Subject: Diversion of 0.040 ha of forest land in favour of I & PH Department for
the construction of AE Office Cum-Residence at I & PH Sub Divisional
Office at Taklech, within the jurisdiction of Rampur Forest Divison, Distt.
Shimla, Himachal Pradsh.

Sir,

Kindly refer to your office online observation to the proposal as cited on
subject.

2 The point wise reply of the observations submitted by CCF Rampur is as
under:-

1. Digital map of the area proposed for diversion indicating geo-coordinates
on the map has already been appended with the proposal at page No. 14.
2. FRA, 2006 certificate has already been attached at page No. 24 to 33
alongwith all relevant documents.
3. Needful has already been done at page No. 6 of the proposal folder.
4. Since the area proposed for diversion is to be developed by adopting
partially in filling method the cross-section for muck disposal plan has
already been appended with the proposal folder at page No. 62 to 65.
5. The new digital map of the CA bank showing coordinates of 0.08 ha has
been prepared and enclosed herewith.

In the proposal submitted for diversion of 0.08 ha of forest land , the
layout plan of level 2 floor was attached inadvertently. However, the proposal submitted
for diversion of forest land is for construction of Sub-Division office building at level 1
floor and to avoid diversion of extra land for residence purpose and make best use of
diverted land, it has been proposed to construct residence at level 2 floor. Moreover as
per norms minimum area required for Sub-Divisional level office building is as shown in
the drawing appended and can not be reduced. The forest land is to be used mainly for the
construction of office of the AE/SDO I & PH.

Yours faithfully,

Encl: As above.
