2. In this context the point wise reply furnished by DFO Bilaspur to the observations raised vide your office EDS under reference is as under:

| Sr. No. | Observations                                                                                                                                                                    | Answer                                                                                                                                                                                                                                              |
|---------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1.      | The documents as uploaded at Addl. Information detail against Sr. No. 24 and 28 of Part-1 are not downloadable hence, revised documents may be uploaded.                        | The user agency has intimated that the revised and legible documents against Sr. No. 24 and 28 of Part-1 have been again uploaded under the Additional information as per Sr. No. 34 and 35 on the Parivesh portal.                                 |
| 2.      | The man days as mentioned in the online Part-1 may be reviewed as per the actual employment mentioned in the Mining Plan.                                                       | The user agency has intimated that the mandays have been reviewed and corrected as per the actual employment figures provided in the Mining Plan.                                                                                                   |
| 3.      | Against the detail of estimated reserve in M7 are required to be reviewed as per the mining plan.                                                                               | The user agency has intimated that the estimated reserve details have been rechecked and revised as per the Mining Plan.                                                                                                                            |
| 4.      | The CA scheme is prepared for mixed for normal and tall plants and an amount of 10281120/ has come out for 16.3 ha. Which does not seem justified, please review the CA scheme. | The CA Scheme for 16.3 ha. area has been proposed in two different patches of forest land i.e. 12 ha. and 5 ha. To carry out CA over these two patches an amount of Rs. 10281120+4458800= 14739920 respectively is to be realized from user agency. |

Encl: As above.
