Date 20-03-2025

To,

The Additional Chief Secretary to Government,
Forest, Environment and Ecology Department,
M.S. Building, Bengaluru - 560 001.

Sir,

Sub: Diversion of 8.803 hectare of forest land in Arga Village F.Sy No. 52A, Bada Hobli, Karwar Taluk, Uttara Kannada District (Karwar Forest Division) for establishing Stone Quarry and its Approach Road, Dumping yard in favour of M/s Shivaprasad Industries, Kodibag, Karwar, Uttara Kannada District.

Proposal No. FP/KA/QRY/31539/2018 [FORM A]

- Ref:**
1. This office letter of even number dated 31-01-2022 [seeking Stage-I approval], 01-06-2022 [communication of EDS query to field officers and user agency] 08-08-2022 [seeking additional information]
 2. Government of Karnataka letter No. FEE 10 FFM 2022 (e) dated 18-04-2022 [seeking Stage-I approval] 13-05-2022[Communication of GOI EDS query]
 3. Government of India, Ministry of Environment, Forests & Climate Change, New Delhi letter F.No. 4-KRB1352/2022-BAN/166 dated 03-05-2022[EDS query]
 4. Deputy Director, Dept of Mines & Geology, Kavar letter No. UKD/DMG/Building Stone Lease/2022-23/1037 dated 29-08-2022.
 5. Deputy Conservator of Forests, Karwar Division letter No. B4/GFL/FCA/CR-12/2019-20 dated 15-01-2025 [reply submitted to CF Kanara].
 6. Conservator of Forests, Kanara Circle letter No. B2/GFL/Quarry/CR-17/2021-22 dated 22-01-2025 [reply submitted to this office] and 10-02-2025 [online link sent to Nodal officer]

With reference to the above subject, this office vide ref (1) had submitted the proposal to Government of Karnataka seeking 'in-principle' (Stage-I) approval under Section 2 of Forest (Conservation) Act, 1980. The Government of Karnataka vide ref (2) dated 18-04-2022 had forwarded the proposal to Government of India.

In response, the Government of India vide ref (3) has sought certain information on seven specific points, Government of Karnataka vide ref (2) dated 13-05-2022 had

communicated the same to this office which has been further communicated by this office vide ref (1) dated 01-06-2022 to the user agency and field officers.

The Deputy Conservator of Forests, Karwar vide ref (4) letter dated 15-05-2022 has submitted the information to Conservator of Forests, Kanara Circle who, after verification, vide ref (5) letter dated 21-05-2022 has submitted it to this office.

The same has been examined by this office and found incomplete. Hence this office vide Ref (1) letter dated 08-08-2022 has directed to Field officers and User Agency for submit complete information with letter of intent from competent authority under the MMRD Act and Rules.

In response, Deputy Conservator of Forests, Karwar vide ref (4) letter dated 15-01-2025 has submitted the information to Conservator of Forests, Kanara Circle who, after verification, vide ref (5) letter dated 10-02-2025 has submitted it to this office.

Based on the reports obtained from the Field officers, the present status of compliance *in respect of conditions of Stage-I approval* is as follows.

	Justification for opening new quarry as per para 7.8 of the Handbook of Forest (Conservation) Act, 1980.	In Arga forest Sy. No. 52A1A, 0.494 ha was diverted for stone quarry of M/s. Ramshree Construction Company, Kodibag, Karwar. as per Stage-II order of GOI No:4-KRB-754/2010-BAN/1531 dated 13-7-2012 and GOK No: FEE-160-FFM-2010 dated:13-8-2021. - There was a re-diversion of 0.051 ha for the expansion of NH-66(17) in Goa-Karnataka Border-Kundapur section as per GOI order No:F.No.4-KRA-973/2013-BAN/ 698 dtd: 07-10-2020 and GOK order No:APJ/37/FLL/2020 date:7-11-2020 Because of re-diversion of forest land to NH-66(17) there is issue of safe distance from National Highway which may lead to closure of quarry. Even though there is a lease period, Also the safe zone prevents the quarrying. - There is a huge demand of stone quarry material for various developmental projects in the coastal areas especially in Karwar and Ankola taluk. The extent of private land holding is very less and the district has almost 80% of the geographical area under forest. There is no government land and or private land for quarrying purpose. There is a need for stones/boulders for various Government project as well as other developmental projects. - Therefore, proposal for opening new quarry is submitted.
2	The Compensatory Afforestation Scheme uploaded on the Parivesh Web Portal is not visible. Therefore, proper Compensatory Afforestation scheme may be furnished and the same may be uploaded in the PARIVESH web portal.	The proper CA scheme is furnished and uploaded in the WWW.Parivesh.nic.in web portal. The copy of the same is enclosed as [ANNEXURE I].
3	Clear map depicting various components of quarry for proposed diversion may be furnished.	Clear map depicting various components of quarry for proposed diversion is enclosed as [ANNEXURE II].
4	As per the components wise break up of land furnished in FORM A for the proposed quarry, crushing unit and road to an extent of 0.455 ha is mentioned as non-forest land. however, said components	As per the components wise break up of land furnished in FORM A for the proposed quarry, crushing unit and road to an extent of 0.455 ha is mentioned as non-forest land. The record of Right of the said land i.e Sy No.52A2, 52A3, 52B is enclosed as [ANNEXURE III].

