2. In this context, it is submitted that the proposal for re-diversion of Forest Land for extraction of mining mineral Sand, Stone and Bazari has been uploaded by the User Agency in the MOEF portal against FORM-A and Part -II along with recommendation and Site Inspection has also been uploaded by DFO.

4. DFO Churah has submitted that, the portal has no option to upload the updated recommendation of DFO against the appropriate column, and in this regard he has asked to MOEF NIC Delhi, they also told that in the EDS mode recommendation of DFO/CF cannot be uploaded, it can be uploaded only once during the submission of case, you can update the online Part-II and can upload site inspection or any other additional information. Hence, the DFO Churah has uploaded the scanned copy of Part-II recommendation in the additional information, and same is placed in the proposal folder.
