

H.P. Forest Department.

From: CF Nahani Circle.

To: Nodal Officer –cum-APCCF (FCA)
O/o Pr. CCF (HoFF) HP) Shimla.

Subject: Diversion of 0.327 ha. of forest land in favour of HPPWD for construction of link road from village Bhogpur Simbalwala km.0/0 to 3/440 (portion 1/730 to 2/120 and 3/285 to 3/440 i.e.0.545 kms within the jurisdiction of Nahani Forest Division Distt. Sirmour H.P.

Memo:

Kindly refer to Integrated Regional Office, MoEF & CC, CGO Complex, ShivalikKhand, Longwood Shimla file No. FC/HPB/ 06/29/ 2021 dated 11.04.2022 on the subject cited above.

2. In this regard, vide above reference the point wise reply of observations is given as under:

S. No	Query	Reply
1.	In the Site Inspection report it has been submitted the proposed road has violated the FCA guidelines. As such following clarification/ justification may be provided:-	
i	The Action Taken Report against the violators as per Para 1.21 (i) and (ii) of FCA Guidelines may be uploaded in the portal.	Needful has been done by DFO. The Action taken is in the form of financial implication of revised Penal NPV has been calculated as per guideline of MoEF and CC New Delhi letter No. 11-42/2017-FC dated 29.01.2018 maximum up to five time of NPV plus 12% simple interest. The revised Penal NPV has been calculated as per Joint Inspection report violation started since 1990 to till date up to 31.12.2021 for 31 years with the simple interest @ 12 %. (Copy attached as Annexure-I).
ii	Action taken by the State Government against the officials concerned for not being able to prevent the use of forest land for non-forestry purpose without prior approval of Govt. of India.	The road from Bhogpur Simbalwala km. 0/0 to 3/440 (portion 1/730 to 2/120 and 3/285 to 3.440) was already constructed. The work was started during year 1977 as a footpath track by the Gram Panchayat. The road construction was initially started by the Gram Panchayat in the year 1990 probably in a length of nearly 200 mtrs. & later its formation cutting was completed by the HPPWD during 2001-2002. This case has been listed in approval to cases of construction of road in compliance of directions passed by Hon'ble High Court H.P. on 08.08.2013 and 05.09.2013 in CWP No. 5600 of 2012, CWP No. 9797/2012 and COPC No. 56/2009. Also Hon'ble High Court of H.P. has given the orders to regularized 2183 roads including this road which have already been constructed in Division given by HPPWD to Hon'ble High Court of H.P constructed in violation

	FD-NH-F005/3/2021-MISC-NAHAN FOREST CIRCLE	of FCA, 1980 highlighting the Sr. No. 412 and name of the road of the extant proposal is attached as Annexure-2. A committee has been formed by the Govt. of H.P. as per the notification vide letter No. FFE-B-F-(3)-31/2012 dated 24.10.2013 as instructed by the Hon'ble Court of H.P. The joint inspection was done by the committee on dated 02.11.2015. The joint inspection report is attached as Annexure-3. An appropriate amount calculated by the Forest Department will be paid by the user agency as a penal action for violation.
2.	The clarification / documents regarding the following may also be provided:	
i	Complete legible list of 2183 roads provided by HPPWD to Hon'ble High Court of Himachal Pradesh constructed in violation of FCA, 1980 highlighting the Sr. No. and name of the road of the extant proposal.	The complete legible list of 2183 road provided by HPPWD to Hon'ble High Court of Himachal Pradesh constructed in violation of FCA, 1980 highlighting the Sr. No. 412 and name of the road of the extent proposal is attached as Annexure-2 .
ii	Copies of orders of the Hon'ble High Court of H.P which clearly finds mention of regularization of 2183 roads which have already been constructed in violation of the provisions of FCA, 1980.	1. CWP No. 5600 of 2012 was listed in Hon'ble High Court of H.P. on 08.08.2013 in which Hon'ble High Court of H.P. ordered that " joint meeting to be held between the officials of the concerned departments and Authorities, broad guideline will be worked out on the basis of which the plan can be taken forward. 2. The "joint meeting was held on 19th August, 2013, in the office of Conservator of Forests (Central), Government of India Chandigarh" in which it was decided to constitute the committees to carry out the inspection of the roads in accordance with guidelines worked out in the joint meeting between the officials of Govt. of H.P and MoEF & CC, Gol. 3. A committee has been constituted vide Govt. of Himachal Pradesh Department of Forest notification No. FFE-B-F-(3) -31/2012 dated 24.10.2013 in respect of link road to village Bhogpur Simbhalwala on dated 02.11.2015. 4. The case (CWPII No. 91 of 217) was listed in Hon'ble High Court of H.P. on dated 16.11.2017 in which it was clearly mentioned that approximately 2183 roads have been constructed in the State of Himachal Pradesh in violation of the Forest Conservation Act, which is a large number and cannot be overlooked and in CWP No. 5600 of 2012 and COPC No. 56 of 2009, wherein directions were issued to the State of Himachal Pradesh as well as Ministry of Environment and Forests, Government of India, for inspection of such roads by Committees and thereafter to report the matter to the northern Regional Officer, Ministry of Environment and Forests, Chandigarh, for consideration of proposal for approval.

3.	The aerial distance of the project from Kalesar WLS has been provided. However, the exact aerial distance of the proposed project from notified or proposed ESZ of Kalesar WLS from competent authority may also be provided.	Needful has been done by DFO. The exact aerial distance of the proposed project from Kalesar WLS is 22.09 km. (copy attached as Annexure-4)
4.	FRA Certificate has been submitted. However, the records and annexure of consultations and proceedings of FRC and Gram Sabha of all the concerned villages are required to be submitted before State-II.	The FRA Certificate will all the records and annexure of consultations and proceedings of FRC and Gram Sabha of all concerned villages have already been submitted with the proposal folders. However photocopy of the same is again enclosed as Annexure5 .