As per the High-level working group (HLWG) report dated 31st July 2024 mentioned that the “Arga” village does not comes under the Eco sensitive area. (The Gazette of the Government of India along with map is attached as **ANNEXURE-V**). Hence, suitable for quarrying.

Further, the Deputy Director, Dept of Mines & Geology, Karwar vide ref (4) has submitted the report and recommended to establish stone quarry as the area has good resource of building stone, and it is suitable for building construction and other construction work. if the forest land is diverted to the applicant as per Forest (Conservation) Act for quarry purpose, then the District Task force committee will grant a quarry lease to M/s Shivaprasad Industries.

The user agency has stated that, as per the directions of Department of Mines and Geology which mentioned that under Karnataka Sub Mine Concessions Rule 1994 Amendment 2023, Rule 31ZC says that the name of the applicant for the Quarry and the Crusher (Form ‘C’) should be one and the same. As we already have been granted crusher license under Form ‘C’ No: 23/DMG/UKD/CL/2020-21/1374 dated:18-12-2020 in the name of M/s. Shivaprasad Industries. Hence as per the requirements of Department of Mines and Geology, we submitted the proposal through proper channel for the change in applicant name for this quarry from M/s. Ramshree Construction Company to M/s. Shivaprasad Industries as owners of M/s. Ramshree Construction Company and M/s. Shivaprasad Industries are one and the same and we have been intimated by the concerned authority that, the name of the applicant for diversion of 8.80388 ha. forest land in F.Sy. No. 52A1A of Arga Village, Baad Hobli, Karwar Taluk, Uttar Kannada District for establishing stone quarry, dumping yards has been changed from M/s. Ramshree Construction Company to M/s. Shivaprasad Industries and as per the guidelines of the Mines and Geology the sketch has been revised and total area remains same.

The above proposed area has been inspected by Deputy Conservator of Forests, Karwar on 30-07-2024 along with field officers, as per proposed quarry map and approved quarry plan map in little variations. But overall area is same. In this regard the User Agency has stated that, as per the guidelines of the Mines and Geology the sketch has been revised and total area remains same. It will be accreted while complying the Stage-I Approval Conditions.

In view of the above circumstances, it is requested to move the matter with the Government of India, Ministry of Environment, Forests & Climate Change, Integrated Regional Office, Bengaluru for seeking (Stage-I) approval under Van (Sanrakshan Evam Samvardhan) Adhiniyam, 1980 and Van (Sanrakshan Evam Samvardhan) Rules, 2023.

The relevant documents in 3 sets are submitted here with for kind perusal and further action.

Yours faithfully

- 4) Deputy Conservator of Forests, Karwar Division, Karwar letter No: B4/GFL/CR-12/2019-20/2025 dated:15-01-2025
- 5) M/s. Shivaprasad Industries, Kodibag, Karwar's letter No: SI/KWR/CF/ 2024-25/105 dated: 05-07-2024
- 6) Range Forest Officer Karwar's letter No: RFO/Ka/Diversion/2024-25 dtd: 25-7-2024 through Assistant Conservator of Forests, Karwar Sub-division, Karwar's letter No:C3/ACF/Bhoomi/QRY/FCA/CR- /2024-25/220 dated:26-07-2024

With reference to the above, as per the directions of Ministry of Environment, forest & Climate Change, Regional Office, Bengaluru, Govt. of India, cited at reference (1) the information/ clarification has been submitted vide this office letter dated: 21-05-2022 cited at reference (3).

As per Principal Chief Conservator of Forests (Forest Conservation) and Nodal Officer (FCA), Bangalore's direction dated: 17-12-2022 cited at reference (2), the User Agency has submitted the quarry plan from Sree Kumary G., #481, Sri. Vainatheya Kruppa, 8th Main Road, Doddabommasandra, Vidyaranyapura, Bengaluru authorized person from the competent authority i.e. Director, Department of Mines and Geology, Bengaluru vide letter cited at reference (5). Accordingly again the clarification/information along with approved quarry plan is submitted as under for onward submission to Govt. of India through proper channel.

