

Reliance Jio
Infocomm Limited

No: FP/UK/Others/33644/2018

Date: 16/02/2019

To,

The Conservator Forest
Barkot Division
Uttarakhand Circle

Dear Sir,

Please refer online application no. FP/UK/Others/33644/2018 for permission to laying Optical fibre at Hill side on NH-507 A (Marod Dobata Bend) Barkot 59Kms to 110Kms, NH-134 (Old NH-94) Dobata bend Barkot - Janki Chatti (Yamunotri) 55kms to 101kms/0.97 Ha under forest Division Barkot, District Uttarkashi (Uttarakhand).

A: We have applied for Forest approval under Linear projects for laying of OFC in existing ROW widths allotted to Road authorities - for a lease period of 30 years where no tree felling or cutting is involved.

B: We have already applied and taken permission from PWD for road cutting and backfilling for the said laying of 4G OFC along hillsides on the National and State highways. Permissions enclosed.

C: Reliance Jio Infocomm is licensed to provide 4G network and mobile connectivity throughout the country. Unified license.

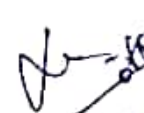

We are submitting the hard copy of said file to DFO office for your kind consideration, signing and further action.

Hoping for a kind favorable consideration

Thanks and regards,

Deepak Pal Singh