This is for favour of kind information and further necessary action at your end please.

**Inspection Report of the Committee Constituted vide Government of Himachal Pradesh
Department of Forest Notification No. FFE-B-F-(3)-31/2012 dated 24-10-2013 in respect of
Link road to village Bhogpur Simbalwala on dated 2-11-2015.**

1. **Name of Circle/Distt./Division/Tehsil/Range**
Nahan/Sirmour/Nahan/Nahan/Trilokpur.
2. **Name of road including Kms. From - to-**
Link road to Bhogpur Simbalwala Km.0/0 to 3/440 kms.
3. **Total length of road passing through the Forest area and Private area**
Total length of the road passing through forest area is 0.545 Kms. and 2.895 kms through private area.
4. **Length of the road for which forest land has already been broken/constructed**
Total length of road is 3.440Kms & length of road in broken forest land is 0.545 kms.
5. **Length of the road and extent (in hac.) passing through forests**
Length of road = 0.545 Kms. Extent = 3270 Sq. mtrs or 0.327 Hectares.
6. **Date of starting the work**
The work was started during year 1977 as foot path track by the Gram Panchayat.
7. **Name of organization which constructed the road**
The road construction was initially started by the Gram Panchayat in year 1990 probably in a length of nearly 200 mtrs & later its formation construction was completed by the HPPWD during the year 2001 - 2002.
8. **For completing the work, whether there is need to use additional forest area or alignment can be changed without further use of forest land**
There is no need for additional forest land as road formation construction work has already been completed..
9. **If not, total length of the road and forest area required for completing the work (including the forest area used and to be used)**
Total length of road = 3.440Kms.
Total length of road passing through forest = 0.545 Kms
Forest Area utilized= 0.327 Hectare. Additional Forest area required= Nil.
10. **Details of damages caused to bio-diversity including number of trees felled other than breaking the earth (which is already covered under point 5 above)**
As per record available no damages are reported to bio-diversity including trees.

X-yf
2.11.15

11. Details of soil conservation/engineering works necessary on the upper and lower sides of the road for its strengthening and avoiding landslides

No specific protection work is required on the road for avoiding landslides.

12. Estimated expenditure for carrying out these engineering works

a). Nil.

BAR CHART SHOWING THE FOREST LAND

13. Recommendations of the Committee (should include length in Kms, extent of forest land additionally required for completing the work, expenditure to be included on engineering/vegetative works necessary for stabilizing the soil/boulders on upper and lower sides of the road. etc.)

Total length of road is 3.440Kms. and out of this 0.545 Km. passes through forest land.

No additional land is required for further construction work beside 0.327 hectare of forest land which has already been utilized.

The total cost of DPR is yet to be worked out which shall be evaluated after necessary sanction of forest land diversion case.

2. The learned Advocate General, on instructions, submits that the State is more than keen to find out solution to the impending problem. The State is not only willing to pay compensatory costs, as may be determined by the Appropriate Authority, but is, on its own, willing to provide more infrastructure and facilities to strengthen the

environmental cause in the concerned region. Those logistics can be worked out only after the decision of the Appropriate Authority with regard to the 841 road projects in question.

3. The learned Assistant Solicitor General of India submits that the MoEF, Government of India, has no objection to examine the proposal initiated by the State Government, but the officials of the said Ministry are finding difficulty in working out the final arrangement and, more particularly, because of the directions given by the learned Single Judge of this Court in order, dated 28th August, 2009, in COPC No. 56 of 2009.

4. Keeping in mind this grievance of the respondent-Authorities, we thought it appropriate to direct the Registry to circulate the papers concerning COPC No. 56 of 2009. Although, the order has not been challenged by any Authority or party to the proceedings, in the peculiar facts of the present case, it has become essential to consider whether the direction contained in the said order should be kept in abeyance or otherwise.

5. In our considered opinion, if the direction contained in COPC No. 56 of 2009 is required to be complied by the concerned Authority and, in particular, MoEF, it will not be possible for the MoEF to work on the proposal to be submitted by the State Government, which, as observed in our previous order, is in larger public interest. The issue regarding action to be taken against the erring officials of the concerned departments and Ministry can always be redressed at the appropriate stage, but consideration of the proposal submitted by

the State Government cannot and should not brook delay. The issue regarding ratification of the action of the State Government regarding construction of 841 road projects across the State of Himachal Pradesh will have to be resolved in the first place in conformity with the requirement of law, which the State Government as well as the MoEF has assured the Court to consider the same in right earnest.

6. In these peculiar facts, we are inclined to hold that it is but appropriate that the direction given in COPC No. 56 of 2009, in order dated 28th August, 2009, should be kept in abeyance to enable the concerned departments to take a final decision on the proposal submitted by the State Government.

7. Counsel appearing for the department as well as the State Government have submitted that the Authorities would report about the possibility and feasibility of granting approval or otherwise on the proposal of the State before the next date of hearing, which can be scheduled after three weeks. In the circumstances, hearing of these matters is deferred till **5th September, 2013**, to enable the MoEF, Government of India and the State Government to work out a holistic plan for not only restoration of the environment, besides quantifying the compensatory costs to be paid by the State Government. That will have to be in conformity with the provisions of law and uninfluenced by the observations in the order dated 28th August, 2009 in COPC No. 56 of 2009, referred to above.

8. The learned Advocate General assures the Court that in

-: 4 :-

the joint meeting to be held between the officials of the concerned departments and Authorities, broad guidelines will be worked out on the basis of which the plan can be taken forward. We place this submission on record. The joint meeting to be convened on 19th August, 2013, in the office of Conservator of Forests (Central), Government of India, Chandigarh, at 11-00 a.m.

Kuldip Singh Chauhan.

...Petitioner.

Versus

Balbir Thakur and others.

... Respondents.

Coram:

Hon'ble Mr. Justice Rajiv Sharma, Judge.

Whether approved for reporting?¹ Yes.

