Sir,

Kindly refer to your letter No. 8B/HP/06/02/2020 dated 19/11/2024 on the subject cited above.

2. The point wise reply to the observation as raised vide your above referred communication is submitted as below:-

1. CF Bilaspur has submitted that as per user agency this path/track is constructed by the local people/local authorities about 22 years back with a formation width of 2.00 to 2.50 meters Note by User Agency in proposal folder at page-88),. As such there is no record available in his office about the action taken against the violators. However, as per Para 1.21 (ii), bill on account of penal NPV has already been raised and placed in proposal folders. Hence, at this later stage it is not possible to take action under Van (Sanrakshan Evam Samvardhan) Adhiniyam, 1980 and Van (Sanrakshan Evam Samvardhan) Rules, 2023.
2. CF Bilaspur has submitted that the user agency has intimated that the road is appearing in the list of 2183 roads constructed in violation of FCA, 1980 and as the same has been depicting as serial No. 137. This road has been already constructed by the local people as jeep able standard road to provide access to villagers for safety consideration as the area is hilly terrain. This road was not constructed by the HPPWD, hence the proposal for connecting the villagers of Village Khal & Makri initiated to regularize the already constructed jeep able

road and further construction of the motor able road to provide bus/Transport facility to the villagers.

It is, therefore requested to consider it on PARIVESH 1.0 please.

Yours faithfully,

Nodal Officer-cum-APCCF (FCA)
