1.	The State Govt. has still not clarified whether diversion of 0.4620 ha forest land may be consider as fresh diversion proposal or only 0.31 ha forest land can be considering as fresh diversion and balance 0.152 ha forest land as re-diversion proposal because the revocation order for Stage-II approved 55.74 ha forest land has not been issued by the State Govt. and nor requested to the Ministry in this regard.	In this regard, it is mentioned that the Central Govt has granted final approval to ARAI Pune on 24.07.2008. But PCCF and HOFF, Nagpur vide his letter no. 581/09-10 dtd 29.06.2009 instructed to this office that, "As per the instructions of the Govt; ARAI Pune, the project authority has not fulfilled and submitted the no claim certificate under ST and other Traditional Forest Dwellers (Enforcement of Forest Rights) Act 2006, Hence until further orders of state government area should not be handed over to ARAI " Till date area is not handed over to ARAI, hence proposal for diversion of 0.462 ha forest land to ARDE including overlapping 0.15 ha overlapping area be treated as fresh proposal.
2.	The Ministry vide letter No. 8-15/2007-FC dated 24.07.2008 diverted 55.74 ha (45.57 ha for proposed facilities + 10.17 ha for existing built-	In Year 1971 Maharashtra Govt. letter No. FLD-1971/32250-W dt. 09/11/1971 has granted 105.74 ha. <p>up area/ facilities) forest land to user agency i.e. ARAI. However the State Govt. has informed that an area of 7.695 ha. is in possession of ARAI. The State Govt. shall submit factual information on the proposal based on actual ground position.</p>	<p>has allowed to construct only 2 ha area on the said land. But ARAI has constructed 7.695 ha on forest area. Meanwhile Forest Conservation Act 1980 has enacted on dt. 25.10.1980 lease stands terminated. But remaining 98.045 ha. area was and is in the possession of forest department. During 2007 ARAI has submitted 55.74 ha. Forest land diversion proposal under Forest conservation Act 1980. This 55.74 ha. Forest area is approved for diversion to ARAI under forest conservation Act 1980 by central Government MOEF & CC New Delhi vide letter dt 24/07/2008. But this land has not been handed over to ARAI.</p> <p>Out of 105.74 Ha. Forest area 7.695 ha area is in possession with ARAI and remaining 98.045 ha area is managed by forest department. In this area plantation under various schemes has been carried out which includes 50.0 ha Forest area is worked under CAMPA Green Belt in the year 2013-14, 6 ha area is under bamboo plantation, 2.5 ha. Local species tall plantation (Year 2019-20) under the 50 crore tree plantation scheme. Plantation done on 10.00 ha of forest area and remaining 29.5 ha. is under Glericidia old plantation.</p> <p>Actual ground position of area under consideration is given in table below.</p> <p>Location Name: Kothrud</p> <p>Survey No.: 102</p> <p>Area in possession of ARAI: 7.695</p> <p>Forest area possessed and managed by forest department: 98.045 ha Total: 105.74</p>