For the petitioner : Mr. Ajay Mohan Goel, Advocate.

For the Respondents: Mr. B.M. Chauhan, Advocate for respondent
No.1.

Mr. R.K. Gautam, Senior Advocate with
Mr. Sandeep Kumar Pandey, Advocate for
respondent No.2.

Mr. Lokender Thakur, Advocate for respondent
No.3.

Mr. R.K. Sharma, Sr. Addl. A.G. with
Mr. Anil Jaswal, Deputy Advocate General for
respondents No.4 and 5.

Mr. Rajeev Jiwan, Advocate vice
Mr. Sandeep Sharma, Assistant Solicitor General
of India for respondents No. 6 and 7.

¹ Whether reporters of the local papers may be allowed to see the judgment? Yes.

Rajiv Sharma, Judge .

The present petition has been preferred for initiating action against respondents No. 1 to 3 for the violation of the directions issued by this Court in CWP No. 1358/2001.

The precise case of the petitioner is that respondents No.1 to 3 are instrumental in construction of road in Sharoli Jungle without seeking the mandatory permission under the provisions of the Forest (Conservation) Act, 1980 and also for felling of trees despite the directions issued by this Court on 29.5.2007 whereby green felling was prohibited in the entire State of Himachal Pradesh. Respondent No.1 has filed the reply. He has denied his involvement in illicit felling of trees in Sharoli Jundge (Mandal Beat). Respondent No.2 has also filed reply to the petition. He has admitted in his reply that certain people of surrounding villages, including respondent No.1 started construction of a road in Mandal Beat and as many as 29 kail saplings were damaged. Accordingly, the damage report was prepared and that a sum of Rs. 23,925/- was recovered towards damages. Accordingly, the JCB, which was in possession of the Forest Department, was released after the receipt of fine and compensation. Respondent No.3 also filed reply. According to him, the tenders were floated on 10.4.2008 for the work in question i.e. C/O link road from Bakan Nallah to village Kohali. These were to be opened on 25.5.2008. However, the same stood cancelled due to technical reasons on 17.5.2008. The petitioner has also filed supplementary affidavit whereby he has given the details of five link roads, which were constructed without the permission under the Forest

(Conservation) Act, 1980. The 'no objection certificates' as per the contents of the supplementary affidavit had been issued by the Range Forest Officer, Sarswati Nagar for construction of these roads. The 'no objection certificates' are marked as Annexures PC-1 to PC-5. The petitioner has also placed on record the photographs reflecting the damage caused to the forest wealth while undertaking the construction of the roads in question. The petitioner has reiterated in the rejoinder filed to the reply filed by respondent No.1 that the road was constructed in Panchayat, Mandal. According to the contents of rejoinder, the illicit felling has taken place in forest Sharoli and Dulu.

What emerges from the pleadings of the parties is that the road in question was constructed despite the mandatory directions issued by this Court from time to time in CWP No. 1358/2001. An LPA was preferred against the judgment of this Court dated 23.11.2007. The Division Bench of this Court upheld the judgment except that respondent-State and the Corporation were permitted to remove fallen and diseased trees. Respondent No.1 though has denied his involvement in the illicit felling of trees, but it is evident from the damage report placed on record that he was involved in illicit felling of trees and he has paid the damages amounting to Rs. 23,925/-. Respondent No.2 has also admitted in the reply that respondent No.1 along with other persons was involved in illicit felling of trees. Respondent No.1 is the Pradhan of the Gram Panchayat, Mandal. Respondent No.2 is the custodian of the forest wealth in his area. He was supposed to be very prompt to take action against the persons who were involved in felling of trees. In the supplementary affidavit filed by the Additional Chief Secretary (Forest), it has come that

respondent No.2 was not involved in any manner since his subordinates have issued the 'no objection certificates'. According to the contents of the supplementary affidavit, the officers, namely Pratap Singh, Jia Lal, Hiteshwar and Surinder Kumar were involved in issuing the 'no objection certificates' and against them action has been initiated.

The Court after taking into consideration the material placed on record has added the Principal Secretary (PW) and Principal Secretary (Forests) to the Government of Himachal Pradesh vide order dated 10.7.2009. The Court had issued the following directions to the newly added respondents:

- i) **Whether necessary permission under the Forest (conservation) Act, 1980 was ever sought and granted by the authorities while initiating the construction work of the link roads mentioned in the supplementary affidavit;**
- ii) **In case no permission was ever granted by the authorities under the Forest (Conservation) Act, 1980, why the Forest Range Officer, Sarswati Nagar has issued 'no objection certificate' and what action, including disciplinary action has been taken against him;**
- iii) **Whether the construction has been carried of the roads in question through the agency of Public Works Department or by the contractor. In case the construction has been carried by the agency of the Public Works Department, the names of the officers, who have undertaken the construction of the link roads without the permission under the Forest (Conservation) Act, 1980 are to be disclosed giving their rank as well. In case the construction has been**

undertaken by the contractor(s) his/their name(s) be disclosed;

- iv) The Principal Secretary (PW) and Principal Secretary (Forest) shall give the details of all the roads and link roads which have been constructed through the State of Himachal Pradesh without the necessary permission contemplated under the Forest (Conservation) Act, 1980;
- v) The Principal Secretary (Forest) is further directed to explain the manner in which the trees, which have been illicitly felled while undertaking the construction of the road, have been disposed of."

Respondents No.4 and 5 filed supplementary affidavit as directed by this Court vide orders dated 10.7.2009 and 28.7.2009. The Principal Secretary (PW) has undertaken on behalf of the State of Government by way of this affidavit that the Public Works Department/State shall not undertake construction of any road in violation of the Forest (Conservation) Act, 1980 and the action shall be initiated as per law against the defaulters/erring officers/officials, who have constructed the roads in violation of the Forest (Conservation) Act, 1980. It will be apt to reproduce paras 4 and 5 of the affidavit filed by the Principal Secretary (PW) on 28.7.2009:

"4. That as far as the position with regard to necessary permission contemplated under the Forest (Conservation) Act, 1980 is concerned, the deponent on behalf of Public Works Department/State undertakes that henceforth no road shall be constructed by the Public Works Department in violation of Forest (Conservation) Act, 1980.