1	Justification for opening new quarry as per para 7.8 of the Handbook of Forest (Conservation) Act, 1980:	In Arga Village forest Sy. No. 52A1A, 0.494ha was diverted for stone quarry for M/s. Ramshree Construction Company, Kodibag, Karwar as per Stage-II order of GOI No:4-KRB-754/ 2010-BAN/1531 dated:13-7-2012 and GOK No:FEE-160-FFM-2010 dated:13-8-2021. There was a re-diversion of 0.051 ha for the expansion of NH-66(17) in Goa-Karnataka Border-Kundapur section as per GOI order No:F.No.4-KRA-973/2013-BAN/ 698 dtd: 07-10-2020 and GOK order No:APJ/37/FLL/2020 dated: 7-11-2020. Because of re-diversion of forest land to NH-66(17) there is issue of safe distance from National Highway which may lead to closure of quarry. Even though there is a lease period, Also the safe zone prevents the quarrying. Also there is a huge demand of stone quarry material for various developmental projects in the coastal areas especially in Karwar and Ankola taluk. The extent of private land holding is very less and the District includes almost 80% of the geographical area under forest. There is no Government land and /or of private land for quarry purpose. Karwar city is enclosed with Arabian sea in the west side and reserve forest all around. There is a need for stones/boulders for various Government project as well as other developmental projects. Therefore proposal for opening new quarry is submitted. The compliance to the conditions of previous approval is enclosed.
2	The CA scheme uploaded on the Parivesh Web portal is not visible. Therefore, proper CA scheme may be furnished and the same may be uploaded in the	The proper CA scheme is already furnished and uploaded in the PARIVESH web portal. Copy of the same is enclosed.

	PARIVESH web portal.	
3	Clear map depicting various components of quarry for proposed diversion may be furnished.	Clear map depicting various components of quarry for proposed diversion is already furnished. Copy enclosed.
4	As per the components wise break up of land furnished in FORM A for the proposed quarry, crushing unit and road to an extent of 0.455 ha. is mentioned as non forest land. however, said components appears to the inside the forest land. therefore, legal status of land required for crushing unit may be furnished.	As per the component-wise break up of land furnished in FORM-A for the proposed quarry, crushing unit and road to an extent of 0.455 ha. is mentioned as non forest land. The record of Right of the said land i.e Sy. No.52A2, 52A3, 52B is enclosed. The partly dumping yard which is in the list of before 1978 encroachment list, which has been communicated to the Government for regularisation. That portion is also included in the present proposal.
5	As per the KML file/Google image of CA land the area proposed CA appears to have thick vegetation it is, therefore, requested to clarify whether 1000 plants per ha. can be planted in the identified non forest land for raising.CA.	The area proposed CA appears to have vegetation. This private land was abandoned due to crop raiding by wild animals. The area is just adjacent to forest land and forms contiguous patch of forest. It will help in consolidation of forest and also good habitat for wildlife. It is, therefore, proposed for raising of 400 plants per ha in the identified non forest land.
6	Quarry plan approved from the competent authority.	The User Agency has submitted the quarry plan from Sree Kumary G., #481, Sri.Vainatheya Kruppa, 8 th Main Road, Doddabommasandra, Vidyananyapura, Bengaluru authorized person from the competent authority i.e. Director, Department of Mines and Geology, Bengaluru.
7	Status of Environment clearance.	It will be taken up with Environmental department.

Further, the user agency has stated that, as per the directions of Department of Mines and Geology which mentioned that under Karnataka Sub Mine Concessions Rule 1994 Amendment 2023, Rule 31ZC says that the name of the applicant for the Quarry and the Crusher (Form 'C') should be one and the same. As we already have been granted crusher license under Form 'C' No: 23/DMG/UKD/CL/2020-21/1374 dated:18-12-2020 in the name of M/s. Shivaprasad Industries. Hence as per the requirements of Department of Mines and Geology, we submitted the proposal through proper channel

for the change in applicant name for this quarry from M/s. Ramshree Construction Company to M/s. Shivaprasad Industries as owners of M/s. Ramshree Construction Company and M/s. Shivaprasad Industries are one and the same and we have been intimated by the concerned authority that, the name of the applicant for diversion of 8.80388 ha. forest land in F.Sy. No. 52A1A of Arga Village, Baad Hobli, Karwar Taluk, Uttar Kannada District for establishing stone quarry, dumping yards has been changed from M/s. Ramshree Construction Company to M/s. Shivaprasad Industries and as per the guidelines of the Mines and Geology the sketch has been revised and total area remains same.

The above proposed area has been inspected by Deputy Conservator of Forests, Karwar Division, Karwar on 30-07-2024 along with Assistant Conservator of Forests, Karwar Sub-division, Karwar and Range Forest Officer, Karwar as per proposed quarry map and approved quarry plan map in little variations. But overall area is same. In this regard the User Agency has stated that, as per the guidelines of the Mines and Geology the sketch has been revised and total area remains same. The reply may be considered and proposal may be approved as per Van (Sanrakshan Evam Samvardhan) Adhiniyam, 1980 and Van (Sanrakshan Evam Samvardhan) Rules, 2023.

Hence, the report and proposal submitted by Deputy Conservator of Forests, Karwar Division, Karwar is attached with this letter for your kind information and for necessary action.

