Sir,

With reference to the above cited subject and your letter preamble above at sr. no. 1 regarding submission of details of the alternate land (including uploading of KML file). In this regard, it is once again informed you that, we had already uploaded the details of Alternate Land including Topo Sheet and Geo-reference Map in PDF format on dated 06/01/2023 in Parivesh portal.

The KML file of Alternate Land is not possible to upload in Parivesh portal because of there is no option is given in portal to upload KML file for Alternate land. In Parivesh portal, only PDF file format will be uploaded in Compensatory land details and no option is given to upload KML file. The issue has been discussed through the telephonic talk with the Technical Helpdesk, MoEF provided in the Parivesh portal, it is informed by them that, if option to upload KML file is not provided on portal that means there is no requirement of KML file, So the KML file of Alternate Land was sent to your Email address: - dcf-dmn-dd@nic.in and the other details of of Alternate Land were sent in hard copy vide our letter refer above at sr. no. 2 for further necessary action at your end.

Therefore, it is once again requested to process the above proposal for approval of stage -I at the earliest please.

Yours faithfully,
