Sr. No.	EDS	Reply
1.	In reply to S.No 1 -REPLY NOT ACCEPTED-State Govt. need to provide its comment on whether the instant proposal is part of CIA & CCS study of the Beas Basin (within the total capacity) along with a recommendation of the proposed SHEP	<p>User Agency has submitted that as per the information received from Directorate of Energy, HP, the Power Potential of the Beas river as per Cumulative Impact Assessment & Carrying Capacity Study has not been carried out for the hydro projects less than 5.0 MW. The necessary clarification in this regard is attached at Sr. No.53 against additional information of Part-I.</p> <p>Since, the approved capacity of the proposed SHEP is 2.0 MW and CIA &CSS study of Beas basin for projects less than 5.0 MW has not been carried out, therefore, instant proposal is not a part of the same. Further, the proposal has already been recommended in Part-II.</p>

This is submitted for favour of kind information and further necessary action please.
