The total transmission line from Bonai to RTSS Bimlagarh comes under Banki Forest Range at Rajamunda of Rourkela Forest Division. (Letter Copy enclosed).

Revised CA scheme is enclosed

- (vii) The site specific SMC works required for the CA land identified may be worked out following the cost-norm for different kinds of SMC works suggested by this office O.O.No.1044 dt.13.10.2017, as per the present wage rate.

Revised CA scheme is enclosed

- (viii) It is revealed from the details of village wise non-forest land of Lahunipada & Koida Tahsil furnished separately with signature of both the Tahsildars that, the total non-forest land involved in the project is 66.4914 ha (Lahunipada Tahsil-Govt Non-Forest-6.452 ha + Pvt land -26.773 ha Koida Tahsil-Govt Non-Forest 16.019 ha + Pvt land 17.247 ha). But, UA, DFO, Rourkela Division in Check list-08 & Tahsildar Koida & Lahunipada together report it to be 66.499. This discrepancy may be reconciled and sorted out.

During conversion of the plot area from Acre to Hectare, there is mismatching at third decimal. However, the total area of Non-Forest land, as authenticated by the Tahsildars of Koida & Lahunipada is 66.499 ha.
