No.FCA/

Dated Kullu, the: **As mentioned in the E-signature**

From: DFO, Kullu.

To: CF (T), Kullu.

**Subject:** **Diversion of 0.4476 ha. (instead of 0.5959 ha.) of forest land in favour of M/s Pharari Power Pvt. Ltd. H.No.99, Ward No.8, Dhalpur, Kullu for the construction of Pharari SHEP (2.0 MW) within the jurisdiction of Kullu Forest Division, District Kullu, HP. (No.FP/HP/HYD/41259/2019).**

Memo:

Kindly refer to online EDS dated 18.11.2025 received through Parivesh 1.0 portal from your office on the above cited subject,

2. The point-wise reply to the EDS dated 18.11.2025 is furnished under:-

S.N	EDS	Reply
1.	In response to the observation No. 1 & 2 area has been revised but same may be reviewed as per the total area in Part-I and Part-II.	In this regard, the revised proposal folder has been uploaded by the U/A at Sr. No.32 against additional information of Part-I
2.	The reply of observation No. 7 is still not accepted, as proposed area is part of protection Working circle, hence, observation may be reviewed and replied accordingly.	The proposed area is DPF (2/40 Majhlaban & 2/41 Peting) and UPF (Baragarh-III). The DPF area falls under FIR Working Circle and accordingly necessary correction has been made in Part-II. Further, copy of Working Plan has been uploaded against additional information of Part-II.
3.	The Govt. of India has asked for preparation of plantation scheme for 895 trees but scheme as uploaded against the appropriate column is not prepared as per direction.	CA Scheme for 895 plants has been prepared and same has been uploaded against column No.13 (ii) of Part-II.
4.	The reply of observation No. 14 and its sub point has not been addressed as not such documents found uploaded in online portal. The point wise reply is required to be uploaded online portal and reverent documents are required to be uploaded separately. i) List of approved/existing /proposed projects in the river/rivulet basin/landscape. ii) KML/SoI/Digital maps and their distances from PAs/ESZs.	The point-wise reply of observation No.14 is given below: i. List of approved/existing /proposed projects in the river/rivulet basin/landscape has been uploaded at Sr. No.42 against addl. information of Part-I. ii. The KML file of the approved/existing /proposed projects and their distances from PAs/ESZs has been sent through e-mail <a href="mailto:kulluforestdivision@gmail.com">kulluforestdivision@gmail.com</a> on dated 15.01.2026. Further, SoI and

S.N	EDS	Reply
.	<p>iii) Approved capacity of the river/rivulet alongwith evacuation/transmission plan.</p> <p>iv) Progressive detail/ status of area treated and funds utilized under comprehensive CAT Plan for Beas river basin, if applicable.</p> <p>v) Detailed comments on the holistic assessment and the impact of the proposed project on wildlife and nearby PAs in the landscape may be provided.</p>	<p>digital maps have been uploaded at Sr. No. 42 against addl. information of Part-I.</p> <p>iii. Approved capacity of the river/rivulet and evacuation/transmission plan has been uploaded at Sr. No.28 &amp; 40 respectively against addl. information of Part-I.</p> <p>iv. The approved capacity of the project is 2.0 MW which is &lt; 10 MW, therefore, CAT Plan is not applicable in this project.</p> <p>v. Detailed comments on the holistic assessment has been uploaded at Sr. No. 44 against addl. information of Part-I.</p>
5.	In reply to point No.16 of Govt. of India, the density as mentioned in NPV bill is still not matching with the density mentioned in online Part-II.	Necessary correction has been made against column No.4(i) of Part-II.