Thanking you,

Yours faithfully,

Conservator of Forests,
Kanara Circle,
Sirsi.

Proposal No.: FP/KA/QRY/31539/2018[FORM A]

Ref: Old File No. A5(2). GFL.CR-35/2013-14
E-Office File No. KFD/HOFF/A5-2(GFL)/42/2020-FC Date: 17.12.2022

With reference your letter referred above, we are here with submitting the approved quarry plan from the competent authority as per your requirements.

Mean while as per your directions we approached the Department of Mines and Geology which mentioned that under Karnataka Sub Mine Concessions Rule 1994 Amendment 2023, Rule 31ZC says that the name of the applicant for the Quarry and the Crusher (Form 'C') should be one and the same. As we already have been granted Crusher License under Form 'C' No. 23/DMG/UKD/CL/2020-21/1374 dated 18.12.2020 in the name of M/s Shivaprasad Industries. Hence as per the requirements of Department of Mines and Geology, we submitted the proposal through proper channel for the change in applicant name for this Quarry from Ramshree Construction Company to M/s Shivaprasad Industries, as owners of M/s Ramshree Construction Company and M/s Shivaprasad Industries are one and the same.

We have been intimated by the concerned authorities that the name of this applicant for the Diversion of 8.803 Hectare of forest land in Arga Village F.Sy No. 52A1A of Arga Village, BaadaHobli, Karwar Taluk, Uttara Kannada District for establishing Stone Quarry, Dumping yard and its Approach Road has been changed from M/s Ramshree Construction Company to M/s Shivaprasad Industries, this is for your kind information and necessary action.

As per the guidelines of Department of Mines and Geology the sketch has been revised and the total area remains the same.

Kindly do the needful.

Thanking you,
Yours faithfully,

M/s Shivaprasad Industries

Proprietor

To,
The Deputy Conservator of Forest,
Karwar Division,
Karwar.

Sub: Diversion of 8.80388 Hectare of forest land in Arga Village F.Sy No. 52A1A of Arga Village, Baada Hobli, Karwar Taluk, Uttara Kannada District for establishing Stone Quarry, Dumping yard and its Approach Road in favour of M/s Shivaprasad Industries Karwar, Uttara Kannada District.

Ref: The site inspection by Shri M.K.Shambhu, IFS, DIGF(C) on 11.11.2024.

With reference the above, subject & the site visit of Shri. M.K. Shambhu DIGF (C) on dated 11.11.2024, we would like to bring the following points for your kind consideration which will give more clarity for our proposal "Diversion of 8.80388 Hectare of forest land in Arga Village F.Sy No. 52A1A of Arga Village, Baada Hobli, Karwar Taluk, Uttara Kannada District for establishing Stone Quarry, Dumping yard and its Approach Road in favor of M/s Shivaprasad Industries Karwar, Uttara Kannada District.

1. We would like to bring to your kind notice that we are Government Class-I Contractor, we will be executing the building stone as on when we have Government work orders in hand, hence we will not be utilizing the entire 8.80388 Hectares of quarry at once, we will be operating the quarry in phase wise depending on the work orders, so we have submitted the proposal requesting for diversion and grant of Quarry License for 50 years.
2. We are having our Crushing Industry in the name of M/s Shivaprasad Industries, Form C-License for stone crusher issued by the District stone crusher licensing and controlling authority (Page No.- 3) and Form-A license for M-Sand issued by Director, Department of Mines & Geology (Page No. 4 to 10). When this proposal for Quarry License was sent in the name of M/s Ramshree Construction Company, the Department of Mines & Geology suggested that the Quarry License & the Crusher License should be in the same name (as per Rule 31ZC of Mines & Geology Act), in this regard this matter was brought to your notice & this name change had been proposed in the e-Portal (New Delhi) and the name change has been done as M/s Shivaprasad Industries and the same name has been registered with Mines & Geology (Receipt enclosed - Page No.- 11). Now the Quarry License proposal for Diversion of 8.80388 Hectares is in the name of M/s Shivaprasad Industries.

