Subject:-

Diversion of 1.9683 ha of forest land in favour of HPPWD for the construction of Gadasu Lauthi Punan road (0/00 to 6/478 km) within the jurisdiction of Rampur Forest Division (Proposal No. FP/HP/Road/153148/2022).

Memo:

Kindly refer to GoI letter No. nil dated 11.2.2025 on the subject cited above.

2.

In this connection it is intimated that GoI had not accepted the reply of observation No. 1 & 2 of this office as find mentioned the letter No. 1/86890/2024 Dated 12.11.2024 of GoI. Therefore, the point wise reply of observation No.1 & 2 are again furnished as under:-

Sl. No.	EDS/observation	Reply
1	The State Govt. shall provide details of action taken against the violation as per provisions mentioned in consolidated guidelines and clarification issued under Van (Sanrakshan Evam Samvardhan) Adhiniyam, 1980 and Van (Sanraksahn Evam Samvardhan) Rules, 2023.	<p>The violation in the extant case falls under the Indian Forest Act, 1927 as per Rule 1.16 (i), under Chapter-1 of consolidated Guidelines and Clarifications issued under Van (Sanrakshan Evam Samvardhan) Adhiniyam, 1980 and Van (Sanrakshan Evam Samvardhan) Rules, 2023.</p> <p>The damage caused in the extant case is reported as per the Inspection of the Committee Chaired by Chief Conservator of Forests, Rampur dated 07.03.2019 and involves no tree felling (Attached as Annexure-I).</p> <p>However, the said case forms part of the case list in which the Hon'ble High Court of Himachal Pradesh has passed directions as to ratification of past violations in CWP No. 5600/2012 a/w CWP No. 9797 of 2012 and COPC No. 59/2009. This case is listed at Sr. No. 298 of the list provided vide letter No. PBW (B) E (3)-1/2013 Dated 5.11.2013 by Principal Secretary, HPPWD, Govt. HP to APPCF (Central)</p>

(Attached as Annexure-II).

It is brought to notice that in the said CWP the Hon'ble High Court of HP has ordered dated 5.9.2013 in paragraphs 6,7 and 8 that the insistence on submitting the list of officers with their names, designations and complete addresses responsible for past violations will be counter productive **(Complete orders attached as Annexure-III)**

Hence, as guided by the Hon'ble High Court of HP , no list of officers responsible for the violation in the present case needs to be called for.

Furthermore, the Hon'ble High Court of HP has also ordered about the action to be taken (as desired in EDS 1) in the extant case of violation, in the same CWP, dated 26.7.2023 in paragraphs 1,2,3 where in the Hon'ble Court has inclined to accept the ratification of such roads in public interest and in good faith on such conditions, as permissible in law, including imposing environmental damage, compensatory costs and putting up retention walls etc.

(Attached as Annexure-IV)

Thus, as guided by the orders of the Hon'ble High Court of HP the appropriate action to be taken in this case shall be the levying of appropriate environmental damages as permissible under law and putting up retention wall etc.

It is therefore, intimated that in compliance of the Hon'ble Court directions, penal NPV **(Attached as Annexure-V)** and penal CA **(Attached as Annexure-VI)** have been proposed to which the user agency has also given undertakings for compliance **(Attached as Annexure-VII)**. In addition, the Inspection Committee has also recommended engineering works of 8

		<p>meters at various stretches amounting to Rs.95 Lakh (Refer to Para No. 13 of Annexure-I).</p> <p>These are, therefore, the details of action taken in the present matter, in compliance of the orders passed by the Hon'ble High Court.</p>																					
2.	<p>The State Government shall submit a detailed status report to the Regional Office in case of 2183 road projects for which directions have been passed by Hon'ble High Court of Himachal Pradesh including the detail of proposals already approved under Van (Sanrakshan Evam Samvardhan) Adhiniyam, 1980 and balance cases that are yet to be processed. The decision in such types of cases shall be taken holistically by Regional Office and forward the same to Ministry along with its comments.</p>	<p>The detailed status report of all 2183 FCA violation cases pertains to Nodal Office. Out of which 68 cases pertains to Rampur Forest Circle, the detail is as under:-</p> <table border="1"> <thead> <tr> <th>S. Heard counsel for the parties.

