Sub: Proposal for diversion of 697.979 ha of forest land for Pottangi
Bauxite Mining Lease in village Pottangi under Pottangi Tahasil of
Koraput District in favour of NALCO Ltd.
(Proposal No.FP/OR/MIN/29981/2017)
Ref: Your Memo No. 10780/9F(MG)-337/2021 dt 01.07.2021.

In inviting a kind reference to your above cited memo on the captioned subject , this is to inform that the DFO, Koraput Forest Division vide her Memo No. 930 dt 21.02.2022 (Copy enclosed) has re-submitted the Forest Diversion proposal to this office along with CA scheme over degraded forest land to the extent of 1400 ha identified in Koraput Forest Division in lieu of 697.979 ha of forest land proposed to be diverted for Pottangi Bauxite Mines of M/s NALCO Ltd..

As per DSS analysis done in this office, it is found that 0.01 Km² i.e. 1.0 ha of degraded forest land is coming under Moderately Dense Forest in respect of Kasandi PRF. So if that 1.0 ha is also deducted from total CA area, the CA area comes to 1399 ha which is more than the double degraded forest land required as per guidelines. The Divisional Forest Officer, Koraput Forest Division has also proposed planting of 12,73,000 Nos. of seedlings which is also more than the required 1000 seedlings per ha of the project area.

Hence, the said diversion proposal along with revised CA scheme in three sets is re-submitted herewith for favour of kind information and necessary action.
