

I/302761/2023

No.....  
H.P. Forest Department,

Dated Rampur, the /.....

From: -CCF Rampur.

To: Nodal Officer-cum-APCCF(FCA)  
O/o Pr. CCF (HoFF)HP

**Subject:- Diversion of 0.4050 hac. of Forest land in favour of HRTC for the C/o Bus Stand at Luhri within the jurisdiction of Ani Forest Division .**

**Memo:**

Kindly refer to IRO MoEF letter No. 8B-HP/09/46/2021/FC-503 dated 30.09.2022 on the subject cited above.

The point wise reply of the observations as raised by IRO Shimla is furnished as under:-

| Sr.No | Observations                                                                                                                                                                                                                                                                            | Reply                                                                                                                                                                                                  |
|-------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1     | In layout Plan/Site plan only entry is marked. However, in KML file proposed road is extended beyond bus stand area. Therefore, same may be reviewed to each other may be submitted.                                                                                                    | Revised layout plan has been uploaded in the e-PARIVESH portal Part-I as additional information at Sr. No. 14 by the User agency. The proposed road has been marked in the revised layout plan.        |
| 2     | In reply to observation No. 4 revised KML File has been submitted. However, neither alternates explored nor beneficiary villages are marked in KML File. Therefore, same may be marked I the KML File.                                                                                  | The alternates have been explored and also marked in the revised KML file along with beneficiary villages. The revised KML file has been uploaded in the e-PARIVESH portal Part-I Column No. C (a)(1). |
| 3     | In online Part-II Para 4(ii), 37 saplings and 3 trees are mentioned, however in abstract of trees 16 trees and 40 sapling are mentioned. This variation in vegetation present in the area may be reviewed and correction in respective document/Part-II, Para 4(ii) may be carried out. | In the present proposal 40 Nos of trees area involved and accordingly correction in the abstract of trees uploaded as additional information under Sr. 2 of Part-II has been made.                     |
| 4     | As per revenue record (Tatima)' a transformer of HP State Electricity Board Ltd. is established in the diversion area. Therefore, NOC from HSEB Ltd. may be provided.                                                                                                                   | NOC form HPSEBL has been uploaded in the portal as additional information under Sr. No. 13 of Part-I by the User agency.                                                                               |
| 5     | Since, the proposed diversion area is adjacent to existing highways/HPPWD road. Therefore, NOC from HPPWD/NHAI may be provided.                                                                                                                                                         | NOC form HPPWD has been uploaded in the portal as additional information under Sr. No. 16 of the Part-I by the User agency.                                                                            |

|   |                                                                                                                                                                                                                                                                                                                         |                                                                                                                                                                                                                                                                                                                                                                          |
|---|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 6 | In Part-II Para-4 density of vegetation is mentioned as 0.4 (Dense Forest), however NPV has been calculated with open forest category. Therefore, same may be reviewed and revised NPV calculation sheet/bill with dense forest category and revised NPV rates as per Ministry's order No. 07.01.2022 may be submitted. | After making calculation of NPV the density of forest is calculated as 0.136% and bill of NPV has been revised accordingly as per latest rates conveyed by Ministry's order No. 07.01.2022. The revised bill of NPV has been uploaded as additional information under column No. 9 of Part-II. The Necessary correction has also made in column No. 3 of Online Part-II. |
| 7 | The length and width document uploaded in portal is not in downloadable form. Therefore, same may be uploaded in downloadable form.                                                                                                                                                                                     | Revised length & width certificate has been uploaded in the portal as additional information under Sr. No. 20 of Part-I by the User agency.                                                                                                                                                                                                                              |

Chief Conservator of Forests
