S.No	EDS	REPLY
1	The coordinates though provided on digital map for 200-300 m but geo-coordinate for few turns of the proposed alignment are missing the state Govt may provide coordinate for all turns of the road.	Geo-referenced map प्रस्तावक विभाग द्वारा पुनः पार्ट I के C (iv) में अपलोड कर दिया गया है।
2	The scanned copy of the geo refenced map is uploaded non wrong place in online part-I as it should be uploaded at C B(iv) instead of cb (iii) and the sol toposheet map is uploaded at C-b(iv) should be uploaded at Cb (iii). The necessary correction is requiring in the online part-I.	Necessary corrections regarding uploading scanned copy of geo refenced map and SOI toposheet map has been made in online part I as per instructions.
3	The name of village provides in the villages break up are not matching with the name mentioned in FRA certificate signed by the DC the state Govt may review the name of village provided in village wise break up and also provide village levei complete FRA certifiacte may uploaded at designated place in part I.	The road alignment proposed form Kanda rawatsera motor road to village dhari-II along with as tok Dobhargara. Datiyadhunga and Madya (includes in VLC dhari II) and last point tok Raitoli of revenue village Bhingari due to mistake (VLC) proceeding of tok raitoli was left to attach with FRA documnts has been uploaded in part I and attested copy placed in proposal.
4	The density 0.3 does not account for the dense forest category fbr which the state Govt calculated NPV. The State Govt may review the same and provide revised calculation of NPV.	प्रभागीय वनाधिकारी द्वारा बताया गया है, कि सैद्धान्तिक स्वीकृति प्राप्त होने के बाद प्रस्तावक विभाग को demand में NPV open forest 657000 के अनुसार calculate करके दी जायेगी।
5	Number of trees in the alignment is 126 as per the information provided in hard copy of the proposal but in on line part tl the 92 trees are mentoned need clarification and necessary correction.	It is claiify that in alignment are 92 whereas 126 nos of trees come in rejected alignment no 2as shown in hard copy.
6	Detail of wildlife in online part II is not provided.	Detail of w'ildlife part-II has revise according the rules.
7	Sites suitability certificate though provided as an additional document in online part II but not uploaded in designated place of I3-(iv) in online para-L	प्रभागीय वनाधिकारी द्वारा Sites suitability certificate को part-II कें SR.NO-13 के additional information में अपलोड कर दिया गया है।

8	<p>The original copy of following document may provided to this office through the state Govt :-</p> <ol style="list-style-type: none">1. FRA certifi cate alongwith all annexure.2. Geo-referenced map of area showing coordinate for 200-300m including all turns ofthe road and for area proposed for CA as uploaded in online part I.3. The state Govt. may also provide hard copy of the revised document in original including authenticated copy of part I, II,III. IV, and V as in online web portal to I this office throush the state Govt.	<p>The following revised documents has been sent by post.</p> <ol style="list-style-type: none">1. FRA certificate alongwith all annexure.2. Hard copy of geo-referenced map along with list of coordinates and CA map.
