Sri Vigari varadum Aani - , Thiruvalluvar Aandu 2050

Sir,

- Sub : Forest (Conservation) Act, 1980 – Dharmapuri Division – Proposal for diversion of forest land in Noolahalli-Reddihalli Reserved Forests for the Police Wireless Repeater Station over 0.06 ha Proposal sent – Additional details – called for- regarding.
- Ref : 1. Principal Chief Conservator of Forests (HoD), Chennai Ref.No.TS3/4742/2018 dt:23.01.2019 and 25.03.2019
2. District Forest Officer, Dharmapuri Ref.No.2340/2016/D dt:19.06.2019.

I submit that the shortcomings pointed out by the Principal Chief Conservator of Forests in the reference cited has since been rectified and the detailed CA proposal for 1.00 ha with 7 years of maintenance for Rs.10.075 lakhs, scanned copy of Geo referenced map of the proposed Compensatory Afforestation in Kalappambadi Extension RF, Survey of India topo sheet indicating the boundary of forest land proposed for CA along with GPS readings have been uploaded by the District Forest Officer online.

In regard to CA, the District Forest Officer has since identified the CA in kalappambadi Extension RF instead of Noolahalli-Reddihalli RF due to management point of view. This may be considered. The copy of the report of the District Forest officer received in the reference 2nd cited along with the detailed CA proposal with Geo referenced map are also enclosed herewith.

I therefore request that the proposal may kindly be considered and orders of the Government may kindly be obtained and communicated.

Yours faithfully,

Encl: As above

Additional Principal Chief Conservator
of Forests, Dharmapuri Circle.

Copy to the District Forest Officer, Dharmapuri for information.
