महोदय,

उपरोक्त विषयक एवं सन्दर्भित पत्र के अनुपालन में SH-234 Tirwa-Bela Road from CH.142.00 in kannauj District with felling of 2296 trees में लगायी गई आपत्तियों का निराकरण कर प्रस्ताव आपकी सेवा में प्रेषित है:-

Sl.	Objection	Refutation
1	As per the GIS DSS analysis of kml files for proposed forest land diversion (uploaded at C of part I) following issues need rectification: a. The proposed forest land area for diversion shows overlap with exiting road which is to be rectified. b. Kml file needs submission in CD also.	a. Correction in kml has been done b. CD of corrected kml file is attached with proposal
2	Geo referenced map uploaded with the proposal at C-(iv) of part-I need geo coordinates of all key points which will define proposed forest land for diversion.	Updated Georeferenced map with all required geo-Key coordinates uploaded online and attached with proposal file
3	The land schedule uploaded with the proposal does not provide details of balance of RoW which will remain after proposed forest diversion.	The corrected Land schedule with Balance ROW Forest Land is uploaded online and attached with proposal file
4	Various documents of the proposal submitted are without name and date of the signing authority.	Required correction is incorporated in proposal file
5	The proposal is without enumeration of pole crop(<30 cms gbh) which later on necessitates request for approval for additional tree felling from the State Government.	enumeration of pole crop(<30 cms gbh) details is attached with proposal
6	kml file of proposed compensatory afforestation site has been submitted in CD and in case of online uploaded one acces is denied. The necessary GIS DSS analysis has not been carried out due to non availability of particular kml file.	Corrected kml file of proposed compensatory afforestation site CD is attached
