful.

ANNAPOORNA STONE CRUSHER

SY No. 01/ D, Uchangidurga Villege, Harapanahalli Tq., Davangere Dist., Karanataka State.

Reg No From,

Date 18-12-22

Sri T.Basappa,
Partner of Annapoorna Stone Crusher,
Sy.No.01/D, Uchangidurga Village,
Harapanahalli Taluk,
Vijayanagara (Hospete)District.

To,

The Deputy Conservator of Forests,
Davangere Division, Davangere.

Sir,

Sub : Diversion of 10.0956 hectare of forest land in Sy.No 1/A and 1/D of
Uchangidurga village, Arasikere Hobli, Harapanahalli Taluk, Davangere district
For establishing M-Sand quarry and its approach road in favour of
M/s Annapoorna Stone Crusher (A partnership firm of Sri T.Basappa s/o
T.Sidappa, Smt M.C.Poornima w/o Sri.T.Basappa, and Sri B Nikhil s/o
Sri T.Basappa. #1120, 3rd cross, tharalabalu extension, Davangere. Sy.No. 1/D
Uchangidurga Village, Harapanahalli Taluk, Davangere District-reg.
Ref : Letter No : 4-KRC/2020-21-BAN/235 dated : 17-02-2021 and 03-11-2021 of the
Government Of India, Ministry of Environment and Forest, Bangalore.

With the reference to the above cited subject and reference, I am herewith
furnishing the item wise clarification is as under.

Sl No	Conditions	Clarification
1)	Justification for opening new mining/ quarry lease may be examined as per the paragraph 7.8 of the comprehensive guidelines. A brief profile of the lessee / company giving	The Scarcity of river sand / natural sand and the sky high price for the available little quantity made the general public as well as the government bodies unaffordable to take up any developmental work / project in the construction field. With this stand point Karnataka government has taken an initiative introduce the alternative for natural sand. As a result after all technical evidences approved the M-Sand. M-Sand is the manufacture sand produced by using the granite rock available in the earth's crust with the same composition of high silica and more

details of their capacity and average annual production and projected further requirement, etc shall also be furnished.

effectively without any silt in it.

Further the GOK had brought an amendment to the Karnataka minor mineral concession rules (KMMCR) 1994 in the year 2016. As a result the production of M-Sand is supported by the GOK and also supported to grant quarry leases as a captive consumption to those who have the M-Sand manufacturing units/crushers.

Coming to this project the M-Sand crusher / unit is located in the jurisdiction of Harapanahalli taluk of newly declared vijayanagara district of Karnataka. In the district of Vijayanagara and adjacent fast growing davangere district the requirement of M-Sand is very high due to the more development activities.

Our M-Sand unit is at the border of both Vijayanagara district and davangere district and very much feasible to cater the demand of the M-Sand.

Location Details and Crusher Details.

Village & Sy.No.	M-Sand Establishment date	Crusher unit in tonnage (TPH)	Production quantum	M-Sand production necessary stone in quantum (MT)	For doubling of the M-Sand production stone available in appropriate quantum (MT)
Uchangidurga and 1/D	25-11-2015	200 TPH	480000 TPA	684000 MT	1368000 MT

There is a quarry operating as a captive consumption in the revenue land of Sy.No. 1/C of uchangidurga village, Harapanahalli taluk, Vijayanagara District, Karnataka. These quarries are very small in area and which has been reaching to Ultimate Pit Limit (UPL) since the deposit is below the surface. Further expansion of the quarry is not possible. There is no such area available except the proposed area within radius of 10kms free from monuments, wildlife sanctuaries, protected forests. As we have seen the most of the granite bearing area is located in the forest land in Vijayanagara district. [The proposed area is adjacent to the revenue land. The proposed area is not deep inside the forest land.]

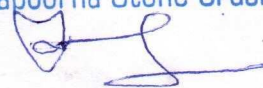

Here the disturbances to the wild animals or other part of the forest land is very minimum. As I am struggling to survive my M-Sand unit as well as to fulfill the demand of M-Sand for developmental work of vijayanagara & Davangere district, It becomes inevitable to apply for quarry lease in the proposed location [Sy.No. 1/A & 1/D] in the forest land. I assume that there will not be any disturbances to the rest of the forest land due to quarry operation.