5. That with regard to violation if any found to have been committed of Forest (Conservation) Act, 1980 while constructing public roads by the Public Works Department, the Deponent undertakes that action as provided under the law shall be initiated against the defaulting/erring officers/officials who have constructed the said road(s) in violation of Forest (Conservation) Act."

Respondent No.5 also filed supplementary affidavit on 29.7.2009. It has been admitted by respondent No.5 that no permission under the Forest (Conservation) Act, 1980 was sought for the construction of the link roads mentioned in the affidavit filed by the petitioner. It has come in this affidavit that the Deputy Ranger, who was holding the charge of Sarswati Nagar and Sh. Jai Prakash, Deputy Ranger, Sarachali Block have issued 'no objection certificates' at their own level without the information of the Divisional Forest Officer for the construction of the roads mentioned in the supplementary affidavit of the petitioner. It has come in the affidavit that 80 roads/link roads were constructed throughout the State of Himachal Pradesh without necessary permission under the Forest (Conservation) Act, 1980. Out of these 80 roads, no permission has been sought in respect of 67 roads/link roads whereas 13 roads forest land diversion of which was either under process or had been accorded in principal approval by the Government of India had been constructed without waiting final approval of the proposal from the Government of India under the Forest (Conservation) Act, 1980. The Additional Chief Secretary (Forests) filed supplementary affidavit on the basis of directions issued on 29.7.2009. In this affidavit, the

number of roads constructed without the permission has gone up from 80 to 116. The Principal Secretary (PW) also filed the affidavit in sequel to order dated 29.7.2009. In his affidavit, it is stated that 47 roads alleged to have been constructed by the Himachal Pradesh Public Works Department in violation of the Forest (Conservation) Act, 1980. The deponent had sought for additional four weeks time to supply the information. The Principal Secretary (PW) filed the affidavit on 11.8.2009. In this affidavit, the numbers have increased to 75 roads, which were constructed by the Public Works Department.

The Court issued detailed directions to the respondents i.e. respondents No.4 and 5 on 6.8.2009 to supply the complete information of the roads which were constructed in violation of the Forest (Conservation) Act, 1980 and the proposed action against the defaulters. The Additional Chief Secretary (Forests) filed an affidavit on 11.8.2009. It was for the first time that in this affidavit it has come that the Deputy Commissioner has been requested to initiate the action against the Patwaris, who had issued 'no objection certificates' in violation of law. The matter was also referred to the Principal Secretary (RD) to the Government of Himachal Pradesh for initiating action against the Block Development Officer, Jubbal for construction of roads undertaken by him in violation of the Forest (Conservation) Act, 1980.

A bare perusal of the affidavit filed by the Additional Chief Secretary (Forests) dated 16.8.2009 reveals that 98 roads have been constructed in the forest areas without seeking the permission under the Forest (Conservation) Act, 1980. It is a startling figure. The details of these roads are placed on record vide Annexure A-I with the

supplementary affidavit dated 16.8.2009. Similarly, the construction of the roads has been undertaken by the authorities in which forest land diversion proposal was either under process or principal approval has been accorded but the roads were constructed without waiting for the final approval from the Government of India. This information has been placed on record vide Annexure A-II. The perusal of this Annexure A-II reveals that in the process of construction of these 18 roads, in all, 1513 trees have been felled by the authorities without the prior permission of the competent authorities under the Forest (Conservation) Act, 1980.

It is evident from the information supplied by respondent No.4 and 5 that 116 roads have been constructed in the State of Himachal Pradesh without seeking mandatory permission under the Forest (Conservation) Act, 1980. Out of them, 75 roads have been constructed by the Himachal Pradesh Public Works Department under the supervision of the Block Development Officers after sanctioning of the amounts by the respective Deputy Commissioners. The Pradhans of Gram Panchayats like respondent No.1 are also instrumental in construction of roads in negation of rule of law. It was imperative for the Deputy Commissioners and other agencies of the State to ensure that no road is constructed without permission from the Government of India under the Forest (Conservation) Act, 1980. The officers/officials of the Forests Department, Himachal Public Works Department and the Contractors to whom the work was assigned are guilty of undertaking the construction of roads despite the mandatory directions issued by this Court from time to time and also in violation of the Forest (Conservation) Act, 1980. Respondent No.1, as discussed

hereinabove, has indulged in illicit felling of trees which resulted in issuance of damage report. As sum of Rs. 23,925/- stood recovered from him. Respondent No.2 was not involved directly in granting the 'no objection certificate' as per the supplementary affidavit filed by the Principal Secretary (Forests). The 'no objection certificates' have been issued by the persons, who are not authorized to do so as per the contents of the supplementary affidavit filed by respondents No. 4 and 5 by the Patwaris, Deputy Rangers, Forest Guards etc. The stern action is to be taken against those persons, who have failed to abide the directions issued by this Court punctually and also violated the Forest (Conservation) Act, 1980.

The Principal Secretary (PW) has in a very bold manner undertaken to take action against the defaulting officers/officials. He has also undertaken that the State Government and Public Works Department shall not construct any road in violation of the Forest (Conservation) Act, 1980. The action has also been initiated by the Forests Department by punishing officers involved in illicit felling of trees in Sharoli and Dulu forest areas. In this case the action is also to be taken against the Block Development Officers, who have undertaken the construction of the roads on the basis of various schemes floated by the Centre/State Governments after the money was sanctioned by the respective Deputy Commissioners in violation of the mandatory provisions of the Forest (Conservation) Act, 1980. The respondents have supplied the information in piecemeal to the State Government after the issuance of repeated directions. Since the information as directed was not forthcoming, the Central Bureau of Investigation was arrayed as respondent No.7.