RECEIVED
DY. C. F. KARWAR
DATE 29-11-2024

3. As the proposal for the change of name was sent, a Joint survey was conducted by the Forest Officials and The Department of Mines & Geology on 04.12.2023, the communication received from Department of Mines & Geology and Department of Forest is enclosed for your reference (Page No.- 12 to 13). During the survey, The Department of Mines & Geology suggested the quarry and the dump yard should be in the same place, hence the sketch was revised, keeping the total area same as sent in the proposal.
4. The Karnataka Rajyapatra, Government of Karnataka notifies for the safe distance of the quarrying near the NH is 100mts for control blasting and 200mts for blasting, our quarry boundary line is more than 250mts. The copy of the Karnataka Rajyapatra, Government of Karnataka notification is enclosed for your reference. (Page No.- 14 to 16)
5. The Gazette of India – notification no. CG-DL-E-02082024-256000 issued on 31st July 2024 clearly mentions that Arga Village does not come under the eco sensitive area. Document has been enclosed for your kind reference. (Page No.- 17 to 23)
6. We are registered class-I Contractor in the name of M/s Ramshree Global Constructions Pvt. Ltd., (previously known as M/s Ramshree Construction Company) in which myself Mr. Shivaprasad & my brother Mr. Jayaprakash are The Director/ Partner of the firm. This firm is registered with Military Engineer Services (MES) in SS Class, Public Works Department (PWD) (Class-I Contractor), Karnataka Power Corporation Limited (KPCL) and Nuclear Power Corporation of India (NPCIL). The material quarried will be fully utilized for Government developmental works. The work orders from various Governments organization has been enclosed for your ready reference. (Page No.- 24 to 49)

We request you to kindly verify and accept our proposal and do the needful at the earliest.

Thanking you,

Yours faithfully,

M/s Shivaprasad Industries

Proprietor

MINISTRY OF ENVIRONMENT, FOREST AND CLIMATE CHANGE

NOTIFICATION

New Delhi, the 31st July, 2024

S.O. 3060(E).—The following draft notification, which the Central Government proposes to issue in exercise of the powers conferred by section 3 of the Environment (Protection) Act, 1986 (29 of 1986) is hereby published as required by sub-rule (3) of rule 5 of the Environment (Protection) Rules, 1986, for the information of the public likely to be affected thereby; and notice is hereby given that the said draft notification shall be taken into consideration for publishing final notification of Western Ghats Ecologically Sensitive Area in a phased manner either state-wise or through a combined single notification on or after the expiry of a period of sixty days from the date on which copies of the Gazette of India containing this notification are made available to the public;

Any person interested in making any objections or suggestions on the proposals contained in the draft notification may forward the same in writing, for consideration of the Central Government within the period so specified to the Secretary, Ministry of Environment, Forest and Climate Change, Indira Paryavaran Bhawan, Jorbagh Road, Ali Ganj, New Delhi-110003, or at e-mail address: eszmef@nic.in.

Draft notification

WHEREAS, the Western Ghats is an important geological landform on the fringe of the west coast of India and it is the origin of Godavari, Krishna, Cauvery and a number of other rivers and extends over a distance of approximately 1500 kilometre from Tapti river in the north to Kanyakumari in the south with an average elevation of more than 600 metre and traverses through six States namely Gujarat, Maharashtra, Goa, Karnataka, Kerala and Tamil Nadu;

AND WHEREAS, the Western Ghats is a global biodiversity hotspot and a treasure of biological diversity and it harbours many endemic species of flowering plants, fishes, amphibians, reptiles, birds, mammals, invertebrates and others. It is also an important center of evolution of economically important domesticated plant species such as pepper, cardamom, cinnamon, mango and jackfruit;

AND WHEREAS, Western Ghats has many unique habitats which are home to a variety of endemic species of flora and fauna such as Myristica swamps, Lion tailed Macaque, Nilgiri Tahr, the Sholas, the flat-topped lateritic plateaus, and wetland and riverine ecosystems;

AND WHEREAS, UNESCO has included certain identified parts of Western Ghats in the UNESCO World Natural Heritage List because Western Ghats is a Centre of origin of many species as also home for rich endemic biodiversity and hence a cradle for biological evolution;

AND WHEREAS, the Western Ghats not only harbour rich biodiversity, but also support a population of approximately fifty million people and include areas of high human population density and therefore, there is a need to conserve and protect the unique biodiversity of Western Ghats while allowing for sustainable and inclusive development of the region. Some parts of the Western Ghats are prone to or highly susceptible to landslide hazards thus requiring special measures of protection and mitigation;

AND WHEREAS, the Ministry constituted a High-Level Working Group to study the ecology, environmental integrity and holistic development of the Western Ghats, given their rich and unique biodiversity. The group was tasked with taking a comprehensive view of the issues involved, aiming to harmonize environmental and biodiversity protection with the needs and aspirations of local and indigenous people. Additionally, the High Level Working Group was to focus on sustainable development and the environmental integrity of the region, suggesting steps and a way forward to prevent further degradation of the fragile ecology of the Western Ghats;

AND WHEREAS, the High Level Working Group had since submitted its report to the Ministry on 15th April, 2013 which was kept in the public domain seeking comments or views of concerned stakeholders and was also sent to the concerned six State Governments of the Western Ghats region namely, Gujarat, Maharashtra, Goa, Karnataka, Kerala and Tamil Nadu for their considered comments or views on the report;

