Memo: 201

Kindly refer to your office 9332 dated 16.12.2019 on the subject cited above.

A complaint was made by Sh. Ganesh Thakur Village Pobabo, Tehsil & District Shimla to APCCF (Central) Regional office Dehradun. Range officer Tara Devi was asked to inquire the matter and submit the detailed report. Range officer Tara Devi along with HPPWD & revenue officials re-enumerated all trees the coming in the alignment. The results of the re-enumeration with old enumeration are depicted below.

RO Tara Devi has also reported that though Village Kharechi has been connected by motorable road via Banuti Phyal road, yet if proposed road from Dumii side to Kharechi is allowed to be constructed then, the Village Jholo, Bhiyuli Dhar, Dhidda & Makaolyana which are still not connected by road shall have the facility of Motorable road in near future. The road shall act as fire line for the protection of Forest R-18 Paboo, D-193 and constructed road will facilitate the Forest protection work in case Forest fire erupt in this Forest.

So it is clear that there was variation in the enumeration list submitted with original proposal and as per the ground factual position.

The necessary correction has been made in the enumeration list and the case is again re-submitted online to accord necessary approval.