The proposed area free from any public building, settlements, temples, protected monuments, Schools, Railway, National or State highways, Power line or any water bodies within the distance of 200mtrs.

		Existing mining lease of Sri T.Basappa S/o T.Sidappa, tharalabalu Badavane, Davangere. <table border="1"> <thead> <tr> <th>Taluk</th><th>Village & Sy.No.</th><th>Area in (A-C)</th></tr> </thead> <tbody> <tr> <td>Harapanahalli</td><td>Uchangidurga Sy.No.1/C</td><td>4-00</td></tr> <tr> <td>Harapanahalli</td><td>Uchangidurga Sy.No.1/C</td><td>1-50</td></tr> </tbody> </table> The proposed lease area is 175 mtrs from the unit. The said M-Sand unit license is declared under Form-C from district authority. The Report of the Senior Geologist, Department of Mines and Geology, Davangere is enclosed.	Taluk	Village & Sy.No.	Area in (A-C)	Harapanahalli	Uchangidurga Sy.No.1/C	4-00	Harapanahalli	Uchangidurga Sy.No.1/C	1-50
Taluk	Village & Sy.No.	Area in (A-C)									
Harapanahalli	Uchangidurga Sy.No.1/C	4-00									
Harapanahalli	Uchangidurga Sy.No.1/C	1-50									
2)	Whether the Historical temple in the DCF's inspection report (i.e., Goddess uchangemma Devi) is notified Archeological structure by the Archeological Survey Of India (ASI). If so, NOC from ASI shall be required.	NOC issued from the ASI is enclosed herewith.									
3)	Quarrying is proposed in three different locations with approach roads resulting in fragmentation of forest. Justification for the same be provided.	The quarrying is proposed in 3 different locations with approach roads, because the stone available at these locations are standard graded stone which is found from the physical verification and also which is fit for the productions of M-Sand and for building stone. As per the above said report.									
4	Cost benefit analysis as per FC guidelines.	Cost benefit analysis is enclosed herewith.									

Hence I request your kind self to recommend for the grant of quarry lease in the proposed area.

ದಿನಾಂಕ:31/08/2016.

ದೃಢೀಕರಣ ಪತ್ರ

ವಿಷಯ:- ದಾವಣಗೆರೆ ಜಿಲ್ಲೆ, ಹರಪನಹಳ್ಳಿ ತಾಲ್ಲೂಕು ಉಚ್ಚಂಗಿದುರ್ಗ ಗ್ರಾಮದ ಅರಣ್ಯ ಪ್ರದೇಶಕ್ಕೆ ಒಳಪಟ್ಟಿರುವ ಸರ್ವೆ ನಂಬರ್: 1/ಡಿ ರಲ್ಲಿ ಕಟ್ಟಡ ಕಲ್ಲಿನ ನಿಕ್ಷೇಪ ಇರುವ ಬಗ್ಗೆ ದೃಢೀಕರಣ ಪತ್ರ ನೀಡುವ ಕುರಿತು.

ಉಲ್ಲೇಖ:- 1) ಶ್ರೀ ಟಿ. ಬಸಪ್ಪ, ಮ್ಯಾನೇಜಿಂಗ್ ಡೈರೆಕ್ಟರ್, ಮೆ|| ಅನ್ನಪೂರ್ಣ ಸ್ಟೋನ್ ಕ್ರಷರ್, ತರಳಬಾಳು ನಗರ, ದಾವಣಗೆರೆ ಇವರ ಅರ್ಜಿಯ ದಿ:25/07/2016.
2) ಕಛೇರಿಯ ತಾಂತ್ರಿಕ ಅಧಿಕಾರಿಯವರು ವರದಿ ಸಲ್ಲಿಸಿರುವ ದಿ:30/08/2016.