The Parliament has enacted the Act called "the Forest (Conservation) Act, 1980. Section 2 thereof imposes restrictions on the de-reservation of forests or use of forest land for non-forest purposes. Section 3-B deals with offences by authorities and Government Departments. The Central Government has also framed the rules called "the Forest (Conservation) Act, 2003. Rule 9 thereof provides the mechanism for proceedings against persons guilty of offences under the Act.

Accordingly, in view of the observations made hereinabove, respondent No.1 is found guilty of committing contempt of this Court for willful disobedience of the orders passed by this Court in CWP No.1358/2001. Respondent No.2 is absolved/exonerated. Respondent No.3 knowing fully well being a Government Officer that there is a ban on green felling has invited tenders though the same were subsequently cancelled. However, he is directed to be careful in future.

Respondent No.1 is the Pradhan of Gram Panchayat, Mandal. He has already deposited the fine imposed amounting to Rs. 23,925/-. Respondent No.1 has been held guilty for committing contempt of the orders passed by this Court in CWP No. 1358/2001. However, instead of sentencing or directing him to pay a fine, the interest of justice will suffice if he is directed to plant at least 500 plants of Deodar on the land to be provided by the Forest Department. The nourishment of these plants shall be the responsibility of respondent No.1 under the supervision of the Divisional Forest Officer concerned. He shall look after the plants for a period of five years. Thereafter the

up-keep of the trees planted by respondent No.1 being Pradhan of Gram Panchayat, Mandal shall be taken over by the Divisional Forest Officer concerned of the area. This will also ensure the participation of the local people in protecting, conserving and preserving the forest wealth of the State of Himachal Pradesh.

In view of the specific directions issued to respondent No.1 to plant 500 trees of Deodar, the conviction of respondent No.1 under the contempt jurisdiction shall not in any manner affect the status of respondent No.1 as Pradhan of the Gram Panchayat. It is clarified that no separate proceedings shall be initiated against him.

The Court takes judicial notice of the fact that in the process of seeking 'no objection certificates' from the agencies constituted under the Forest (Conservation) Act, 1980 is tardy and time consuming. Consequently, respondent No.6 is directed to ensure that as and when the applications for 'no objection certificate' are received, the needful be done within a reasonable period so that there is no delay in undertaking the construction of projects through forests areas. The delay in granting the permission escalates the cost of construction and the burden passes on to the tax-payers.

The agencies while issuing 'no objection certificate' shall also ensure that at least the site is visited once to ensure minimum damage to the forest wealth. They should not merely rely upon the report furnished by the State agencies.

Now, the Court has to issue necessary directions to respondent-State to take suitable action against the persons, whose details find mention in the Annexures annexed with the supplementary affidavits filed by respondents No.4 and 5. The persons mentioned in

these Annexures resumed the construction of roads without prior permission of the Central Government under the Forest (Conservation) Act, 1980. The Principal Secretary (PW) has also undertaken to take disciplinary action against the persons involved in the construction of roads in violation of law. The Additional Chief Secretary (Forests) to the Government of Himachal Pradesh has also suspended three Officers of the Department. The necessary instructions have been issued to the Deputy Commissioner to take action against the Block Development Officer, Jubbal. The directions have also been issued to the Deputy Commissioners to initiate proceedings against the Patwaris, who have issued 'no objection certificates' at their own level.

Mr. Sandeep Sharma, learned Assistant Solicitor General of India on the previous date of hearing has assured the Court that the action shall be taken against the defaulters who have violated the mandatory provisions of the Forest (Conservation) Act, 1980.

It is evident from the contents of Annexure R-3 (Page 124) that the Forest Department has been compounding the matters in violation of section 68 of the Indian Forest Act. The necessary notification for compounding has to be issued by the State Government and the same has to be published in the Gazette. There is no deterrence in the prevailing instructions issued by the State Government. The stern action is required to be taken against the persons, who are involved in illicit felling of trees. The action should be taken departmentally and the prosecution should also be launched against the defaulters.

Accordingly, the following directions are issued to the respondent-State:

- i) The Himachal Pradesh Public Works Department/State shall not undertake the construction of any road in the forest areas without the mandatory permission under the Forest (Conservation) Act, 1980 as undertaken by the Principal Secretary (PW) in his affidavit;
- ii) Stern disciplinary action be taken against the persons as per the undertaking given by the Principal Secretary (PW) against the officers/officials whose details are given in the Annexures filed with the supplementary affidavits while constructing roads in violation of the Forest (Conservation) Act, 1980. The disciplinary proceedings shall be commenced within a period of six weeks and the same shall be concluded as far as possible within a period of one year;
- iii) The Additional Chief Secretary (Forests) is also directed to take suitable disciplinary action against the persons, who are involved in granting 'no objection certificates' in violation of the Forest (Conservation) Act, 1980 while undertaking the construction of 166 roads. The disciplinary proceedings shall be commenced within a period of six weeks and the same shall be concluded as far as possible within a period of one year;
- iv) The Deputy Commissioners in the State of Himachal Pradesh are directed to ensure that the Block Development Officers/Pradhan/Patwaris, who are instrumental in the construction of roads in violation of Forest (Conservation) Act, 1980 are dealt with departmentally. The necessary charge-sheet etc. shall be issued within a period of six weeks and the inquiry be completed as far as possible within a period of one year;
- v) Since admittedly 116 roads have been constructed in violation of the Forest (Conservation) Act, 1980, the action under this Act shall also be taken against the

persons by the competent authorities prescribed under the Forest (Conservation) Rules, 2003. The action shall be initiated by the prescribed authorities within a period of one month from today. The details of the persons against whom the action is to be taken are provided in the Annexures filed with the supplementary affidavits of respondents No.4 and 5.

