To,

The Chief Conservator of Forest
Northern Circle Kannur

Sir,

Sub:- Proposal for diversion of 4.332 Ha of forest for Edaparamba-Kolichal road in Kasargod District-reg.

Ref:- 1) Online Proposal No. FP/KL/ROAD/37710/2018
2) Letter No.4-KLB1480/2023-BAN/227 Of Regional Office
MoEF Bangalore

Kind attention is invited to the above subject and reference. As per the reference (2), two clarifications have sought from Regional Office MoEF. I am submitting the explanations for it.

1. The Edaparamaba- Kolichal road is passing through the Adoor RF of Kasargod Forest division. The length of forest road is 3.6 Km. As per the notification of Adoor RF, the above forest road exists before 1980. The Sl. No,3,4,6 of above RF notification shows the above forest road.
2. The CA land for the above project was found at Kammadama Kavuvu in Bheemanady Village . The required Govt order was issued and the an extent of 4.33 ha was mutated to forest department. For UKTL project also CA land was selected at Kammadam Kavuvu for 17.053 ha. But no govt order was issued for which Stage 1 approval had already received. There is a shortage of 0.65 ha area in Kammadam Kavuvu to meet the CA requirement of above two projects. The CA land for UKTL project and its mutation should be done from revenue side. The issue was already discussed with District administration for solving it.

Yours faithfully