ಮೇಲ್ಕಂಡ ವಿಷಯಕ್ಕೆ ಸಂಬಂಧಿಸಿದಂತೆ, ದಾವಣಗೆರೆ ಜಿಲ್ಲೆ, ಹರಪನಹಳ್ಳಿ ತಾಲ್ಲೂಕು ಉಚ್ಚಂಗಿದುರ್ಗ ಗ್ರಾಮದ ರಿ.ಸಂ: 1/ಡಿ ರ ಅರಣ್ಯ ಪ್ರದೇಶದಲ್ಲಿ ಕಲ್ಲು ಗಣಿಗಾರಿಕೆ ಮಾಡಲು ಅರಣ್ಯ ಇಲಾಖೆಯಿಂದ ಅನುಮೋದನೆ ಪಡೆಯಲು ಗಣಿ ಮತ್ತು ಭೂವಿಜ್ಞಾನ ಇಲಾಖೆಯಿಂದ ಸದರಿ ಪ್ರದೇಶದ ಸ್ಥಳ ಪರಿಶೀಲನೆ ನಡೆಸಿ, ಸದರಿ ಪ್ರದೇಶದಲ್ಲಿ ಗ್ರಾನೈಟ್ ಕಲ್ಲು ಇರುವ ಬಗ್ಗೆ ದೃಢೀಕರಣ ಪತ್ರ ನೀಡಲು ಸೂಚಿಸಿರುವ ಕಾರಣ ಉಲ್ಲೇಖ (1) ರಂತೆ ದಿ:25/07/2016 ರಂದು ಅರ್ಜಿ ಸಲ್ಲಿಸಿರುವುದು ಇರುತ್ತದೆ.

ಸದರಿ ರಿ.ಸಂ:1/ಡಿ ಪ್ರದೇಶವನ್ನು ಈ ಕಛೇರಿಯ ತಾಂತ್ರಿಕ ಅಧಿಕಾರಿಗಳು ಅರ್ಜಿದಾರರ ಸಮಕ್ಷಮದಲ್ಲಿ ಸ್ಥಳ ಪರಿಶೀಲನೆ ನಡೆಸಿ ಅರ್ಜಿ ಪ್ರದೇಶದಿಂದ 200ಮೀ. ವ್ಯಾಪ್ತಿಯೊಳಗೆ ಯಾವುದೇ ಸಾರ್ವಜನಿಕ ರಚನೆಗಳು ಅಂದರೆ ಮನೆಗಳು, ದೇವಸ್ಥಾನಗಳು, ಶಾಲೆಗಳು, ರೈಲ್ವೆ ಅಳಿಗಳು ಅಥವಾ ರಸ್ತೆಗಳು ಇರುವುದಿಲ್ಲವೆಂದು ವರದಿ ಸಲ್ಲಿಸಿರುತ್ತಾರೆ.

ಸದರಿ ಸ.ನಂ:1/ಡಿ ರ ಅರಣ್ಯ ಇಲಾಖೆಗೆ ಒಳಪಟ್ಟಿರುವ ಪ್ರದೇಶದಲ್ಲಿ ಗಟ್ಟಿ ಕಲ್ಲಿನ ಗ್ರಾನೈಟ್ ನಿಕ್ಷೇಪವಿದ್ದು, ಇದು ಭೂಮಿಯ ಮೇಲ್ಭಾಗ ಹಾಗೂ ಕೆಳಭಾಗದಲ್ಲಿ ವಿಸ್ತರಿಸಿ ವ್ಯಾಪಿಸಿದ್ದು, ಸದರಿ ಪ್ರದೇಶದಲ್ಲಿರುವ ಗ್ರಾನೈಟ್ ಕಲ್ಲನ್ನು 15-20 ವರ್ಷದವರೆಗೆ ಕಟ್ಟಡದ ಕಲ್ಲಿನ ಉತ್ಪಾದನೆಗೆ ಬಳಕೆ ಮಾಡಬಹುದಾಗಿ ಕಂಡು ಬಂದಿರುತ್ತದೆ ಹಾಗೂ ಉದ್ದೇಶಿತ ಪ್ರದೇಶವು ಪೂರ್ಣ ಕಲ್ಲು ಬಂಡೆಗಳಿಂದ ಕೂಡಿದ್ದು, ಕಲ್ಲು ಗಣಿಗಾರಿಕೆಗೆ ಯೋಗ್ಯವಾದ ಪ್ರದೇಶವಾಗಿರುವ ಕಾರಣ, ಉದ್ದೇಶಿತ ಪ್ರದೇಶದಲ್ಲಿ ಕಲ್ಲು ಗಣಿಗಾರಿಕೆಗೆ ನಿಯಮಾನುಸಾರ ಅನುಮತಿ ನೀಡಬಹುದಾಗಿದ್ದು, ಮೇಲ್ಕಂಡಂತೆ ದೃಢೀಕರಣ ನೀಡಲಾಗಿದೆ.
