1. **For what provision lease was sanctioned?:-** उक्त विन्दु के सम्बन्ध में अवगत कराना है की रायिव उत्तर प्रदेश शासन, लखनऊ की शा००८०८० 1963/14-2-78/74 दिनांक 03.07.1975 से श्री हरीश चन्द्र घिल्डियाल को कृषि सेवा केन्द्र के स्थापनार्थ रामनगर में रानीखेत मोटर मार्ग के किनारे प्लॉट सं० 08 एवं 09 की 2700 वर्गफॄट वन भूमि 30 वर्षों के लिए लीज पर दिये जाने की स्वीकृति दी गयी थी। परन्तु लीजधारक द्वारा उनक पत्र दिनांक 13.03.78 के माध्यम से लीज भूमि पर पेट्रोल पम्प संचालन करने हेतु अनुमति चाही गयी। जिसके क्रम में शासनादेश संख्या 6374/14-2-578/74 दिनांक 26.06.1978 के माध्यम से सचिव, उत्तरप्रदेश शासन, लखनऊ के द्वारा अनापत्ति जारी की गयी। जिसमें उल्लेख किया गया है कि:-

“ यदि श्री घिल्डियाल जिलाधिकारी, नैनीताल एवं सार्वजनिक निर्माण विभाग से नो आब्जेक्शन सर्टीफिकेट” प्राप्त कर लेते हैं तो उन्हें कृषि सेवा केन्द्र(Agricultural implements workshop) के स्थापनार्थ शासनादेश संख्या 1963/14-2-78/74 दिनांक 03.07.1975 के अन्तर्गत पट्टे पर स्वीकृत भूमि में उपर्युक्त उपयोग के साथ पेट्रोल पम्प खोले जाने में शासन को कोई आपत्ति नहीं है।”

साथ ही लीजधारक द्वारा अवगत कराया गया है की भारत सरकार द्वारा बेरोजगार इंजीनियरों को स्वरोजगार उपलब्ध कराने के लिए कृषि सेवा केन्द्रों को खुलवाया गया था। परन्तु इस स्कीम के असफल होने के कारणों को जानने के लिए भारत सरकार द्वारा समिति बनाई गयी, जिसने असफलता के कारणों को देखते हुए इन्हें बीमार यूनिट मानते सरकार को अपनी रिपोर्ट सौंपते हुए इनके पुनर्वास की अनुशंसा की गई थी। तब भारत

सरकार ने तत्कालीन लोकसभा में भी इन इंजीनियरों के पुनर्वास के लिए तत्कालीन पेट्रोलियम मंत्री की सहमति से प्रभावित इंजीनियरों को पेट्रो प्रोडक्ट की पेट्रोल पम्प की डीलरशिप देने आदि के लिए साक्षात्कार के द्वारा आवंटन दिया गया। (छायाप्रति संलग्न)

3. **Lease originally was granted till 2005. Why it has not been renewed after 2005?** इस कार्यालय में उपलब्ध अभिलेखानुसार लीजधारक द्वारा लीज नवीनीकरण हेतु प्रथम आवेदन वर्ष 2008 में उनके पत्र दिनांक 22.02.2008 द्वारा किया गया था। जिसके उपरान्त उनके द्वारा पुनः पत्राचार वर्ष 2013 में किया गया, जिसके क्रम में लीजधारक को लीज नवीनीकरण प्रस्ताव गठित कर उलब्ध कराने के निर्देश दिये गये। दिनांक 05.09.2019 को प्रस्ताव आनलाईन माध्यम से इस कार्यालय को प्राप्त हुआ। तत्पश्चात् समय-समय पर विभिन्न स्तर से लगाई गयी आपत्तियों के निराकरण हेतु पत्राचार अतिथि तक गतिमान है।

UNSTARRED QUESTION NO. 1238  
TO BE ANSWERED ON THE 1ST MARCH, 1982  
DECLINE OF AGRO-SERVICE CENTRES

1238: SHRI B.D. SINGH:

Will the Minister of AGRICULTURE be pleased to state:

- (a) whether it is a fact that a large number of agro-service centres in the country are in a bad shape and that more than 500 such centres have been closed down while many are on the verge of bankruptcy; and  
(b) if so, details thereof stating the reasons therefor and the steps taken by Government to improve the situation?

