1	The DFO has claimed to do the site inspection on 10.01.2019. However, the report has been signed on 15.01.2020 i.e. more than 1 year by both the DFO and the RO. Why this inordinate delay? Is the DFO inspecting the site and submitting the report is the same person.	DFO Kullu has submitted that site inspection was carried out and submitted by the then DFO Kullu. The Site Inspection was carried out on 10.01.2020 and the report thereof was signed on dated 15.01.2020. The date 10.01.2019 was written inadvertently. Therefore, Site Inspection date may be considered as 10.01.2020.

This is submitted for favour of your information and further necessary action at your end please.
