As per Notice received dated 02/04/2024 regarding the Felling of 28 trees cases, we are unaware of this case. Machine operator has done this and Machine owner has submitted letter to Forest offices regarding this and they have paid Fine amount imposed by Forest office of Rs. 25000/- on dated 05/02/2019 in Forest office. As per Machine Operator/Owner, during the work there are not any sign board seen anywhere in Forest and not any intimation received to Machine operator/owner or vendor or undersigned during work in that area. They or undersigned also did not receive any contrary intimation during work in that area till end of 2018 to stop the work. The case is pending in the court.

As soon as the Forest department officials intimated us to stop the work and apply for permission through Parivesh Portal, we stopped the work. This indicates that there was no willing violation of any instruction at any point in time.

It is humbly submitted that undersigned was neither responsible nor involved in tree felling at all. No offence was committed knowingly, however it is assured that closer supervision shall be kept in such matters in future. It is sincerely requested to condone the un-intended felling during cable laying & drop the proposed action. Shall be grateful for your indulgence.

Thanking you,

Yours faithfully,

Sub: Proposal for non-forestry use of 0.28 ha. of forest land for construction of underground Optical Fiber Cable for High speed broadband connectivity of Gram Panchayat in Mulshi Block of Pune District in the State of Maharashtra (Online no.- P/JIH/MIN/59823/2020). –reg.

Madam/Sir,

To,

I am directed to refer to the Government of Maharashtra's letterNo. FLD-1923/C.R.229/F-10 dated 02.02.2024 on above subject seeking prior approval of the Central Government under Section 2 (1) (ii) of the Van (Sanrakshan Evam Samvardhan) Adhiniyam, 1980 and to say that after examination of proposal the following shortcomings have been observed:

- i. The Regional Office Nagpur vide letter dated 15.01.2024 had returned the proposal to the state government with a request to take action under section 3A/3B and submit the proposal directly to the MoEFCC for further consideration. In this regard, the letter received from the State Govt. does not mention anything about the action taken under section 3A/3B of the Van(Sanrakshan Evam Samvardhan Adhiniyam),1980. The State Government shall therefore intimate whether the action under section 3A/3B has been initiated in the instant case or not. An action taken report in this regard shall be submitted.
- ii. The DFO concerned in his site inspection report has informed that the proposed area lies within the ESZ of the Tamhini Wildlife Sanctuary and Sudhagad Wildlife Sanctuary. The State Govt. may ensure that the activity is permissible within the ESZ and submit a report to the ministry in this regard.
 iii. The DFO in Part-II of the application form has intimated that violation has been stated from the year 2018, while in the Violation report it has been indicated that violation has been stated in the year 2019. The State Government may therefore, inform the exact details of violation by the user agency.
- iv. State Government has uploaded Shape file/ KML file over an area of 0.764 ha of forest land instead of 0.28 ha. Therefore, the State Govt. Is requested to upload the correct KML file of 0.28 ha proposed forest land.
 v. The DGPS Map and Survey of India Topo-sheet Map showing the proposed

forest land for diversion uploaded on PARIVESH portal are not legible in nature. Therefore the State Govt. shall upload legible copies of maps.

In view of the above, the State Government is requested to submit the information/ documents, as indicated above, for further consideration of the proposal in the Ministry.

Yours faithfully
