(x) Whether forms part of National Park, Wildlife Sanctuary, Biosphere Reserve, Tiger Reserve, Elephant Corridor etc. (If so, the details of the area and comments of the Chief Wildlife Warden to be annexed.	No. The proposed project area is only notified Protected Forest and does not form part of any National Park, Wildlife Sanctuary, Biosphere Reserve, Tiger Reserve, Elephant Corridor etc.
(xi) Whether any rare/endangered/unique species of flora and fauna found in the area. If so, the details thereof.	Nilgai is found naturally and free distributed across the Gaya district in the farmlands. Animals like jackal, hair, Common Langur etc are found in the nearest forest areas. The undersigned is of the opinion that the proposed project will not affect the distribution or movement of any wild animals found in the area. So far, no case of wildlife death has been reported on the proposed site. Nevertheless, the crop raiding Nilgai is present in the adjoining areas of the forest boundary.
(xii) Whether any protected archeological/heritage site/defense establishment or any other important	As per my knowledge, the enquiry report of the Forest officials and the information provided by the user agency, there is no record of any

monument is located in the area. If so, the details thereof with NOC from competent authority, if required.	protected archaeological/heritage site/defense establishment or any other important monument located in the area of the proposed project.
8. Whether the requirement of forest lands as proposed by the user agency in Col. No. 2 of Part-I is unavoidable and barest minimum of the Project. If no, recommended area item-wise with details of alternatives examined.	The requirement of forest land as proposed by the user agency in Col. No. 2 of Part - I is 2.1109 Ha. The actual area involved in the project is 2.1109 Hectare.
9. Whether any work in violation of the Act has been carried out (Yes/No). If yes, details of the same, including period of work done and action taken on erring officials. Whether work in violation is still in progress.	The User Agency has not violated the prescribed provisions of the Act till the date of inspection.
10. Details of compensatory afforestation Scheme : (i) Details of non-forest area/degraded forest area identified for compensation.	5 Ha block plantation will be done in Dungeshwari PF.
(ii) Map showing Non-Forest/degraded Forest area identified for compensation.	Not Applicable.
(iii) Detailed compensatory afforestation scheme including species to be planted, implementing agency, Time schedule, cost structure etc.	Model scheme Attached- Annexure-III. The species to be planted will be guided by the local soil factor. 5 Ha block plantation will be done in Dungeshwari PF. The time schedule depends on the final approval (stage II) of this project.
(iv) Total Financial outlay for compensatory afforestation scheme.	Rs.2003115 (Rs. Twenty Laes Three Thousand One Hundred Fifteen only).
(v) Certificates from competent authority regarding suitability of area identified for compensatory afforestation and from management point of view. (To be signed by the concerned Deputy Conservator of Forests).	The area is suitable for Compensatory afforestation and free from any encumbrances.
11. Site Inspection report of DCF specifically highlighting facts asked in Col. Nos. 7 (xi, xii), 8 & 9 above.	Attached as Annexure-IV
12. Division/District Profile : (i) Geographical area of the district.	4976 Sq.K.m.
(ii) Forest area of the district	816.66 Sq.km
(iii) Total Forest area diverted since 1980 with number of cases	325.52 Ha. in 25 proposals
(iv) Total compensatory afforestation stipulated in the district/division since 1980 on: (a) Forest land including penal compensatory afforestation.	-
(b) Non-Forest land	-
(v) Progress of afforestation as on (28.12.2020) (a) Forest land	603.44 Hectares of Plantation has been done under CA and funds from NPV.

(b) Non-Forest land	24 km linear plantations have been done.
13. Specific recommendations of the DCF for acceptance or otherwise of the proposal with reasons.	This is the bare minimum forest land required for the project. The amount realized from the user agency in the form of NPV shall be utilized for conservation, protection, and management of forest in this division. The green belt will be created through the amount realized from the user agency as Compensatory afforestation work and it will help in the increasing green cover. The proposed area involves diversion of 2.1109 Hectare in Gaya Forest Division, Gaya. This is the bare minimum of forest land required for the project and has no other alternative to by-pass. Diversion of this forest land area for the project (Non-Forestry activity) may not much affect the local flora of the area. The User Agency has not violated the prescribed provisions of the Act till the date of inspection. In light of the above mentioned facts and keeping the cognizance that Gaya District falls under the Naxal Affected area and as per the prescribed provisions, I recommend positively for the approval of this proposal. Therefore this proposal for diversion of forest land may be approved with necessary conditions and directions.