AND WHEREAS, the High Level Working Group has identified approximately thirty-seven percent of the Western Ghats as ecologically sensitive which covers an area of 59,940 square kilometre of natural landscape of Western Ghats and represents a continuous band of natural vegetation extending over a horizontal distance of 1,500 kilometre and is spread across six states of Western Ghats region namely, Gujarat, Maharashtra, Goa, Karnataka, Kerala and Tamil Nadu and includes Protected Areas and World Heritage Sites of Western Ghats and the High Level Working Group has recommended prohibition or regulation of identified projects and activities in the Western Ghats Ecologically Sensitive Areas which have maximum interventionist and destructive impacts on ecosystems;

AND WHEREAS, the Ministry vide O.M No. 1-4/2012 – RE (Pt.), dated the 20th December 2013, had *inter-alia* sought suggestions from the State Governments on modifications in the boundary of the Ecologically Sensitive Area as identified by the High Level Working Group on the basis of physical verification;

AND WHEREAS, the State Government of Kerala had earlier undertaken the exercise of demarcating Ecologically Sensitive Areas in the state by physical verification. The Ecologically Sensitive Area recommended by the Kerala State Government is spread over an area of 9,993.7 square kilometers, which includes 9,107 square kilometers of forest area and 886.7 square kilometers of non-forest area, and thus the Ecologically Sensitive Area in the Kerala State is 9,993.7 square kilometers, compared to the 13,108 square kilometers recommended by the High-Level Working Group;

AND WHEREAS, earlier the Ministry issued a draft notification vide S. O. No. 733 (E), dated the 10th March 2014, declaring Ecologically Sensitive Area in the Western Ghats taking into account the Ecologically Sensitive Area demarcated by Kerala Government for the State of Kerala instead of Ecologically Sensitive Area recommended by High Level Working Group for the State, while for other States of Western Ghats region the Ecologically sensitive Area recommended by the High Level Working Group was considered;

AND WHEREAS, while responding to the said draft notification number S.O. 733 (E), dated the 10th March, 2014 some of the States of Western Ghats region had sought an opportunity to undertake demarcation of Ecologically Sensitive Area by physical verification and the same was accorded by the Central Government vide letter dated the 9th June, 2014 except for the State of Kerala;

AND WHEREAS, the Central Government had convened meetings of the State Environment and Forest Ministers of the Western Ghat region on the 7th July, 2015 and Members of Parliament of Western Ghats region on the 3rd August, 2015 to review the progress of demarcation of Ecologically Sensitive Area by physical verification and also to address the apprehensions /concerns expressed by the State Governments and the various stakeholders of Western Ghats from time to time;

AND WHEREAS, the representatives of the State Governments of Western Ghats region had informed during the meeting held on the 7th July, 2015 that demarcation of Ecologically Sensitive Area by physical verification is in advanced stages of completeness;

AND WHEREAS, it was resolved in both the meetings to clarify that there will be no displacement or dislocation of the local people living in habitations within the Ecologically Sensitive Areas demarcated in the Western Ghats and practicing of agriculture and plantation activity shall also not be affected due to the provisions contained in the draft notification;

AND WHEREAS, the Central Government convened a meeting with the Members of Parliament of the Western Ghats region on 11th August, 2016 and decided that the Draft Notification dated 4th September, 2015 would be the basis for further discussion to finalize it;

AND WHEREAS, the Central Government convened a meeting with concerned State Govt. representatives in the Ministry on 11th April, 2018 and decided that the Draft Notification dated 27th February, 2017 would be the basis for further discussion and accordingly the draft Notification No. S.O. 5135(E) dated 3rd October, 2018 was issued for stakeholder consultation;

AND WHEREAS, the Central Government convened meetings with concerned State Govt. representatives to discuss the draft at various forum including the highest level on 15th February, 2019; 21st May, 2020; 23rd November, 2021; and 3rd-4th December, 2021; wherein various objections, comments and suggestions were received from the State Government on the draft notification no. S.O. 5135(E) dated 3rd October, 2018;

AND WHEREAS, in order to address the issues raised by the State Governments, the Ministry of Environment, Forest and Climate Change constituted a Committee vide O.M. dated the 18th April, 2022 to re-examine the suggestions of the six State Governments in a holistic manner, keeping in view the conservation aspects of the disaster prone pristine ecosystem, and the rights, privileges, needs and developmental aspirations of the region;

AND WHEREAS, the Committee observed that the time given for submission of the report of the Committee is inadequate in view of the complexity of the task and consequently the draft notification no. S.O. 5135(E) dated 3rd October, 2018 on 30th June 2022 could not attain finality;

AND WHEREAS, the Central Government and Expert Committee held meetings with Western Ghats States to discuss the 5th draft notification at various forum including the highest level on 11th July, 2022; 30th August, 2022; 17th-19th January, 2023; 17th-19th May, 2023; 1st- 6th June, 2023; 18th - 19th July, 2023; 16th-20th

August, 2023; 14th-17th October, 2023 and 26th- 28th March, 2024; wherein various objections, comments and suggestions were received from the States on this draft notification;