- vi) The respondent-State is suggested to issue necessary notification under section 68 of the Indian Forest Act dealing with the cases of illicit felling. The Court hopes and trusts that strong action will be taken against the persons, who are involved in the illicit felling of trees.
- vii) In order to ensure and supervise that the directions issued are complied with punctually, a committee of following two officers comprising of Mr. P.C. Kapoor, Principal Secretary (PW) Government of Himachal Pradesh and Mr. Upasak, Addl. S.P., Central Bureau of Investigation is constituted. The committee shall file the status report after every three months disclosing the latest status of the disciplinary proceedings initiated against the defaulters for a period of one year;

In view of the aforesaid discussion, the petition is disposed of.

The pending application(s), if any, also stand disposed. The notices issued to respondents No. 1 to 3 stand discharged. No costs.

(Rajiv Sharma), J.

**Inspection Report of the Committee Constituted vide Government of Himachal Pradesh
Department of Forest Notification No. FFE-B-F-(3)-31/2012 dated 24-10-2013 in respect of
Link road to village Bhogpur Simbalwala on dated 2-11-2015.**

1. **Name of Circle/Distt./Division/Tehsil/Range**
Nahan/Sirmour/Nahan/Nahan/Trilokpur.
2. **Name of road including Kms. From - to-**
Link road to Bhogpur Simbalwala Km.0/0 to 3/440 kms.
3. **Total length of road passing through the Forest area and Private area**
Total length of the road passing through forest area is 0.545 Kms. and 2.895 kms through private area.
4. **Length of the road for which forest land has already been broken/constructed**
Total length of road is 3.440Kms & length of road in broken forest land is 0.545 kms.
5. **Length of the road and extent (in hac,) passing through forests**
Length of road = 0.545 Kms. Extent = 3270 Sq. mtrs or 0.327 Hectares.
6. **Date of starting the work**
The work was started during year 1977 as foot path track by the Gram Panchayat.
7. **Name of organization which constructed the road**
The road construction was initially started by the Gram Panchayat in year 1990 probably in a length of nearly 200 mtrs & later its formation construction was completed by the HPPWD during the year 2001 - 2002.
8. **For completing the work, whether there is need to use additional forest area or alignment can be changed without further use of forest land**
There is no need for additional forest land as road formation construction work has already been completed..
9. **If not, total length of the road and forest area required for completing the work (including the forest area used and to be used)**
Total length of road = 3.440Kms.
Total length of road passing through forest = 0.545 Kms
Forest Area utilized= 0.327 Hectare. Additional Forest area required= Nil.
10. **Details of damages caused to bio-diversity including number of trees felled other than breaking the earth (which is already covered under point 5 above)**
As per record available no damages are reported to bio-diversity including trees.

X-yyf
21/12

11. Details of soil conservation/engineering works necessary on the upper and lower sides of the road for its strengthening and avoiding landslides

No specific protection work is required on the road for avoiding landslides.

12. Estimated expenditure for carrying out these engineering works

a). Nil.

BAR CHART SHOWING THE FOREST LAND

13. Recommendations of the Committee (should include length in Kms, extent of forest land additionally required for completing the work, expenditure to be included on engineering/vegetative works necessary for stabilizing the soil/boulders on upper and lower sides of the road. etc.)

Total length of road is 3.440Kms. and out of this 0.545 Km. passes through forest land.

No additional land is required for further construction work beside 0.327 hectare of forest land which has already been utilized.

The total cost of DPR is yet to be worked out which shall be evaluated after necessary sanction of forest land diversion case.

IN THE HIGH COURT OF HIMACHAL PRADESH AT SHIMLA

CWPIL No. 91 of 2017

Decided on: November 16, 2017

Court on its own motion

Petitioner

Versus

State of Himachal Pradesh and others

Respondents

Coram

Hon'ble Mr. Justice Sanjay Karol, Acting Chief Justice

Hon'ble Mr. Justice Sandeep Sharma, Judge

Whether approved for reporting? Yes.

For the petitioner : Ms. Rashmi Parmar, Advocate (*Amicus Curiae*)

For the respondents : Mr. Shrawan Dogra, Advocate General with Mr. Anup Rattan and Mr. Romesh Verma, Additional Advocate Generals.

Sandeep Sharma, Judge (oral):

Taking cognizance of letter addressed to the Chief Justice of this Court, wherein person namely Shri Anant Ram Negi, resident of Village Halaila, Post Office Kotkhair, District Shimla, Himachal Pradesh, highlighted a serious issue with regard to illegal felling of trees by various private persons as well as administration for construction of roads through forest land, this Court directed Registry of this Court to register the instant petition as Public Interest Litigation (CWPIL). In the letter petition, petitioner alleged that many disgruntled persons residing in Himri Panchayat, Tehsil Kotkhair, District Shimla have indulged in illegal felling of trees for the construction of roads to their respective houses. Though the letter petitioner specifically raised issue with regard to construction of road

¹ Whether the reporters of the local papers may be allowed to see the judgment? .

from Village Tharmala to Bertu via Village Guthan but also expressed his concern with regard to unauthorized construction of roads in the State of Himachal Pradesh, through forest land in violation of the Forest Conservation Act. Petitioner has alleged that since the officials of Forest Department are hands in glove with the forest mafia, no steps are being taken to stop/check illegal felling of trees, as a result of which, forest wealth is decreasing day by day. Apart from above, petitioner also highlighted the issue with regard to raising of orchards by private persons on the forest land in and around Shimla District.

2. Apart from above, this Court also received one letter in continuation to aforesaid letter petition, wherein, it is alleged that one person namely Keshav Ram Dogra, constructed road to his orchard by felling trees standing on forest land. Though letter petitioner by way of petition referred to herein above, alleged that more than four hundred roads have been constructed through forest land in District Shimla, after felling approximately 4000 deodar trees but no material has been placed on record to substantiate the aforesaid allegation.