2. We have perused the minutes of the proceedings of the joint meeting held on 19th August, 2013, attended by all the concerned duty holders noted in our order dated 8th August, 2013. Since, in principal, agreement has been reached for regularization of 841 roads subject to certain compliances to be made by the State Government and

that process is likely to take some time, we have no hesitation in deferring the hearing of this matter for the time being till 30th December, 2013, for reporting of further action taken by the concerned duty holders.

3. Learned Assistant Solicitor General of India submitted that the MoEF is of the opinion that in addition to 841 roads, referred to in the order dated 8th August, 2013, by this Court, it is possible that there are other roads, which are not included in the list of 841 roads. That figure may jump to around 1500. In other words, there are more than 660 roads, which have not been brought to the notice of the MoEF as of today.

4. The learned Advocate General appearing for the State submits that this apprehension will be duly examined at the highest level by the State Government and the information that would be collated during such enquiry, the Principal Secretary (PWD) to the Government of Himachal Pradesh shall submit that information to the MoEF not later than two months from today. The State Government, through learned Advocate General, undertakes to abide by all the conditions specified in the minutes of the joint meeting held on 19th August, 2013, even with regard to the unlisted roads of which information will be furnished by the State Government in due course.

5. In view of this assurance given by the State Government, we do not deem it necessary to issue any direction on that issue as of now.

6. Learned Assistant Solicitor General of India then invited

our attention to Clause (x) of the minutes and pointed out that the State Government be directed to submit the list of officers responsible for violation.

7. In our opinion, insistence of this compliance will be counter productive at this stage. In our order, dated 8th August, 2013, we have already kept the order dated 28th August, 2009, in abeyance. Necessity of furnishing list of officers of the State Government responsible for violation would arise only if the said order was to be revived and the abeyance order is recalled.

8. In the circumstances, we hope that the officials of MoEF or any other department of the Government of India shall not insist for compliance of furnishing the names, designations and complete addresses of the officers of the State Government responsible for past violations.

9. Accordingly, this matter be notified on **30th December, 2013**. The arrangement directed in terms of order dated 8th August, 2013, to continue till further directions.

CWPs No. 5600 & 9797 of 2012

Considering the fact now revealed by the learned Advocate General across the Bar that it has come to light that in all, approximately 829 roads have been constructed without taking prior permission, prior to August 2009. Since those roads are already put to public use and it will not serve public interest by closing those roads or directing to remove the same, the State Government, in principal, is

inclined to move a formal proposal to the Ministry of Environment to ratify the action of construction of those roads undertaken by the State Government in good faith on such conditions, as may be permissible in law, including by imposing environmental damage compensatory costs and further direction to put up retention walls in certain areas, which need strengthening and upon compliance of such conditions, a formal ex-post facto sanction can be granted in respect of those roads.

2. We are inclined to accept this submission in public interest, provided such authority vests with the Ministry of Environment in law. If such proposal is moved by the State Government, appropriate decision thereon can be taken within reasonable time and preferably within six weeks from its receipt. The Ministry of Environment will be free to examine the said proposals uninfluenced by the orders passed by this Court in COPC No. 56 of 2009 or any other order passed in the companion proceedings. The decision taken by the Ministry of Environment, however, will be subject to the outcome of the present proceedings and can be given effect to only after the Court so directs.

3. We make it clear that if the State is required to pay compensatory costs, if so ordered by the Ministry of Environment, Government of India, the manner of recovery of such compensatory costs and from persons responsible for the situation can be evolved by the State Government and even that proposal can be submitted to the Court, if so required.

4. To be listed on 8th August, 2013.
