Dated, Bhubaneswar the November'2024

To  
The Deputy Director General of Forests (Central)  
Government of India, Ministry of Environment, Forest & Climate Change  
Regional Office, A/3, Chandrasekharpur

**Sub: Proposal for diversion of 1.216 ha of forest land in favour of M/s Mayfair Hotels & Resorts Ltd. under Bhubaneswar Tahasil of Khordha District under Chandaka (WL) Division.**

**Ref: Letter No.5-ORB614/2023-BHU dated 24.11.2023 of the MoEF& CC, Regional Office, Bhubaneswar.**

Sir,

In inviting a reference to the above mentioned subject, this is to inform that Government of India, Ministry of Environment, Forest & Climate Change, Regional Office, Bhubaneswar had raised 2 nos objections during scrutiny of the above proposal. The point wise compliances report based on the reports of the Divisional Forest Officer, Chandaka (WL) Division and the Divisional Forest Officer, Nayagarh Forest Division is furnished below:-

***Condition (a):- The Jungle-II kissam land was allotted by the GA Department vide allotment order No.3306/GA dated 26.02.2000. DFO, Chandaka (WL) Division has reported that the user agency has constructed building for hotel over revenue Kisam land without prior approval from Govt. of India, MoEF&CC in contravention of FC Act, 1980. Hence, detail action taken report along with name and designation of erring officials responsible for violation causing diversion of forest land for non-forestry purpose may be furnished.***

**Compliance:-** In compliance to the above, the Divisional Forest Officer, Chandaka (WL) Division has furnished the copy of letter No.13786/CA dt.06.05.2024 of Govt. of Odisha, GA&PG Department addressed to him which is self explanatory and is enclosed herewith as **Annexure-I**.

Govt. of Odisha constituted a site selection committee/ land allotment committee to asses the requirement and recommend to the Govt. for supply of the required land, following the provisions of the Govt. Grant Act.1985 and after repeal of the same, provisions of the Odisha Govt. land settlement (second amendment) Rules 2020 is being followed.

Regarding reporting the names of the erring officials responsible for violation of FC Act. 1980 the GA & PG Department has clarified that despite repeated search the relevant site selection proceedings has not been traced out. Hence no individual member can be named from the

above committee who took the decision for allotment of land as per the then available records where the status of the land was non-forest. After the land settlement process it was revealed that the status of the land was "Buda jungle". Hence, the user agency was intimated to go for this diversion proposal and not to take up any further construction work over such detected forest land for non-forest use without forest diversion order.

Further, the National Green Tribunal, Eastern Zone Bench, Kolkata in OA case No.29/2019/EZ & MA No.29/2022/EZ have directed to regularize the matter by realization of NPV/Penal NPV from the UA while granting Forest Clearance under FC Act, 1980.

In view of the above and in light of this situation, the GA & PG Department has requested to condone the action to be taken against the erring officials responsible for violation of FC Act., 1980.

***Condition (b):- As per DSS area of approx 1070 Sq. meter of the CA area falling water body and two metalled roads are passing through CA area identified. This may clarified by the State Govt. in view of the suitability of CA land and encroachment free land .***