3. This Court, taking note of the aforesaid serious allegations contained in the letter petition, directed the learned Additional Advocate General appearing on behalf of the State to have instructions in the matter. The Principal Chief Conservator of Forests, while filing reply on behalf of the State, denied aforesaid allegations levelled in the letter petition and claimed that the roads in the State of Himachal Pradesh and in District Shimla are being constructed after obtaining approval under Forest Conservation Act, 1980. It is further

disclosed in the affidavit that roads involving upto one hectare area are also being constructed after getting due sanction under Forest Rights Act, 2006, from the Divisional Forest Officer concerned. Above named deponent, specifically denied the allegation with respect to construction of 05 kms of road by forest mafia in the recent past, rather, it has been stated in the affidavit that Divisional Forest Officer Theog has accorded approval of 32 roads comprising of area measuring 16.1091 hectares under Forest Rights Act, from January, 2016 to 30.6.2017, under his jurisdiction. While refuting the contention of the letter petitioner that forest cover in the State of Himachal Pradesh is decreasing, Principal Chief Conservator of Forests has stated in his affidavit that there is an increase of 13 sq metres of forest cover in the State of Himachal Pradesh as per Forest Survey of India report, 2015. While dealing with specific instances as quoted in the letter petition with regard to Tharmala-Bertu and Guthan-Bohal roads, falling in Himri Panchayat of Kotkhai Tehsil, it has been informed by the State that necessary directions were issued to the Range Forest Officers, Kotkhai and Theog to visit the spot and submit a fact finding report. Aforesaid officer after having visited the spot, has reported that roads mentioned herein above were constructed about five years back and their length is only 2 kms and same figure in the list of cases registered for construction of roads in violation of Forest Conservation Act at Sr. No. 245.(Annexure R-I).

4. Similarly, the Range Forest Officer, Kotkhai after having inspected the spot alongwith Block Officer, Shillaru, Forest Guard Incharge of Sharmila Beat and Forest Guard Shillaru Beat, reported

that 480 metres long road has been constructed from Tharmala to Bertu in DPF Solku of Sharmala Beat. He has further reported that the road in question appears to have been constructed ten years ago. As per report submitted by Range Forest Officer, Kotkhai, person namely Keshav Ram manually widened the path by 2 feet making it motorable, qua which Range Forest Officer, Kotkhai chalked out damage report No. 10/17-18 dated 23.8.2017, against Shri Keshav Ram for the alleged offence committed by him and same shall be disposed of as per departmental procedure. As per reply submitted by the respondent-State, road in question has been fenced on both sides by the State and Deodar trees have been planted, as is evident from the photographs placed on record as Annexure R-IV.

5. Most importantly, perusal of annexure R-III suggests that Range Forest Officer, Kotkhai also contacted the letter petitioner namely Shri Anant Ram Negi on his cell phone, who in turn informed the concerned officer that this is a false complaint made in his name and he has nothing to do with these roads. Similarly, inquiry with regard to construction of Tharmala-Bertu road has been entrusted to Divisional Forest Officer, Theog.

6. Though, this court after having perused aforesaid reply filed by the respondent-State sees no reason to issue further directions in the matter, especially when complaint allegedly having been filed by Shri Anant Ram Negi has not been actually filed by the letter petitioner, as is stated by him to Range Forest Officer, Kotkhai, but this Court after perusing the documents placed on record by the Principal Chief Conservator of Forests, annexure R-I, sees substantial

force in the averments contained in the letter petition that roads are being constructed in the State of Himachal Pradesh in violation of Forest Conservation Act. As per own calculation of the Forest Department, approximately 2183 roads have been constructed in the State of Himachal Pradesh in violation of the Forest Conservation Act, which is a large number and can not be overlooked. It also emerges from the perusal of documents placed on record by the Forest Department that the matter with regard to construction of roads in the State of Himachal Pradesh in violation of Forest Conservation Act had come to the notice of this Court, in CWP No. 5600 of 2012 titled as **Manoj Kumar** versus **Union of India & others** and connected matters and COPC No. 56 of 2009 titled as **Kuldeep Singh Chauhan** versus **Balbir Thakur and others**, wherein, directions were issued to the State of Himachal Pradesh as well as Ministry of Environment and Forests, Government of India, for inspection of such roads by Committees and thereafter to report the matter to the Northern Regional Officer, Ministry of Environment and Forests, Chandigarh, for consideration of proposal for approval.

7. Though this Court, after having perused specific reply qua the roads allegedly constructed by private persons or authorities in violation of Forest Conservation Act, sees no reason to keep this petition alive, but, definitely, this Court can not lose sight of the fact that thousands of roads have been constructed in the State of Himachal Pradesh, in violation of Forest Conservation Act as such, this Court deems it proper to call for a detailed report from the respondent-State with regard to steps taken by the Forest Department for obtaining approval from the Ministry of Environment

and Forests, Government of India, pursuant to directions issued by this Court in CWP No. 5600 of 2012 (supra) and COPC No. 56 of 2009 (supra).

8. Before issuing necessary directions in light of the discussion made herein above, it may be noticed that the issue with regard to encroachment on forest land by private persons in District Shimla for raising orchards is already pending adjudication before this Court in CWPIL No. 9 of 2015 and CWPIL No. 17 of 2014, as such, no directions in that regard are required to be issued in the present petition.

9. Consequently, in view of discussion made herein above, present petition is disposed of with a direction to the Chief Secretary to the Government of Himachal Pradesh to file his personal affidavit, detailing therein number and names of roads constructed in the State of Himachal Pradesh, in violation of Forest Conservation Act. Chief Secretary may also indicate in his affidavit that what steps have been taken by the State for getting necessary permission from the Ministry of Environment and Forests, Government of India, for regularization of roads constructed in violation of Forest Conservation Act. Needful be done within a period of two weeks from today.

10. Aforesaid affidavit filed by the Chief Secretary to the Government of Himachal Pradesh in compliance to the instant judgment shall be placed before this Court.

(Sanjay Karol)
Acting Chief Justice

FORM-I
(for linear projects)
Govt. of H.P.

