I submit to state that the short comings pointed out and the justifications called for by the Principal Chief Conservator of Forests in reference 1<sup>st</sup> cited above are furnished as follows:

#### **Justification:**

(i) Protection from both biotic & abiotic factors is very much needed in the initial years of plantation for good growth and establishment of trees. Thus engagement of one protection mazdoor for 3 years period has been proposed for protection from anthropogenic activities, grazing and fire in addition to chain link fence which gives protection against cattle and wildlife browsing only.

(ii) From the 3<sup>rd</sup> year maintenance to 10<sup>th</sup> year maintenance period, cost estimate arrived for the amount proposed in the abstract of CA scheme is furnished.

(iii) The work cost estimate for chain link fencing work based on 2021-2022 years rate is prepared and furnished.

The Compensatory Afforestation cost has again reviewed with reference to the instructions issued by the Conservator of Forests, Dharmapuri Circle in the reference 4<sup>th</sup> cited above. Accordingly the Compensatory Afforestation in Non Forest land Over an extent of 10.00Ha comes to Rs.1,10,80,500.00 and the Compensatory Afforestation cost in degraded Forest land Over an extent of 5.00Ha comes to Rs.47,59.500.00

As regards to Chain link fencing the PWD SSR of 2018-2019 was previously adopted , now it has been estimated with reference to 2021-2022 PWD SSR and the total estimate cost works out Rs.6,570,000 ( For Both Non Forest land and Degraded Forest Land)

Since the Degraded Forest land is manage by this Forest Division through the Front line staffs, Hence the Engagement of protection mazdoor has been discontinued from previous original proposal.

Under the Circumstances I request that revised Compensatory Afforestation proposal for 10.00Ha in Non Forest land and 5.00Ha in Degraded Forest land may kindly be considered and Accepted.

Yours faithfully

Sd/-K.V. Appala Naidu  
District Forest Officer,  
Dharmapuri Forest Division,  
Dharmapuri.