AND WHEREAS, the said Committee is addressing the issues raised by the States in the Western Ghats region on discrepancies or information gaps in the draft notification published vide S.O. 3072(E) dated the 6th July, 2022, on the correct names and area of villages to be included in the Ecologically Sensitive Area. The Committee is also examining the suggestions received from the State Governments;

NOW, THEREFORE, in exercise of the powers conferred by section 3 of the Environment (Protection) Act, 1986 (29 of 1986) and sub-rule (3) of rule 5 of the Environment (Protection) Rules, 1986, the Central Government hereby notifies the Western Ghats Ecologically Sensitive Area spread across six States namely, Gujarat, Maharashtra, Goa, Karnataka, Kerala and Tamil Nadu. The state wise details of identified areas are appended in **Annexure-A** of this notification.

2. Boundary and Description of Western Ghats Ecologically Sensitive Area. - (1) The boundary descriptions of Eco-sensitive Area as recommended by High Level Working Group is as under: -

(a) The State wise map of the portion of the Eco-sensitive Area in each State excluding Kerala is appended as **Annexure – B1 to B5**;

(b) The State wise list of villages falling within the Eco-sensitive Area along with respective Districts and Talukas is appended as **Annexure-C**.

(2) The Eco-sensitive Area in the State of Kerala covers an area of 9,993.7 square kilometer, including 9,107 square kilometers of forest area and 886.7 square kilometers of non-forest area. The detailed village-wise boundary descriptions of the Eco-sensitive Area, along with its cadastral map proposed by the State Government is available on the website of the Kerala State Biodiversity Board.

3. Projects and activities to be prohibited or regulated in the Eco-sensitive Area.- (1) The following categories of projects and activities shall be prohibited in Western Ghats Eco-sensitive Area except those proposals which have been received by Expert Appraisal Committees or the Ministry of Environment, Forest and Climate Change or State Level Expert Appraisal Committees or the State Level Environment Impact Assessment Authorities before the 17th April, 2013 the date on which the High Level Working Group report was uploaded on the website of the Ministry and are pending consideration and such proposals shall be dealt in accordance with the guidelines and rules in existence at that time.

(a) **Mining.**- There shall be a complete ban on mining, quarrying and sand mining in Ecologically Sensitive Area and all existing mines shall be phased out within five years from the date of issue of the final notification or on the expiry of the existing mining lease, and whichever is earlier.

(b) **Thermal power plants.**- No new thermal power projects and expansion of existing plants shall be allowed in the Ecologically Sensitive Area.

(c) **Industry.**- All new 'Red' category of industries as specified by the Central Pollution Control Board or State Pollution Control Board and the expansion of such existing industries shall be banned and the list of 'Red' category of industries shall be as specified by the Central Pollution Control Board; Provided that all existing 'Red' category of industries including health care establishments shall continue in Ecologically Sensitive Area under the applicable rules and regulations.

(d) **Building, construction, township and area development projects.**- All new and expansion projects of building and construction with built up area of 20,000 square metres and above and all new and expansion townships and area development projects with an area of 50 hectares and above or with built up area of 1,50,000 square metres and above shall be prohibited and there shall be no restriction on repair or extension or renovation of existing residential houses in the Eco-sensitive Area as per prevailing laws and regulations.

Note: (1) All existing health care establishments can continue in Eco-sensitive Area and proposed Primary Health Centres established as per laws and regulations. 2 No restriction in change in ownership of property.

(2) **The following categories of projects and activities shall be regulated as given below:** - (a) Hydropower projects- New Hydropower projects shall be allowed as per the Environment Impact Assessment notification, published vide number S.O. 1533 (E), dated the 14th September, 2006, subject to the following conditions, namely: -

(i) uninterrupted ecological flow of at least thirty percent of the rivers flow in lean season, till a comprehensive study establishes individual baselines for each project;

(ii) a cumulative study which assesses the impact of each project on the flow pattern of the rivers and forest and biodiversity loss; and