OFFICE OF THE DISTRICT COLLECTOR, DISTT. SIRMAUR AT NAHAN, H.P.

No.....

Dated. 5.11.2015

TO WHOSOEVER IT MAY CONCERN

In the compliance of the Ministry of Environment and Forests (MoEF), Government of India's letter No. 11-9/98-FC (pt.) dated 3rd August 2009 wherein the MoEF issued guidelines on submission of evidences for having initiated and completed the process of settlement of rights under the Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006 ('FRA', for short) on the forest land proposed to be diverted for non-forest purposes read with MoEF's letter dated 5th February 2013 wherein MoEF issued certain relaxation in respect of linear projects, it is certified that 0/0 to 4/000 kms. area of forest land proposed to be diverted in favour of Executive Engineer, B&R Division HP.PWD., Nahan, District Sirmaur for C/o Link Road Bhogpur-Simbalwala RD 0/0 to 4/000 kms. diversion of land comprised in Khasra No. Bila Paimud, village Bhogpur-Simbalwara, G.P. Palion, Tehsil Nahan, Sub Division Nanan.

It is further certified that:

- the complete process for identification and settlement of rights under the FRA has been carried out for the entire 0/0 to 4/000 kms. forest area proposed for diversion. A copy of records of all consultations and meetings of the Forest Rights Committee(s), Gram Sabha(s)/FRC(s), Sub-Division Level Committee(s) and the District Level Committee are enclosed as annexure- A, B and C.
- the diversion of forest land for facilities managed by the Government as required under section 3 (2) of the FRA have been completed and the Gram Sabhas/FRCs have given their consent to it;
- the proposal does not involve recognized rights of Primitive Tribal Groups and Pre-agricultural communities.

Proceedings of the meeting of Sub-Divisional Level Committee established under Rule 7(c) of the Scheduled Tribes & Other Traditional Forest Dwellers (Recognition of Forest Rights Rules, 2006) held under the Chairmanship of Sub-Divisional Officer (Civil), Nahan on 24-08-2015 in connection with construction of various Link Roads in Sub-Division, Nahan.

The following official and non-official members attended the meeting of Sub-Divisional Level Committee, established under Rule 7(c) of the Scheduled Tribes & Other Traditional Forest Dwellers (Recognition of Forest Rights Rules, 2006), held on 24-08-2015 under the Chairmanship of the undersigned for the construction of certain link roads:-

OFFICIAL MEMBERS

1. Sh.R.D, Harnot, Tehsildar, Nahan
2. Sh. Nishant Mandhotra, Divisional Forest Officer, Nahan

NON-OFFICIAL MEMBERS

3. Smt. Anita Devi, B.D.C. Member
4. Sh. Babu Ram, B.D.C. Member
5. Sh. Rakesh Kumar, B.D.C. Member.

PROCEEDINGS

The meeting started with the welcome address by the Chairman. The Chairman apprised the members of the committee that the proposals have been received for the diversion of land for the construction of following Link Roads:-

S.No.	Name of scheme	Village	No. Khasra	Area	Gram-Panchayat
1.	C/O Link Road Khajurana to Malonwala	Khajurana, Malonwala	बिला पैमूद	0/0 to 3/000 Kmts.	Bankala
2.	C/O Link road Shambuwala to Koon-Neharla	Shambuwala, Koon, Neharla	-do-	7/040 Kmts.	-do-
3.	C/O Link road Thana-Kasoga to Tirmali-Diar	Thana-kasoga, Tirmali-diar	-do-	0/00 to 15/200 Kmts.	Thana-Kasoga, Birta
4.	C/O Link Road Trilokpur to Tedibaroti	Trilokpur, Tedibaroti	-do-	0/0 to 2/570 Kmts	Trilokpur
5	C/O Petrol Pump Shikki-	Shilli-sanari	397/238	3-12 Bighas	Banethi

363

	Sanari				
6.	C/o Link Raod Kaulanwala- Bhood to Neemwali	Kaulanwala-bhood Neemwali	बिला पैमूद	0/0 to 3/500 Kmts	Palion, K.W. Bhood
7.	C/o Link Raod Bhogpur- Simbalwala	Bhogpur- simbalwala	-do-	0/0 to 4/000 Kmts.	Palion
8.	C/o Link Raod Kathana-pathar Dhandoli to Junjar Johari Road	Kathana- pathar, Dhandoli, Junjar Johari	-do-	-----	Banethi

After receiving the proposals from the executing agency i.e. XEN, PWD and duly forwarded by the Deputy Commissioner, Sirmaur, the proposals were sent to respective FRC's and Gram Panchayats through B.D.O. and all the certificates are received back from the FRC's and Panchayats duly recommending the proposals and hence no claims have been lodged and received. The details of the resolutions of the concerned Gram Panchayats are as under:-

Sl. No.	Name of Panchayat	Resolution No.	Date
1.	Bankala	16 & 5	8.12.2014 & 4.8.2015
2.	Thana-Kasoga	8	10.8.2015
3.	Birla	5	5.8.2015
4.	Trilokpur	6	5.1.2014
5.	Banethi	5	10.8.2015
6.	Kaulanwala-Bhood	8	4.8.2015
7.	Palion	4	10.8.2015
8.	Banethi	1	10.2.2015

During the course of discussions in the meeting it has been revealed that no claim and objection has been raised by any one despite publication of notices and providing reasonable opportunity. Therefore it has been observed that no right of Scheduled Tribe and other Traditional Forest Dwellers or right holders are affected adversely by such conversions under F.C.A., 1980. Hence the committee recommends and forwards the case of conversions of Forest land, if any for the construction of abovementioned proposed link roads to issue certificate under the Scheduled Tribes & Other Traditional Forest Dwellers (Recognition of Forest Rights Rules, 2006) to the user department under the Forest Conservation Act, 1980.

The meeting ended with vote of thanks.
