

Following shortcomings still remain in the online reply.

1. Patch wise detail of CA area has been wrongly filled at section L (iv) in Form A, part I. Please rectify it.
2. The certificate of arial distance of the project area is not found uploaded in Form A, part I.
3. User agency may upload documents related to all benefited village with benefited population in Form A, Part I
4. As per KML file of proposed road, no existing road is shown to which proposed road would be connected. also habitation seems to be very less as per KML file.
5. Tree details in (9m) width not uploaded as additional information in Form A, part II.
6. Please upload the actual number of tree cutting detail in Form A, Part II as a additional information at para 13.
7. District profile, Land scheduled & Tree list certificate have not been uploaded as an additional information at para-13 in Form A, part II.
8. The online part II shows eco class of type IV while in view of the tree species affected in the project. the DFO may review the eco class NPV calculation accordingly.
