Sub: Proposal for diversion of 15.701 ha of revenue forest land in the villages of Dulanga, Ghumudasan and Manoharpur under Hemgiri Tahasil of Sundargarh district for Coal Mining in Manaharpur Coal Mine Project by M/s Odisha Coal and Power Ltd (OCPL) under DFO, Sundargarh-Clarification to the observations of FAC dated 27.01.2021 regarding.

Ref:- GoI, MoEF & CC, New Delhi Letter F.No. 8-63/2011-FC dated 01.03.2021.

Sir,

In inviting a reference to the letter cited above on the captioned subject, clarification on the FAC observations dated 27.01.2021 of Government of India, MoEF & CC, New Delhi basing on the report of DFO, Sundargarh and RCCF, Rourkela Circle is furnished as under:-

1. The total area as approved in Mining Plan (Rev-II) is 1064.402 ha. Out of which, forest land is 273.288 ha.
2. The total forest land requirement for Manoharpur Coal block (already diverted + applied) is 273.244 ha as detailed in the table below. The total forest land proposed in the application is well within the total forest land approved in mine plan (Rev-II).

Sl No.	Forest land as per Revenue Records	Area (in ha)	Status
1	Forest land diverted vide Stage-II order F. No.8-63/2011-FC dated 20 th August 2014 and transferred to OCPL vide order dated 30 th November 2015	200.465	Diverted
2	Forest Land transferred from OPGC vide MoEF & CC Regional Office, Bhubaneswar Letter No.5-ORA155/2012-BHU dated 17 October 2017	57.078	Diverted
3	Current Proposal	15.701	Applied
Total Forest Land (as per FDP):		273.244	

3. Diversion of Forest land for Manoharpur Coal block was applied for 200.465 Ha. After due consideration of observations & recommendations, an area of **76.19 ha non forest Govt. land was treated as Forest as per dictionary meaning** was added by MoEF & CC, Govt. of India. Subsequently, Stage-I (F. No.8-63/2011-FC dated 17th October 2012) & Stage-II clearance (F. No.8-63/2011-FC dated 20th August 2014) issued over a total land area of 276.655 ha (200.465 ha forest land as per revenue records + 76.19 ha treated forest land).

The discrepancy/ confusion is due to this 76.19 ha of non-forest Govt. land which was treated as Forest as per dictionary meaning. This land was not forest as per revenue records and hence not a part of mine plan. However, considering the earlier approvals, the total forest land for Manoharpur coal mine project is 349.434 ha (including 76.19 ha of non-forest Govt. land treated as Forest as per dictionary meaning).

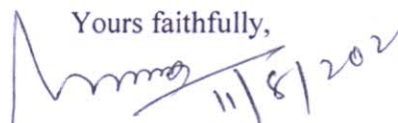

SI No.	Particulars	Area (in Ha.)
1	Total Forest Land described in above table	273.244
2	Non-forest Govt. land treated as Forest as per dictionary meaning (Stage-II order F. No.8-63/2011-FC, dated 20 th August 2014) & transferred subsequently to OCPL dated 30 th November, 2015.	76.190
Grand Total:		349.434

Ref: 1. Govt. of India, MoEF & CC, New Delhi Letter F.No.8-63/2011-FC (Vol.), dated 1st March, 2021.
2. Your letter no. 1532/ 4F (Misc)/ 2021, dated 30/03/2021.

Sir,

This is with reference to your letter & the subject cited above w.r.t. the observations of Forest Advisory Committee (FAC) meeting held on 27.01.2021 seeking clarification over forest land details of Diversion proposal. The details of land area may be read as following.

1. The total area as approved in Mining Plan (Rev-II) is 1064.402Ha. Out of which, forest land component is 273.288Ha.
2. Total forest land requirement for Manoharpur Coal block (already diverted + applied) are 273.244Ha. (Details in appended table). The total forest land proposed in our application is well within the total forestland approved in mine plan (Rev-II).

Sl No.	Forest land as per Revenue Records	Area (in Ha.)	Status
1	Forest Land diverted vide Stage-II order F. No.8-63/2011-FC, dated 20 th August 2014 and transferred to OCPL vide order dated 30 th November, 2015.	200.465	Diverted
2	Forest Land transferred from OPGC vide MoEF&CC regional office, Bhubaneswar letter no. 5-ORA155/2012-BHU, dated 17 th October 2017.	57.078	Diverted
3	Current Proposal	15.701	Applied
Total Forest Land (as per FDP):		273.244	

3. Forest land diversion for Manoharpur Coal block was applied for 200.465Ha. After due consideration of observations & recommendations over the proposal, an area of **76.19Ha non-forest Govt. land were treated as Forest as per dictionary meaning** were added by MoEF&CC, Govt. of India. Stage-I (F. No.8-63/2011-FC, dated 17th October 2012) & Stage-II clearance (F. No.8-63/2011-FC, dated 20th August 2014) thus issued over a total land area of 276.655Ha (200.465Ha forest land as per revenue records + 76.19Ha treated forest land).

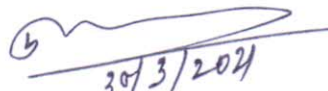

The discrepancy/ confusion is coming due to this **76.19Ha** of non-forest Govt. land which were treated as Forest as per dictionary meaning. This land is not forest as per revenue records and hence not a part of mine plan forest land count. However, considering the earlier approvals, the total forest land for Manoharpur coal mine project for MoEF&CC is 349.434Ha (Including 76.19Ha of non-forest Govt. land treated as Forest as per dictionary meaning).

Sl No.	Particulars	Area (in Ha.)
1	Total Forest Land described in above table	273.244
2	Non-forest Govt. land treated as Forest as per dictionary meaning (Stage-II order F. No.8-63/2011-FC, dated 20th August 2014) & transferred subsequently to OCPL dated 30 th November, 2015.	76.190
	Grand Total:	349.434

With the above clarifications, we request your good office to kindly take up the matter with Ministry for further consideration of the proposal.

With sincere Regards.
