Sub: Proposal for diversion of 0.081 Ha of Forest land under Section 2 of Forest (Conservation) Act, 1980 for the Construction of new Police Station building at Pamba in Pathanamthita District- reg.

Ref: 1. That office endt. Letter no: 27/2022 dated: 10.05.2022
2. Letter No.DCPTA/3004/2022-C5 Dtd.28.06.2022 of District Collector, Pathanamthitta.

Kind attention is invited to the subject and reference cited. The report called for vide 1st reference is furnished below.

- I. The certificate regarding non- availability of non-forest land for the project received from District Collector, Pathanamthitta as per reference 2nd cited is enclosed herewith.
- II. Two alternative locations had been identified earlier for the above said project. The details of locations and reasons for its rejection are furnished below.
 - a. The South side of Hilltop parking area.
 - b. Left side of Chalakkayam – Pamba road

Both the land parcels are situated in the uphill side of road. These locations harbour dense forest land of evergreen type forest with its full biodiversity. If these locations are proposed for the project, lot of trees have to be cut and removed besides levelling the uphill portion up to 3 meters high, which may result in land slides in the remaining areas. Hence both the locations were rejected for the said project.

Yours faithfully,

Divisional Forest Officer