ANSWER

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE

( SIRI R.V. SHAMINATHAN )

(a) As per the survey conducted by the Central Govt. Training Centres at Budni and Hissar in the year 1977 covering the States of Assam, Bihar, Haryana, J & K, Punjab, Rajasthan, Uttar Pradesh, West Bengal, Madhya Pradesh, Tamil Nadu, Kerala and Karnataka, 47% of the agro-service centres were operating on profit and 25% alone as not doing well. Subsequent survey carried out by the Tractor Training Centre, Hissar in 1978 revealed that 67.5 % agro-service centres on an average were running on profit whereas 19.8% were working on loss. The remaining 12.7% did not report their financial benefits. As on 21st March, 1981 506 out of 3206 centres ( i.e. 15.8% ) have closed down. The Government, however, have no information to lead to the conclusion that many of these centres are on the verge of bankruptcy.

(b) Details:- State-wise position of break-up of 508 centres reported to have been closed is given in annexure.

Reasons for the failure :

As per the survey carried out in 1977 the reasons for failure of closing down of some of these centres was low work turn-over because of their being engaged only in the activity of custom hiring in tractors accompanied by competition from tractor-owning farmers, escalation in the operational cost of these machines due to hike in the prices of diesel and other lubricants and other raw materials, high cost of these machines, escalation in the cost of repair and maintenance, non-maintenance of proper records about their working, lack of requisite efforts on the part of entrepreneurs to improve their performance etc.

Steps taken by the Government to improve the situation :-

The steps taken by the Government to improve performance and financial viability of these centres are details below :-

- i) These agro-service centres were given priority allotment of tractors both indigenous and imported.
- ii) The RBI on our initiative have extended the benefits of concessional rate of interest to these agro-service centres on par with small scale industries and credit guarantee cover.

Contd. P.O.

(2)

-2-

- iii) At various stages seminars and discussions were held on the performance of these centres where it was advised to diversify their business on a social basis, i.e., as per the local demands and not confine themselves to hiring of contractors alone.
- iv) The Ministry of Finance advised the RBI to instruct the nationalised banks to rephase the payment of the instalments of bank loans taken by them whenever necessary.
- v) On transfer of the scheme to the States, the Ministers of the States were directed to honour the commitments upto transfer and to extend such other necessary help as may be required for running them on viable basis.
- vi) Minister of State for Agriculture addressed the Ministers concerned to take such steps as would be necessary for strengthening these centres, including expeditious settlement of the claims of these agro-service entrepreneurs, and to give subsidy.
- vii) Minister(A, RD&CS) once again addressed the Chief Ministers of the States to take action to disburse the advances outstanding with these entrepreneurs urgently, to route the distribution of agricultural inputs in the areas where these centres are situated through them to help them in getting customizing facilities available in the various schemes implemented by the State Govt. and also to their various programmes including programmes of rural electrification and command area development. Simultaneously he instructed the Union Finance Minister of instruct the Comptroller & Auditor General to waive interest charges on loans advanced to these centres and to postpone the payment of principle amount. Union Minister of Petroleum, Chemicals and Fertilizers was also addressed by him to consider the case of these centres for allotment of a separate quota of petrol and petro-based lubricants.

Note:- AT THE SUPREME COURT: The Agriculturists have filed a writ in the Parliament, but not in the Supreme Court on Feb 1978. They say that the Government may not submit a reply, i.e., the Government means that our case may be posted for argument even after the latest counter by SSI in Maharashtra. Sri Nariman has written to file such counters even in previous writs also. We have been asked for Petitioner-wise/ Writ-wise/ State-wise information. So please send your latest full information.