- (iii) the minimum distance between one project and the other is maintained at three kilometre and not more than fifty percent of the river basin is affected at any time,
- (b) The "Orange/White" category of Industries as specified by the Central Pollution Control Board or State Pollution Control Board shall be allowed with strict compliance of environmental regulations but all efforts shall be made to promote industries with low environmental impacts.
- (c) In the case of activities that are covered in the schedule to the Environment Impact Assessment notification number S.O. 1533 (E), dated 14th September, 2006, published by the erstwhile Ministry of Environment and Forests and are falling in the Eco-sensitive Area, except the projects and activities which are specifically prohibited under sub-para (1) shall be scrutinised and assessed for cumulative impacts and development needs before considering for prior environmental clearance by the Ministry under the provisions of the said notification.
- (d) In particular and without prejudice to the provisions of the relevant Acts, in cases of diversion of forest land for non-forestry purposes in the Eco-sensitive Area, all information of the project, from application stage to approval shall be placed in the public domain on the website of the Ministry of Environment, Forest and Climate Change and of the Forest Department of the respective States.
- (e) The requirements of prior informed consent under the Scheduled Tribes and other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006 (2 of 2007) shall be complied with and the consent of Gram Sabha for undertaking projects and activities shall be mandatory.
- 4. Implementation and Monitoring mechanism.—** (1) The responsibility for monitoring and enforcement of provisions of this notification shall be with the concerned State Governments of Western Ghats region and the State Governments shall ensure placing of required mechanisms for effective monitoring and enforcement of restrictions in the Eco-sensitive Area and while placing such mechanisms, the State Governments shall *inter alia* ensure strengthening of existing regulatory institutions and processes, and participation and involvement of local communities in decision making and the details of such mechanisms shall be shared by the concerned State Governments with the Ministry of Environment, Forest and Climate Change .
- (2) A Decision Support and Monitoring Centre for Western Ghats shall be established by the Ministry of Environment, Forest and Climate Change in collaboration with the six State Governments of the Western Ghats region which shall assess and report on the status of ecology of Western Ghats on regular basis and provide decision support facility in the implementation of the provisions of this notification and shall also facilitate mechanisms for scientific decision making and strengthening enforcement.
- (3) The post clearance monitoring of projects and activities allowed in the Ecologically Sensitive Area shall be carried out by the concerned State Government, State Pollution Control Board and the Regional Office of the Ministry and all projects in the Eco-sensitive Area which have been given Environmental Clearance or Forest Clearance shall be monitored at least once a year by the concerned Regional Office of the Ministry of Environment, Forest and Climate Change.
- (4) All projects in the Eco-sensitive Area which have been given consent to establish or Consent to Operate under the Water (Prevention and Control of Pollution) Act, 1974 (6 of 1974) or the Air (Prevention and Control of Pollution) Act, 1981 (14 of 1981) shall be monitored at least once a year by the concerned State Pollution Control Board and the concerned State Governments shall prepare 'State of Health Report' in respect of Western Ghats region falling within their jurisdiction on an annual basis giving inter-alia the details of steps taken in monitoring and enforcement of provisions of this notification and make the same available in public domain.
- 5. Action for contravention.-** In case of any contravention of the provisions of this notification, action under the provisions of the Environment (Protection) Act, 1986 (29 of 1986) and other relevant statutes shall be taken accordingly.
6. The provisions in this notification shall be subject to the final orders of the court in pending litigation.
7. The provisions of this notification shall not affect the ownership of the property in the Ecologically Sensitive Area.

No. UKD/DMG/ Building Stone Lease/2022-23 /1037

Date: 29-08-2022

29 AUG 2022

To,

Ramashree Construction Company
Shree Ram Complex, Kodibag,
Karwar.

Sir,

Sub: Letter of intent for Building Stone.

- Ref: 1. The Principal Chief Conservator of Forests (Forest Conservation) and Nodal Officer(FCA), Bangalore letter No.FD/HOFF/A5-2(GEL)/42/2020-FC Dated : 08-08-2022.
2. Your Letter No.: RCC/KWR/M&G/2022-23 Dated 16-8-2022.
3. Geologist site inspection Report Dated:18-7-2021.

With reference to the above subject, application has been submitted to the Forest Department for establishing building stone Quarry in Forest Sy. No. 52A of Arga Village, Baada Hobli in Karwar taluk, Uttara Kannada District (Karwar Forest Division). Accordingly, The Principal Chief Conservator of Forests (Forest Conservation) and Nodal Officer (FCA), Bangalore has asked (ref.1) as per MMRD Act, to obtain "Letter of Intent" from the Mines and Geology Department.

In this regard ref.(3) Geologist has inspected the site in association with Forest Department, the proposed building stone Quarry area Sy. No. 52A of Arga village of Baada Hobli in Karwar taluk on 20-8-2022. In that report said that area falls on GPS co-ordinates of 1) 14.786219, 74.144395 2) 14.786227, 74.144136 3) 14.785148, 74.144964 4) 14.784166, 74.144435 5) 14.784105, 74.144108 6) 14.784025, 74.145751 7) 14.783815, 74.146051 8) 14.784063, 74.146373 Total extent of 5.72 Hectares and is belongs to Forest Land having a good exposure of granitic gneisses (building stone) rock on the surface and in a few places cover with a bushy plants. The application area is on an average of 140meter above from ground level of NH-66 and it is 230 meter away from the National Highway-66.

Therefore, It is recommended to establish Stone Quarry as the area has good resource of building stone, and it is suitable for building construction and other construction work. If the forest land is diverted to the applicant as per Forest Conservation Act for quarry purpose, then the District Task Force Committee will grant a quarry lease to M/s. Ramashree Construction Company.

Yours faithfully,

Deputy Director (I/c)
Dept. of Mines & Geology
Uttara Kannada Dist., Karwar
