Madam,

Sub: Proposal for diversion of remaining forest land of 65.52 ha of Surda Mining Lease of Hindustan Copper Ltd- regarding

Ref: Your letter no. 340 /Jamshedpur dated 07.02.2024.

With due regards, it is for kind information that the submission of HCL in respect of the query raised at point no. (iv) vide letter no. 8-64/1993-FC (vol) dated 27.10.2023 of MoEF & CC, GoI & subsequently endorsed in above referred letter i.e. " *submission of the KML file for earlier diverted 189.74 Ha of forest land along with KML file of compensatory afforestation land*", is as follows:

The screenshot of polygons for earlier diverted 189.74 Ha of forest land seen in 'Google Earth' has been submitted in PARIVESH 1.0 as an attachment on 15.02.2024 as the screen for reply of EDS in PARIVESH 1.0 does not facilitate for uploading KML file as an attachment, which is evident from the reply of NIC on 14.02.2024 in 'Resolved remarks' column in 'Complaint Resolution Details' against the complaint of UA on 13.02.2024 in PARIVESH Complaint Management System (Snapshot of the same is enclosed herewith)

In view of above, for compliance of above said query, **pen drives containing the KML file of earlier diverted 189.74 ha of forest land is enclosed along with this letter.**

Further, in respect of KML file of **compensatory afforestation land**, it is submitted that Hindustan Copper Limited (UA) deposited a sum of Rs. 15,19,680/- on 11.04.1998 towards Penal Compensatory Afforestation (PCA) over degraded forest land as per the provision of Stage II (Final) approval granted vide letter no. 8-64/1993-FC dated 15.05.1998 and as such, no compensatory afforestation land was involved in this proposal.

In view of above, it is kindly requested to recommend the same as deemed fit.

Thanking you,

Yours faithfully,

(S.S.Sethi)

General Manager & Unit Head
